U.S. Citizen Victims of Crime

Resources for Crime Victims in the Dominican Republic

Santo Domingo

Servicio Nacional de Representación Legal de los Derechos de la Víctima (RELEVIC)

Type of Organization: Government Agency
RELEVIC is composed of a staff of attorneys, MDs, social workers and family therapists, many of whom speak English. AmCits who are visiting or living in the DR are eligible to receive the services. They provide help during the legal process with all legal paperwork and accompany the victims to file their complains. Their services are offered pro bono to low income victims.
