Address: WA

General Comment

I am writing to you to let you know that I strongly support your proposed new regulation CMS-9992-IFC2, which mandates that health insurance plans provide contraceptive coverage to woman free; but I am concerned that some religious organizations might be able to opt out of such coverage. A woman should not be denied her rights just because she has to work for such an employer. Please close this loophole!

Thanks for your consideration. --- Leigh R. Simmerer
