General Comment

Strongly encouraging you to pass the Patient Protection and Affordable Care Act: AMendment (document ID IRS_FRDOC_0001-0763).

This will have an enormous, positive effect on women in our country and the quality of their lives, and those of their children.

While I am a staunch pro-choice voter, this amendment werves to limit the need for termination of pregnancies because they can be prevented! It's a WIN-WIN-WIN situation for everyone.

Sincerely,
Christy Cufley
