Ames, IA 50014

9am-1pm: Meet with staff to learn more about the EEOICPA, file a new claim, get case status updates on current claims, or assistance with medical benefits.

Current and former employees of the Ames Laboratory or any facility involved in nuclear weapons production are encouraged to attend!

This program provides **lump-sum compensation and medical benefits to current and former nuclear weapons workers** who developed an occupational illness as a result of exposure to toxic substances at a DOE facility. Survivors of qualified workers may also be eligible to receive compensation. Covered illnesses include but are not limited to radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to occupational exposure to toxic substances.
