HELPING SMALL BUSINESS OWNERS AND THEIR EMPLOYEES SAVE FOR RETIREMENT WEBINAR

Tuesday, June 27, 2023
2:00-3:30 PM ET

It has been a hard time for small business owners. So why are we talking about retirement planning for small businesses now? Strengthening your personal finances will help you weather challenges for your small business. A retirement plan is a tax efficient way to improve your financial security. And as an employer, offering a retirement plan helps your employees improve their financial wellbeing – and can be a recruitment tool as you continue to grow and expand your business.

Join us for a free webinar to learn about ways to save for retirement. Starting a retirement savings plan can be easier than you think. The U.S. Department of Labor's Employee Benefits Security Administration in coordination with the Internal Revenue Service and the Small Business Administration will hold a webinar for small businesses and their Certified Public Accountants.

The U.S. Department of Labor and the Internal Revenue Service will discuss retirement savings options available for small businesses. The webinar will also provide information on starting and operating a retirement savings plan. SCORE, a resource partner of the Small Business Administration, will discuss the role service providers, such as tax advisors and investment providers, can play in these steps. The webinar also will provide information on how employers can educate employees about the importance of saving for retirement.

Join us for this webinar – take advantage of the opportunity to learn about the options, ask your questions, and find resources to help you and your employees get started on improving your financial wellness by saving for a secure retirement.

Please register for the webinar and the link for the event will be emailed to you.
