List of Members with Access to Folder. Notice no access

The screenshot shows a SharePoint 'Restrictions' dialog box. At the top, it says 'Standard security' and 'Viewing and editing restricted'. Below this, it states 'Only some people can view or edit this page. There are inherited view restrictions.' The main area contains a table of users and their permissions:

Type a user name or group	Can view and edit	Add
Everyone	Has no access	
William Kea (DOL)	Can view and edit	
Angela Dayton (DOL)	Can view and edit	Remove

At the bottom of the dialog are 'Apply' and 'Cancel' buttons. A red box highlights the 'Everyone' row, and a red arrow points from the text box above to the 'Has no access' text.
