Enclosure

**Notice of Plan Status for
Basic Pension Plan for Employees of
Jewish Federation Council of Greater Los Angeles**

This is to inform you that on March 31, 2008, the actuary for the Basic Pension Plan for Employees of Jewish Federation Council of Greater Los Angeles (the "Plan") certified to the U.S. Department of the Treasury and to the Jewish Federation Council of Greater Los Angeles (the "Federation"), as Plan sponsor, that the Plan is in "endangered" status for the plan year beginning January 1, 2008 in accordance with applicable provisions of federal law. This notice is provided to you in accordance with Section 432(b)(3)(D) of the Internal Revenue Code which requires that you receive this notice.

Plan Status

The plan is considered to be in endangered status because the plan's funded percentage for the plan year is less than 80%. For the Plan Year beginning January 1, 2008, the actuary for the Plan determined that the "funded percentage" for the Plan is 79.2%. The Plan's funded percentage is the percentage determined by dividing the value of the Plan's assets by the accrued liability of the Plan.

Funding Improvement Plan

Federal law requires pension plans in endangered status to adopt a funding improvement plan aimed at reducing the unfunded percentage of the Plan by at least one third over a ten-year period. The Plan is currently in the process of adopting such a funding improvement plan.

Additional Information

The Federation and the participating agencies take their pension obligation seriously, continue to monitor the financial well being of the Plan and intend to take all action that is appropriate to make sure that the Plan remains able to provide benefits. The Federation has no reason to believe that the Plan will be unable to pay benefits when due.
