Written data, views or comments for consideration by the committee may be submitted, preferably with 20 copies, to Joanne Goodell at the address provided below. Any such submissions received prior to the meeting will be provided to the members of the Committee and will be included in the record of the meeting. Because of the need to cover a wide variety of subjects in a short period of time, there is usually insufficient time on the agenda for members of the public to address the committee orally. However, any such requests will be considered by the Chair who will determine whether or not time permits. Any request to make an oral presentation should state the amount of time desired, the capacity in which the person would appear, and a brief outline of the content of the presentation. Individuals with disabilities who need special accommodations should contact Veneta Chatmon (phone: 202–693–1912; FAX: 202–693–1634) one week before the meeting.

An official record of the meeting will be available for public inspection in the OSHA Technical Data Center (TDC) located in Room N2265 of the Department of Labor Building (202–693–2350). For additional information contact: Joanne Goodell, Occupational Safety and Health Administration (OSHA); Room N–3641, 200 Constitution Avenue NW, Washington, DC, 20210 (phone: 202–693–2400; FAX: 202–693–1641; e-mail joanne.goodell@osha.gov; or at www.osha.gov).

Dated: Signed at Washington, DC, this 3rd day of March, 2000.

Charles N. Jeffress,
Assistant Secretary of Labor for Occupational Safety and Health.

telephone number, facsimile number and e-mail address (optional), contact
person if different than applicant, and a
signed agreement concerning the terms
and conditions of the electronic filing
program. Applicants will receive,
depending on applicant type, some or
all of the following: electronic signature;
filer identification number; personal
identification number; encryption key;
electronic filing identification number;
password; and software developer ID.
Applicants will use these codes, as
applicable, in connection with
electronic filing, electronic
transmission, or developing EFAST
software for the Form 5500 and 5500–
EZ.

The information provided by the
applicants on EFAST–1, combined with
the codes supplied to the applicants by
the program, will allow EFAST to verify
a filer, transmitter, or software
developer’s standing as a qualified
participant in the EFAST electronic
filing program for the Form 5500 and
5500–EZ. EFAST–1 information will
also establish a means of contact
between the EFAST program and filers,
transmitters, and software developers
for information exchange.

II. Review Focus

The Department is particularly
interested in comments that:
• Evaluate whether the proposed
collection of information is necessary
for the proper performance of the
functions of the agencies, including
whether the information will have
practical utility;
• Evaluate the accuracy of the
agencies’ estimate of the burden of the
proposed collection of information,
including the validity of the
methodology and assumptions used;
• Enhance the quality, utility, and
clarity of the information to be
collected;
• Minimize the burden of the
collection of information on those who
are to respond, including through the
use of appropriate automated,
electronic, mechanical, or other
technological collection techniques or
other forms of information technology,
e.g., permitting electronic submission of
responses.

III. Current Actions
