Exemption

I. Transactions

A. The restrictions of sections 406(a) and 407(a) of the Act and the taxes imposed by section 4975(a) and (b) of the Code by reason of section 4975(c)(1)(A) through (D) of the Code shall not apply to the following transactions involving trusts and certificates evidencing interests therein:

(1) The direct or indirect sale, exchange or transfer of certificates in the initial issuance of certificates between the sponsor or underwriter and a plan when the person who has discretionary authority or renders investment advice with respect to the investment of plan assets in the certificates is (a) an obligor with respect to 5 percent or less of the fair market value of obligations or receivables contained in the trust, or (b) an affiliate of a person described in (a); if:

(i) The plan is not an Excluded Plan;

(ii) Solely in the case of an acquisition of certificates in connection with the initial issuance of the certificates, at least 50 percent of each class of certificates in which plans have invested is acquired by persons independent of the members of the Restricted Group and at least 50 percent of the aggregate interest in the trust is acquired by persons independent of the Restricted Group;

(iii) A plan’s investment in each class of certificates does not exceed 25 percent of all of the certificates of that class outstanding at the time of the acquisition; and

(iv) immediately after the acquisition of the certificates, no more than 25 percent of the assets of a plan with respect to which the person has discretionary authority or renders investment advice are invested in certificates representing an interest in a trust containing assets sold or serviced by the same entity.2 For purposes of this paragraph B.(1)(iv) only, an entity will not be considered to service assets contained in a trust if it is merely a subservicer of that trust;

(2) The direct or indirect acquisition or disposition of certificates by a plan in the secondary market for such certificates; and

(3) The continued holding of certificates acquired by a plan pursuant to subsection I.A.(1) or (2).

Notwithstanding the foregoing, section I.A. does not provide an exemption from the restrictions of sections 406(a)(1)(E), 406(a)(2) and 407 for the acquisition or holding of a certificate on behalf of an Excluded Plan by any person who has discretionary authority or renders investment advice with respect to the assets of that Excluded Plan.3

B. The restrictions of sections 406(b)(1) and 406(b)(2) of the Act, and the taxes imposed by section 4975(a) and (b) of the Code by reason of section 4975(c)(1)(E) of the Code, shall not apply to:

(1) The direct or indirect sale, exchange or transfer of certificates in the initial issuance of certificates between the sponsor or underwriter and a plan when the person who has discretionary authority or renders investment advice with respect to the investment of plan assets in the certificates is (a) an obligor with respect to 5 percent or less of the fair market value of obligations or receivables contained in the trust, or (b) an affiliate of a person described in (a); if:

(i) The plan is not an Excluded Plan;

(ii) Solely in the case of an acquisition of certificates in connection with the initial issuance of the certificates, at least 50 percent of each class of certificates in which plans have invested is acquired by persons independent of the members of the Restricted Group and at least 50 percent of the aggregate interest in the trust is acquired by persons independent of the Restricted Group;

(iii) A plan’s investment in each class of certificates does not exceed 25 percent of all of the certificates of that class outstanding at the time of the acquisition; and

(iv) immediately after the acquisition of the certificates, no more than 25 percent of the assets of a plan with respect to which the person has discretionary authority or renders investment advice are invested in certificates representing an interest in a trust containing assets sold or serviced by the same entity.2 For purposes of this paragraph B.(1)(iv) only, an entity will not be considered to service assets contained in a trust if it is merely a subservicer of that trust;

(2) The direct or indirect acquisition or disposition of certificates by a plan in the secondary market for such certificates, provided that the conditions set forth in paragraphs B.(1)(i), (iii) and (iv) are met; and

(3) The continued holding of certificates acquired by a plan pursuant to subsection I.B.(1) or (2).

C. The restrictions of sections 406(a), 406(b) and 407(a) of the Act, and the taxes imposed by section 4975(a) and (b) of the Code by reason of section 4975(c) of the Code, shall not apply to transactions in connection with the servicing, management and operation of a trust, provided:

(1) Such transactions are carried out in accordance with the terms of a binding pooling and servicing arrangement; and

(2) The pooling and servicing agreement is provided to, or described in all material respects in, the prospectus or private placement memorandum provided to investing plans before they purchase certificates issued by the trust.3

Notwithstanding the foregoing, section I.C. does not provide an exemption from the restrictions of section 406(b) of the Act, or from the taxes imposed by reason of section 4975(c) of the Code, for the receipt of a fee by a servicer of the trust from a person other than the trustee or sponsor, unless such fee constitutes a “qualified administrative fee” as defined in section III.S.

D. The restrictions of sections 406(a) and 407(a) of the Act, and the taxes imposed by sections 4975(a) and (b) of the Code by reason of sections 4975(c)(1)(A) through (D) of the Code, shall not apply to any transactions to which those restrictions or taxes would otherwise apply merely because a person is deemed to be a party in interest or disqualified person (including a fiduciary) with respect to a plan by virtue of providing services to the plan (or by virtue of having a relationship to such service provider described in section 3(14)(F), (G), (H) or (I) of the Act or section 4975(e)(2)(F), (G), (H) or (I) of the Code), solely because of the plan’s ownership of certificates.

II. General Conditions

A. The relief provided under Part I is available only if the following conditions are met:

(1) The acquisition of certificates by a plan is on terms (including the certificate price) that are at least as

Section I.A. provides no relief from sections 406(a)(1)(E), 406(a)(2) and 407 for any person rendering investment advice to an Excluded Plan within the meaning of section 3(21)(A)(i) and regulation 29 CFR 2510.3–21(c).

For purposes of this proposed exemption, each plan participating in a commingled fund (such as a bank collective trust fund or insurance company pooled separate account) shall be considered to own the same proportionate undivided interest in each asset of the commingled fund as its proportionate interest in the total assets of the commingled fund as calculated on the most recent preceding valuation date of the fund.

In the case of a private placement memorandum, such memorandum must contain substantially the same information that would be disclosed in a prospectus if the offering of the certificates were made in a registered public offering under the Securities Act of 1933. In the Department’s view, the private placement memorandum must contain sufficient information to permit plan fiduciaries to make informed investment decisions.
favorable to the plan as they would be in an arm’s-length transaction with an unrelated party;
(2) The rights and interests evidenced by the certificates are not subordinated to the rights and interests evidenced by other certificates of the same trust;
(3) The certificates acquired by the plan have received a rating from a rating agency (as defined in section III.W.) at the time of such acquisition that is in one of the three highest generic rating categories;
(4) The trustee is not an affiliate of any other member of the Restricted Group. However, the trustee shall not be considered to be an affiliate of a servicer solely because the trustee has succeeded to the rights and responsibilities of the servicer pursuant to the terms of a pooling and servicing agreement providing for such succession upon the occurrence of one or more events of default by the servicer;
(5) The sum of all payments made to and retained by the underwriters in connection with the distribution or placement of certificates represents not more than reasonable compensation for underwriting or placing the certificates; the sum of all payments made to and retained by the sponsor pursuant to the assignment of obligations (or interests therein) to the trust represents not more than the fair market value of such obligations (or interests); and the sum of all payments made to and retained by the servicer represents not more than reasonable compensation for the servicer’s services under the pooling and servicing agreement and reimbursement of the servicer’s reasonable expenses in connection therewith;
(6) The plan investing in such certificates is an “accredited investor” as defined in Rule 501(a)(1) of Regulation D of the Securities and Exchange Commission under the Securities Act of 1933;
(7) In the event that the obligations used to fund a trust have not all been transferred to the trust on the closing date, additional obligations as specified in subsection III.B.(1) may be transferred to the trust during the pre-funding period (as defined in section III.B.B.) in exchange for amounts credited to the pre-funding account (as defined in section III.Z.), provided that:
(a) The pre-funding limit (as defined in section III.A.A.) is not exceeded;
(b) All such additional obligations meet the same terms and conditions for eligibility as those of the original obligations used to create the trust corpus in the prospectus or private placement memorandum and/or pooling and servicing agreement for such certificates), which terms and conditions have been approved by a rating agency. Notwithstanding the foregoing, the terms and conditions for determining the eligibility of an obligation may be changed if such changes receive prior approval either by a majority of the outstanding certificate-holders or by a rating agency;
(c) The transfer of such additional obligations to the trust during the pre-funding period does not result in the certificates receiving a lower credit rating from a rating agency upon termination of the pre-funding period than the rating that was obtained at the time of the initial issuance of the certificates by the trust;
(d) The weighted average annual percentage interest rate (the average interest rate) for all of the obligations in the trust at the end of the pre-funding period will not be more than 100 basis points lower than the average interest rate for the obligations which were transferred to the trust on the closing date;
(e) In order to ensure that the characteristics of the receivables actually acquired during the pre-funding period are substantially similar to those which were acquired as of the closing date, the characteristics of the additional obligations will be either monitored by a credit support provider or other insurance provider which is independent of the sponsor, or an independent accountant retained by the sponsor will provide the sponsor with a letter (with copies provided to the rating agency, the underwriter and the trustees) stating whether or not the characteristics of the additional obligations conform to the characteristics of such obligations described in the prospectus, private placement memorandum and/or pooling and servicing agreement. In preparing such letter, the independent accountant will use the same type of procedures as were applicable to the obligations which were transferred as of the closing date;
(f) The pre-funding period shall be described in the prospectus or private placement memorandum provided to investing plans; and
(g) The trustee of the trust (or any agent with which the trustee contracts to provide trust services) will be a substantial financial institution or trust company experienced in trust activities and familiar with its duties, responsibilities and liabilities as a fiduciary under the Act. The trustee, as the legal owner of the obligations in the trust, will enforce all the rights created in favor of certificate-holders of such trust, including employee benefit plans subject to the Act.

B. Neither any underwriter, sponsor, trustee, servicer, insurer, nor any obligor, unless it or any of its affiliates has discretionary authority or renders investment advice with respect to the plan assets used by a plan to acquire certificates, shall be denied the relief provided under Part I, if the provision of subsection II.A.(6) above is not satisfied with respect to acquisition or holding by a plan of such certificates, provided that (1) such condition is disclosed in the prospectus or private placement memorandum; and (2) in the case of a private placement of certificates, the trustee obtains a representation from each initial purchaser which is a plan that it is in compliance with such condition, and obtains a covenant from each initial purchaser to the effect that, so long as such initial purchaser (or any transferee of such initial purchaser’s certificates) is required to obtain from its transferee a representation regarding compliance with the Securities Act of 1933, any such transferees will be required to make a written representation regarding compliance with the condition set forth in subsection II.A.(6) above.

III. Definitions
For purposes of this exemption:
A. “Certificate” means:
(1) a certificate—
(a) that represents a beneficial ownership interest in the assets of a trust; and
(b) that entitles the holder to pass-through payments of principal, interest, and/or other payments made with respect to the assets of such trust; or
(2) a certificate denominated as a debt instrument—
(a) that represents an interest in a Real Estate Mortgage Investment Conduit (REMIC) or a Financial Asset Securitization Investment Trust (FASIT) within the meaning of section 860D(a) or section 860L, respectively, of the Internal Revenue Code of 1986; and
(b) that is issued by, and is an obligation of, a trust; with respect to certificates defined in (1) and (2) above for which BOSC or any of its affiliates is either (i) the sole underwriter or the manager or co-manager of the underwriting syndicate, or (ii) a selling or placement agent.

For purposes of this proposed exemption, references to “certificates representing an interest in a trust” include certificates denominated as debt which are issued by a trust.
B. “Trust” means an investment pool, the corpus of which is held in trust and consists solely of:
(1) secured consumer receivables that bear interest or are purchased at a
discount (including, but not limited to, home equity loans and obligations secured by shares issued by a cooperative housing association); and/or

(e) “guaranteed governmental mortgage pool certificates,” as defined in 29 CFR 2510.3-101(i)(2), and/or
(f) fractional undivided interests in any of the obligations described in clauses (a)–(e) of this section B.(1):
(2) property which had secured any of the obligations described in subsection B.(1);
(3) (a) undistributed cash or temporary investments made therewith maturing no later than the next date on which distributions are to made to be certificateholders; and/or
(b) cash or investments made therewith which are credited to an account to provide payments to certificateholders pursuant to any yield supplement agreement or similar yield maintenance arrangement to supplement the interest rates otherwise payable on obligations described in subsection III.B.(1) held in the trust, provided that such arrangements do not involve swap agreements or other notional principal contracts; and/or
(c) cash transferred to the trust on the closing date and permitted investments made therewith which:
(i) are credited to a pre-funding account established to purchase additional obligations with respect to which the conditions set forth in clauses (a)–(g) of subsection II.A.(7) are met and/or
(ii) are credited to a capitalized interest account (as defined in section III.X.); and
(iii) are held in the trust for a period ending no later than the first distribution date to certificateholders occurring after the end of the pre-funding period.
For purposes of this clause (c) of subsection III.B.(3), the term “permitted investments” means investments which are either:
(i) Direct obligations of, or obligations fully guaranteed as to timely payment of principal and interest by the United States, or any agency or instrumentality thereof, provided that such obligations are backed by the full faith and credit of the United States or (ii) have been rated (or the obligor has been rated) in one of the three highest generic rating categories by a rating agency; are described in the pooling and servicing agreement; and are permitted by the rating agency; and
(4) rights of the trustee under the pooling and servicing agreement, and rights under any insurance policies, third-party guarantees, contracts of suretyship, yield supplement agreements described in clause (b) of subsection III.B.(3) and other credit support arrangements with respect to any obligations described in subsection III.B.(1).
Notwithstanding the foregoing, the term “trust” does not include any investment pool unless:
(i) The investment pool consists only of assets of the type described in clauses (a) through (f) of subsection III.B.(1) which have been included in other investment pools, (ii) certificates evidencing interests in such other investment pools have been rated in one of the three highest generic rating categories by a rating agency for at least one year prior to the plan’s acquisition of certificates pursuant to this exemption, and (iii) certificates evidencing interests in such other investment pools have been purchased by investors other than plans for at least one year prior to the plan’s acquisition of certificates pursuant to this exemption.
C. “Underwriter” means:

H. “Trustee” means the trustee of the trust, and in the case of certificates which are denominated as debt instruments, also means the trustee of the indenture trust.
I. “Insurer” means the insurer or guarantor of, or provider of other credit support for, a trust. J. “Obligor” means any person, other than the insurer, that is obligated to make payments with respect to any obligation or receivable included in the trust. Where a trust contains qualified motor vehicle leases or qualified equipment notes secured by leases, “obligor” shall also include any owner of property subject to any lease included in the trust, or subject to any lease securing an obligation included in the trust.
K. “Excluded Plan” means any plan with respect to which any member of the Restricted Group is a “plan sponsor” within the meaning of section 3(16)(B) of the Act.

(3) Any corporation or partnership of which such other person is an officer, director or partner.
N. “Control” means the power to exercise a controlling influence over the management or policies of a person other than an individual.

(1) such person is not an affiliate of that other person; and

(2) the other person, or an affiliate thereof, is not a fiduciary who has investment management authority or renders investment advice with respect to any assets of such person.

P. “Sale” includes the entrance into a forward delivery commitment (as defined in section Q below), provided:

(1) The terms of the forward delivery commitment (including any fee paid to the investing plan) are no less favorable to the plan than they would be in an arm’s-length transaction with an unrelated party;

(2) The prospectus or private placement memorandum is provided to an investing plan prior to the time the plan enters into the forward delivery commitment; and

(3) At the time of the delivery, all conditions of this proposed exemption (if granted) applicable to sales are met.

Q. “Forward delivery commitment” means a contract for the purchase or sale of one or more certificates to be delivered at an agreed future settlement date. The term includes both mandatory contracts (which contemplate obligatory delivery and acceptance of the certificates) and optional contracts (which give one party the right but not the obligation to deliver certificates to, or demand delivery of certificates from, the other party).

R. “Reasonable compensation” has the same meaning as that term is defined in 29 CFR 2550.408c-2.

(1) the fee is triggered by an act or failure to act by the obligor other than the normal timely payment of amounts owing in respect of the obligations;

(3) the ability to charge the fee, the circumstances in which the fee may be charged, and an explanation of how the fee is calculated are set forth in the pooling and servicing agreement; and

(4) the amount paid to investors in the trust will not be reduced by the amount of any such fee waived by the servicer.

T. “Qualified Equipment Note Secured By A Lease” means an equipment note:

(1) which is secured by equipment which is leased;

(2) which is secured by the obligation of the lessee to pay rent under the equipment lease; and

U. “Qualified Motor Vehicle Lease” means a lease of a motor vehicle where:

(1) the trust owns or holds a security interest in the leased motor vehicle; and

(2) the trust owns or holds a security interest in the leased motor vehicle; and

General Information
The attention of interested persons is directed to the following:
(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest or disqualified person from certain other provisions to which the exemptions does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which among other things require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(B) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;
(2) These exemptions are supplemental to and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transactional rules. Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and
(3) The availability of these exemptions is subject to the express condition that the material facts and representations contained in each application accurately describes all material terms of the transaction which is the subject of the exemption.
