BILLING CODE 4510–30–P
As stated above, PTE 97–11 permits a broker-dealer to offer reduced or no cost services to individuals for whose benefit an IRA or Keogh Plan is established or maintained, provided that the conditions of the exemption have been met. The Department notes that the exemption does not limit relief to those services that are offered pursuant to an arrangement involving only affiliated entities.

Accordingly, a broker-dealer offering reduced commissions to an individual in connection with the purchase of a variable annuity contract under circumstances where the broker-dealer, the investment manager of the variable annuity separate account and mutual funds, and the provider of the annuity contracts are unaffiliated would be covered by the class exemption are met. In particular, the Department notes that PTE 97–11 requires, among other things, that the services offered under the relationship brokerage arrangement must be of the type that the broker-dealer itself could offer consistent with all applicable federal and state laws regulating broker-dealers. Additionally, the services offered under the arrangement must be provided by the broker-dealer or its affiliate in the ordinary course of the broker-dealer’s business to customers who qualify for reduced or no cost services, but do not maintain IRAs or Keogh Plans with the broker-dealer.

General Information
The attention of interested persons is directed to the following:

(1) The Department finds that the amendment is administratively feasible, in the interest of the IRAs and Keogh Plans and their participants and beneficiaries and protective of the rights of the participants and beneficiaries of such plans.

(2) The amendment is supplemental to, and not in derogation of, any other provisions of ERISA and the Code including statutory or administrative exemptions and transitional rules. Furthermore, the fact that a transaction is subject to an administrative exemption is not dispositive of whether the transaction is in fact a prohibited transaction.

(3) The amendment is applicable to a transaction only if the conditions specified in the class exemption are met.

Exemption
Accordingly, PTE 97–11 is amended under the authority of section 408(a) of ERISA and section 4975(c)(2) of the Code and in accordance with the procedures set forth in 29 CFR part 2570, Subpart B (55 CFR 32836, August 10, 1990).

(d) The services offered under the arrangement are provided by the broker-dealer or its affiliate in the ordinary course of the broker-dealer’s business to customers who qualify for reduced or no cost services, but do not maintain IRAs or Keogh Plans with the broker-dealer.

(e) The investment performance of the IRA or Keogh Plan is not in excess of reasonable compensation within the meaning of section 4975(d)(2) of the Code.

(f) The investment performance of the IRA or Keogh Plan investment is no less favorable than the investment performance of an identical investment(s) that could have been made at the same time by a customer of the broker-dealer who is not eligible for (or who does not receive) reduced or no cost services.
