SUPPLEMENTARY INFORMATION:

I. Background

Prohibited Transaction Class Exemption 92–6 exempts from the prohibited transaction restrictions of the Employee Retirement Security Act of 1974 (ERISA) the sale of individual life insurance or annuity contracts by a plan to participants, relatives of participants, employees any of whose employees are covered by the plan, other employee benefit plans, owner-employees or shareholder-employees. In the absence of this exemption, certain aspects of these transactions might be prohibited by section 406 of ERISA. Recordkeeping requirements incorporated within the class exemption are intended to protect the interests of plan participants and beneficiaries. The disclosure requirements protect plan participants by putting them on notice of the plan’s intention to sell insurance or annuity contracts under which they are insured, and by giving the participants the right of first refusal to purchase such contracts.
