DEPARTMENT OF LABOR

Employee Benefits Security Administration

Prohibited Transaction Exemption 2004–05; [Exemption Application No. D–10957 et al.; Grant of Individual Exemptions; John Hancock Life Insurance Company]

AGENCY: Employee Benefits Security Administration, Labor.

ACTION: Grant of individual exemptions.

SUMMARY: This document contains exemptions issued by the Department of Labor (the Department) from certain of the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (the Act) and/or the Internal Revenue Code of 1986 (the Code).

A notice was published in the Federal Register of the pendency before the Department of a proposal to grant such exemption. The notice set forth a summary of facts and representations contained in the application for exemption and referred interested persons to the application for a complete statement of the facts and representations. The application has been available for public inspection at the Department in Washington, D.C. The notice also invited interested persons to submit comments on the requested exemption to the Department. In addition the notice stated that any interested person might submit a written request that a public hearing be
held (where appropriate). The applicant has represented that it has complied with the requirements of the notification to interested persons. No requests for a hearing were received by the Department. Public comments were received by the Department as described in the granted exemption.

The notice of proposed exemption was issued and the exemption is being granted solely by the Department because, effective December 31, 1978, section 102 of Reorganization Plan No. 4 of 1978, 5 U.S.C. App. 1 (1996), transferred the authority of the Secretary of the Treasury to issue exemptions of the type proposed to the Secretary of Labor.

Statutory Findings

In accordance with section 408(a) of the Act and/or section 4975(c)(2) of the Code and the procedures set forth in 29 CFR part 2570, subpart B (55 FR 32836, 32847, August 10, 1990) and based upon the entire record, the Department makes the following findings:

(a) The exemption is administratively feasible;
(b) The exemption is in the interests of the plan and its participants and beneficiaries; and
(c) The exemption is protective of the rights of the participants and beneficiaries of the plan.

John Hancock Life Insurance Company,
Located in Boston, Massachusetts;

Exemption

The restrictions of section 406(b)(2) of the Act shall not apply to purchases and sales of farmland asset(s) (the Farmland Asset(s)), as defined in Condition 12(b), or entire farmland account(s) (the Entire Farmland Account(s)), as defined in Condition 12(n), between various account(s) (the Account(s)), as defined in Condition 12(a), that are managed by Hancock Natural Resource Group, Inc. (HNNG) or the affiliate(s) (the Affiliate(s)), as defined in Condition 12(e), of John Hancock Life Insurance Company (JHLIC).

Conditions and Definitions

This exemption is subject to the following conditions:

1. A plan or plans covered by the Act (the ERISA-Covered Plan(s)), as defined in Condition 12(c), may participate in a subject transaction only if each such plan has total assets in excess of $100 million.

2. At least 30 days prior to entering a subject transaction, each affected customer (the Customer(s)), as defined in Condition 12(l), invested in an Account participating in such transaction will be provided with information regarding the Farmland Asset(s) or the Entire Farmland Account involved and the terms of the transaction, including the purchase price and how the transaction would meet the goals and investment policies of each such affected Customer. Notice of any change in the purchase price will be provided to each affected Customer at least 30 days prior to the consummation of the transaction.

3. An independent fiduciary (an Independent Fiduciary), as defined in Condition 12(h), is appointed by JHLIC or an Affiliate as follows:
   (a) One Independent Fiduciary is appointed to represent the Account(s) in which an ERISA-Covered Plan or ERISA-Covered Plans is/are invested, whether the Account(s) is/are the buyer(s) or the seller(s) in a subject transaction, where one side of such transaction involves one or more: (i) ERISA-Covered Plan(s), (ii) pooled separate account(s) (the Pooled Separate Account(s), as defined in Condition 12(k), in which an ERISA-Covered Plan or ERISA-Covered Plans or Account(s) are invested, and/or (iii) other Account(s) holding “plan assets” subject to the Act and the other side of such transaction involves one or more plan(s) or other account(s) not covered by the Act (the Non-ERISA Plan(s) or Non-ERISA Account(s), as defined in Condition 12(d)),
   (b) One Independent Fiduciary is appointed to represent the account(s) (the Buying Account(s)), as defined in Condition 12(f), in a subject transaction, where such transaction is between two (2) or more: (i) ERISA-Covered Plans, (ii) Pooled Separate Accounts in which an ERISA-Covered Plan or ERISA-Covered Plans invest, and/or (iii) other Accounts or Account(s) holding “plan assets” subject to the Act, to the extent one or more of the participants in such transaction is a non-ERISA-Covered Plan or Account(s) or other customer(s), and the Independent Fiduciary determines that the decision to select any particular Plan or Account(s) to be sold or the decision to sell an Entire Farmland Account is outside of the control of JHLIC and its Affiliates; or
   (c) One Independent Fiduciary is appointed to represent the Buying Account(s) and one Independent Fiduciary is appointed to represent the Selling Account(s) involved in a subject transaction:
      (1) where such transaction is between two (2) or more: (i) ERISA-Covered Plans, (ii) Pooled Separate Accounts in which an ERISA-Covered Plan or ERISA-Covered Plans invest, and/or (iii) other Accounts holding “plan assets” subject to the Act, and there is no “triggering event,” as described below in Condition 3(b), or
      (2) where such transaction is between two (2) or more: (i) ERISA-Covered Plans, (ii) Pooled Separate Accounts in which an ERISA-Covered Plan or ERISA-Covered Plans invest, and/or (iii) other Accounts holding “plan assets” subject to the Act, and one or more of the participants in such transaction is a Pooled Separate Account and/or other Account holding “plan assets” subject to the Act in which a John Hancock plan (the Hancock Plan(s)), as defined in Condition 12(m), participates.

4. With respect to each transaction requiring the participation of an Independent Fiduciary, as described in Condition 3, the purchase and sale of a Farmland Asset or Farmland Account or an Entire Farmland Account shall not be consummated, unless the Independent Fiduciary determines that the transaction, including the price to be paid or received for each Farmland Asset or Entire Farmland Account, would be in the best interest of the particular Account(s) involved based on the investment policies and objectives of such Account(s).

5. Each Account which buys or sells a particular Farmland Asset or Farmland Account pays no more than or receives no less than the fair market value of each Farmland Asset or Entire Farmland Account at the time of the transaction. For a Farmland Asset, fair market value...
shall be determined by a qualified, independent real estate appraiser experienced with the valuation of farmland properties similar to the type involved in the transaction, and may include customary closing adjustments, as described in Condition 12(o).

For an Entire Farmland Account, fair market value shall be determined by a qualified, independent entity experienced in the auditing and valuation of farmland accounts similar to the type involved in the transaction and the valuation of assets or liabilities other than Farmland Assets, including but not limited to assets such as short-term investments or accounts receivable from prior crop sales or leases, and liabilities such as investment or property management fees payable or property taxes payable, and may include customary closing adjustments, as described in Condition 12(o).

6. Each purchase or sale of a Farmland Asset or Farmland Assets or Entire Farmland Account between Accounts is a one-time cash transaction. A Buying Account may assume liabilities associated with an Entire Farmland Account, subject to valuation procedures described in Condition 5, above.

7. Each Account involved in the purchase or sale of a Farmland Asset or Farmland Assets or Entire Farmland Account pays no real estate commissions or brokerage fees relating to the transaction.

8. JHLIC or an Affiliate acts as a discretionary investment manager for the assets of the Account(s) involved in each transaction, provided that this condition will not fail to have been satisfied solely because the Customer retains the right to veto or approve the purchase or sale of a Farmland Asset or Farmland Assets or Entire Farmland Account.

9. An Account may not participate in a subject transaction, if the assets of any Hancock Plan or Hancock Plans in the Account exceed 20 percent (20%) of the total assets of the Account.

10. No purchase or sale transaction shall be designed to benefit the interests of one particular Account over another.

11. The general accounts of both JHLIC and John Hancock Variable Life Insurance Company (JHVLC) (the General Accounts) shall not participate, directly or indirectly, in the subject transactions;

12. For purposes of this exemption:

(a) The term, “Account(s),” means a separate account or separate accounts (the Separate Account(s)), as defined in Condition 12(i), including Non-Pooled Separate Account(s), or Pooled Separate Account(s), as well as holding entities (Holding Entities), such as: (1) a partnership, corporation, trust, or any other form of entity established and maintained by JHLIC or an Affiliate and for which JHLIC or an Affiliate serves as general partner, investment manager, or adviser; or (2) a limited liability company or any other form of entity established by pension plan investors;

(b) the term, “Farmland Asset(s),” means a fee simple in farmland (and appurtenant rights), an interest in related equipment, a farmland lease, farm improvements, contractual agreements with respect to the production and harvesting of farm products, such as crop quotas, crop receivables, or delivery contracts, stock in farm cooperatives, and direct or indirect interest in entities holding such assets. With respect to any farmland lease: (i) the underlying fee simple must be owned by a person other than JHLIC or an Affiliate or any Account at the time of sale; and (ii) the entire lease originally acquired by the Selling Account must be sold to the Buying Account;

(c) the term, “ERISA-Covered Plan(s),” means an employee benefit plan or plans as defined under section 3(3) of the Act and not excluded from coverage under section 4 of the Act;

(d) the terms, “Non-ERISA Plan(s)” or “Non-ERISA Customer(s),” mean an entity or entities or investor(s) not covered by the provisions of Title I of the Act, such as a governmental plan, a university endowment fund, or other institutional investor, whose assets are managed in an Account for which JHLIC or an Affiliate acts as investment manager;

(e) the term, “Affiliate(s),” means any person(s) directly or indirectly through one or more intermediaries, controlling, controlled by, or under common control with such person;

(f) the term, “Buying Account(s),” means the Account(s) that seek(s) to purchase a Farmland Asset or Farmland Assets or an Entire Farmland Account from another Account;

(g) the term “Selling Account(s),” means the Account(s) that seek(s) to sell a Farmland Asset or Farmland Assets or an Entire Farmland Account to another Account;

(h) the term, “Independent Fiduciary,” means a person or entity with authority to both review the appropriateness of a subject transaction for an Account, that is considered to hold “plan assets” subject to the fiduciary responsibility provisions of the Act, based on the investment policy established for the Account, and to negotiate the terms of the transaction, including the price to be paid for the Farmland Asset, the Farmland Assets, or the Entire Farmland Account. An individual or firm selected to serve as an Independent Fiduciary shall meet the following criteria:

(1) The individual or firm shall have no current employment relationship with JHLIC or an Affiliate, although a prior employment relationship would not disqualify the individual or firm;

(2) No individual or firm shall serve as an Independent Fiduciary during any year in which gross receipts received from business with JHLIC and its Affiliates for that year exceed five (5) percent of such individual’s or firm’s gross receipts from all sources for the prior year;

(3) The individual or firm must be an expert with respect to farmland valuations;

(4) The individual or firm must have the ability to access (itself or through persons engaged by it) appropriate farmland sales comparison data and make appropriate adjustments to the subject property, properties, or Account; and

(5) The individual or firm must not have a criminal record involving fraud, fiduciary standards, or securities laws violations.

(i) the term, “Separate Account(s),” means a segregated asset Account or Accounts which receive premiums or contributions from Customers, including employee benefit plans subject to the Act, in connection with group annuity contracts and funding agreements, with investments held in the name of JHLIC, but where the value of the contract or agreement to the Customer (contract holder) fluctuates with the value of the investment associated with such Account;

(j) the terms, “Non-Pooled Separate Account(s)” or “Non-Pooled Account(s),” mean a Separate Account or Separate Accounts established to back a single contract issued to one Customer, which may be an employee benefit plan subject to the Act;

(k) the terms, “Pooled Separate Account(s),” or “Pooled Account(s),” mean a Separate Account or Separate Accounts established to back a group of substantially identical contracts issued to a number of unrelated Customers, including employee benefit plans subject to the Act;

(l) the term, “Customer(s),” means a person or persons or entity or entities that act as the authorized representative for the investor in an Account involved in a purchase or sale of Farmland Assets or an Entire Farmland Account, that is independent of JHLIC and its Affiliates, provided, however, that for any Hancock Plan, as defined in Condition
The applicant requests modification of Condition 11 of the exemption. Condition 11(a) of the exemption, as set forth in the Notice, at 68 FR 64645, column 2, lines 45–50, reads as follows:

The general accounts (the General Accounts) of both JHLIC and John Hancock Variable Life Insurance Company (JHVLIC) shall not participate, directly or indirectly, in the subject transactions.

To make clear that references to “General Accounts,” in the exemption only include the general accounts of JHLIC and its affiliates, the applicant proposes that Condition 11 be revised as follows:

The general accounts of both JHLIC and John Hancock Variable Life Insurance Company (JHVLIC) (the General Accounts) shall not participate, directly or indirectly, in the subject transactions.

The Department concurs with the applicant’s request, and accordingly, has amended the language of Condition 11 in the exemption.

2. The applicant requests modification of Condition 12(a) of the exemption. Condition 12(a), as set forth in the Notice, at 68 FR 64645, column 2, lines 51–65, reads as follows:

(a) the term, “Account(s),” means a separate account or separate accounts (the Separate Account(s)), as defined in Condition 12(i), including Non-Pooled Separate Account(s), or Pooled Separate Account(s), as well as holding entities (Holding Entities), such as (1) a partnership, corporation, trust, or any other form of entity established and maintained by JHLIC or an Affiliate and for which JHLIC or an Affiliate serves as general partner, investment manager, or adviser; and include entities established or maintained by JHLIC, and limited liability companies established by pension plan investors (emphasis added).

In the opinion of the applicant, it is unclear whether the phrase emphasized in the quotation above is intended by the Department as a further limitation on what may be defined as a Holding Entity. The applicant requests that currently Holding Entities are limited to entities established by JHLIC and limited liability companies established by pension plan investors. However, the applicant believes it is not clear what purpose is served by limiting future use of the exemption to these entities, when pension plans may wish to establish partnerships or trusts that would qualify as Holding Entities under the exemption, but for the emphasized language. Accordingly, the applicant requests that the definition of “Account(s),” as published in Condition 12(a) of the Notice be modified to delete the phrase emphasized in the quotation above.

The Department concurs in part and disagrees in part. Specifically, the Department concurs with the applicant’s request to delete the phrase, “and include entities established or maintained by JHLIC, and limited liability companies established by pension plan investors,” from the definition of “Account(s),” as set forth in Condition 12(a). However, the Department believes that the reference to Holding Entities should be limited. Accordingly, the definition of “Account(s),” as set forth in Condition 12(a), as set forth in the exemption had been amended to read as follows:

(a) the term, “Account(s),” means a separate account or separate accounts (the Separate Account(s)), as defined in Condition 12(i), including Non-Pooled Separate Account(s), or Pooled Separate Account(s), as well as holding entities (Holding Entities), such as (1) a partnership, corporation, trust, or any other form of entity established and maintained by JHLIC or an Affiliate and for which JHLIC or an Affiliate serves as general partner, investment manager, or adviser; or (2) a limited liability company or any other form of entity established by pension plan investors.

3. The applicant requests modification of Condition 12(d) of the exemption. Condition 12(d), as set forth in the Notice, at 68 FR 64645, column 3, lines 21–29, reads as follows:

(d) the terms, “Non-ERISA Plans” or “Non-ERISA Customers,” mean entities or investors not covered by the provisions of Title I of the Act, such as governmental plan, a university endowment fund, or other institutional investors, whose assets are managed in an Account for which JHLIC or an Affiliate acts as investment manager.

The applicant proposes that the terms, “Non-ERISA Plans” and “Non-ERISA Customers,” be changed to “Non-ERISA Plan(s)” and “Non-ERISA Customer(s)” in order to maintain consistency with the way singular and plural terms were treated in other provisions of the exemption.

The Department concurs with the applicant’s request, and accordingly, has modified the language of Condition 12(d) in the exemption to read as follows:

(d) the terms, “Non-ERISA Plan(s)” or “Non-ERISA Customer(s),” mean an entity or entities or investor(s) not covered by the provisions of Title I of the Act, such as a governmental plan, a university endowment fund, or other institutional investor, whose assets are managed in an Account for which JHLIC or an Affiliate acts as investment manager.

4. The applicant requests modification of Condition 12(o) of the exemption. Condition 12(o), as set forth in the Notice, at 68 FR 64646, column 2, lines 1–14, reads as follows:

The applicant requests modification of Condition 12(o) of the exemption. Condition 12(o), as set forth in the Notice, at 68 FR 64646, column 2, lines 1–14, reads as follows:
(o) “customary closing adjustments” means adjustments that may arise where agricultural
land bearing crops is sold prior to harvest and may involve an agreement between the
buyer and seller that either: (1) the buyer reimburse the seller for documented
expenses incurred during the growing period in the cultivation of such crops, up to the
date of closing; or (2) the buyer retain a certain amount of the crops and the seller
receive the proceeds for any crops in excess of the amount retained by the buyer.

The Department believes that the
applicant’s revisions to the definition of “customary closing adjustments” are too
open-ended. In this regard, the
Department believes that the definition of “customary closing adjustments” for
purposes of the exemption should be limited to a list of potential adjustments
clearly enumerated. Accordingly, the
Department has determined that
Condition 12(o) in the exemption
should read as follows:

(o) “customary closing adjustments” for
purposes of this exemption are limited to the following: management fees, taxes,
assessments, water rates, assignment of amounts under leases, recording taxes,
survey costs, title review and title insurance costs and premiums, due diligence costs,
escrow fees, license fees, fuel costs, equipment leases or contracts, reimbursements and adjustments for capital expenditures by the seller, crop adjustments,
reimbursements and adjustments for documented expenses incurred by the seller during a growing period prior to closing, and agreement that a buyer may retain a certain amount of crops upon harvest, and the seller will receive all or part of the proceeds for any crops in excess of the amount retained by the buyer.

The applicant confirms that this
definition is consistent with the examples provided to the Department regarding the types of expenses that may be considered “customary closing
adjustments.” However, the applicant
believes that this definition of “customary closing adjustments” could be unnecessarily restrictive. For
example, additional closing adjustments for management fees, real and personal
property taxes, assignment of leases, and certain capital expenditures by the
seller between an agreed-upon date and the date of closing are also “customary.”
Accordingly, in their comment letter,
dated December 24, 2003, the applicant
requested that the term, “customary
closing adjustments,” be defined as:

(o) “customary closing adjustments” means
those mutually agreed upon adjustments to the consideration paid or received by a party
made at closing that are customary or common in similar agricultural transactions,
such as, but not limited to (1) adjustments for documented expenses incurred by the seller
during a growing period prior to closing, or
(2) agreement that a buyer may retain a
certain amount of crops upon harvest, and the seller will receive all or part of the proceeds for any crops in excess of the amount retained by the buyer.

Subsequently, in response to the
Department’s concern that the requested
amendment to the definition of
“customary closing adjustments” did not specifically list such adjustments, the
applicant, in a letter, dated March 4,
2004, proposed the following revised
language for the definition:

(o) “customary closing adjustments” means
those mutually agreed upon adjustments to the consideration paid or received by a party
made at closing that are customary or common in similar agricultural transactions
including management fees, taxes,
assessments, water rates, assignment of amounts under leases, recording taxes,

The applicant requests a change to the
language in the SFR, describing
“customary closing adjustments,” as set
forth in the Notice, at 68 FR 64648,
column 3, lines 57–68 and at 68 FR
64649, column 1, lines 1–2. Specifically, the applicant proposes that the
description of “customary closing
adjustments,” in the SFR conform to the
applicant’s requested modification of the language of Condition 12(o).

As the Department did not concur
with the applicant’s requested
modification to the language of
Condition 12(o), the Department does not agree to the change requested by the applicant to the description of
“customary closing adjustment,” as set
forth in the SFR, at 68 FR 64648,
column 3, lines 57–68 and at 68 FR
64649, column 1, lines 1–2. It is the
Department’s view that, the definition of “customary closing adjustments,” as set
forth in Condition 12(o) of this final
exemption, should supercede the
description of “customary closing
adjustments” in the SFR, as set forth in the Notice.

6. The applicant requests that changes
should have been made to the language in various locations in the SFR, as set
forth in the Notice. Specifically, the
applicant states that: (a) the word,
“Account(s),” should have been used
instead of the phrase, “Farmland
Separate Account(s),” and (b) the word,
“Account’s,” should have been used
instead of the phrase, “Farmland Separate Account’s,” or the phrase,
“Farmland Account’s,” in the following
locations:

a. in paragraph 7, 68 FR 64647,
column 2, lines 7–8, 10–11, 36, 46–47,
51–52, 56–57, 57–58, and 61–62;
b. in paragraph 8, 68 FR 64647,
column 3, lines 16–17, 25–26, 29–30,
32, 36, 42–43, 45, 48, 52, 57–58 and 64;
c. in paragraph 8, 68 FR 64648,
column 1, lines 10–11, 11–12, and 23;
d. in paragraph 10, 68 FR 64648,
column 1, lines 59–60;
e. in paragraph 12, 68 FR 64648,
column 2, line 46;
f. in paragraph 18, 68 FR 64649,
column 1, lines 64–65;
g. in paragraph 18, 68 FR 64649,
column 2, lines 23–24; and
h. in paragraph 19, 68 FR 64649,
column 2, line 55.

The Department concurs.

7. Paragraph 8 of the SFR contains a
description of the operation of HAIG’s
investment queue procedures in the
event that a Farmland Asset or Entire
Farmland Account would be an
appropriate investment for more than
one Account. In this regard, paragraph 8
of the Notice, as set forth at 68 FR
64647, column 3, 51–55, reads:

In the event that two or more Farmland
Separate Accounts have objectives and
constraints that are sufficiently similar, HAIG
implements its investment queue procedures.

The applicant notes that one
condition of participation in the
investment queue is that an investor
have assets awaiting investment in
farmland. Accordingly, the applicant
proposes that the quotation, as set forth in the Notice, should have read as:

In the event that two or more Accounts have
objectives and constraints that are
sufficiently similar and have assets awaiting
investment in farmland, HAIG
implements its investment queue procedures.

The Department concurs.

8. The applicant points out a
typographical error in the SFR, as set
forth in the Notice. In this regard, it
appears that the word, “is,” is missing,
in paragraph 13 of the Notice, as set
forth at 68 FR 64648, column 2, line 66.
The applicant indicates that the word,
“is,” should have been inserted before
the word, “between.”

The Department concurs.

Accordingly, the SFR, as set forth in the
Notice, at paragraph 13, 68 FR 64648,
column 2, line 66, should have read as:

Where a transaction is between ERISA-
Covered Plans and a triggering event has
occurred, the fee for the services of the
Independent Fiduciary will be charged as an
9. In order to maintain consistency with the language in the rest of the Notice, the applicant requests that certain changes should have been made to the language of the SFR, as set forth in the Notice. Specifically, in paragraph 14, at 68 FR 64648, column 3, line 34, the reference to “proposed transactions,” should have referred instead to “subject transactions.” The Department concurs.

Accordingly, the language in the SFR in paragraph 14 of the Notice, at 68 FR 64648, column 3, line 34, should have read as follows:

In this regard, participation in the subject transactions by ERISA-Covered Plans is limited to plans having total assets in excess of $100 million.

After giving full consideration to the entire record, including the written comments from the applicant, the Department has decided to grant the exemption, as described, amended, clarified, and concurred in above. In this regard, the comment letter submitted by the applicant to the Department has been included as part of the public record of the exemption application. The complete application file, including all supplemental submissions received by the Department, is made available for public inspection in the Public Documents Room of the Pension Welfare Benefits Administration, Room N–1513, U. S. Department of Labor, 200 Constitution Avenue, NW., Washington, DC 20210.

For a more complete statement of the facts and representations supporting the Department’s decision to grant this exemption, refer to the Notice of Proposed Exemption published on December 17, 2003 at 68 FR 70310.
