DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

29 CFR Part 2510

RIN 1210–AA48

Plans Established or Maintained Pursuant to Collective Bargaining Agreements Under Section 3(40)(A) of ERISA

AGENCY: Pension and Welfare Benefits Administration, Department of Labor.

ACTION: Notice of meeting.

SUMMARY: The Department of Labor’s (Department) ERISA Section 3(40) Negotiated Rulemaking Advisory Committee (Committee) was established under the Negotiated Rulemaking Act of 1990 and the Federal Advisory Committee Act (the FACA) to develop a proposed rule implementing the Employee Retirement Income Security Act of 1974, as amended, 29 U.S.C. 1001–1461 (ERISA). The purpose of the proposed rule is to establish a process and criteria for a finding by the Secretary of Labor that an agreement is a collective bargaining agreement for purposes of section 3(40) of ERISA. The proposed rule will also provide guidance for determining when an employee benefit plan is established or maintained under or pursuant to such an agreement. Employee benefit plans that are established or maintained for the purpose of providing benefits to the employees of more than one employer are “multiple employer welfare arrangements” (MEWAs) under section 3(40) of ERISA, and therefore are subject to certain state regulations, unless they meet one of the exceptions set forth in section 3(40)(A). At issue in this regulation is the exception for plans or arrangements that are established or maintained under one or more agreements which the Secretary finds to be collective bargaining agreements. It is the view of the Department that it is necessary to distinguish organizations that provide benefits through collectively bargained employee representation from organizations that are primarily in the business of marketing commercial insurance products.

DATES: The Committee will meet from 9:00 am to approximately 5:00 pm on each day on Wednesday, December 16 and Thursday, December 17, 1998.

ADDRESSES: This Committee meeting will be held at the offices of the Federal Mediation and Conciliation Service (FMCS), 2100 K Street, NW, Room 200, Washington, DC 20427. All interested parties are invited to attend this public meeting. Seating is limited and will be available on a first-come, first-serve basis.
