Johnson & Johnson Medical, Inc.
Including Leased Workers of Kelly Services, Incorporated Menlo Park, California; Amended Certification Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

In accordance with section 250(a), subchapter D, chapter 2, Title II, of the Trade Act of 1974 (19 U.S.C. 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on August 31, 1998, applicable to all workers of Johnson & Johnson Medical, Inc., located in Menlo Park, California. The notice was published in the Federal Register on September 28, 1998 (63 FR 51605).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers produce intravenous specialty catheters. New information provided by the State shows that some workers of Johnson & Johnson Medical, Inc. were leased from Kelly Services, Inc. to produce intravenous specialty catheters at the Menlo Park, California plant. Based on these findings, the Department is amending the certification to include leased workers from Kelly Services, Inc., Menlo Park, California.

Accordingly, the Department is amending the certification to reflect this matter.

The intent of the Department's certification is to include all workers of Johnson & Johnson Medical, Inc. adversely affected by imports from Mexico.

The amended notice applicable to NAFTA–02476 is hereby issued as follows:

All workers of Johnson & Johnson Medical, Inc., Menlo Park, California engaged in the production of intravenous specialty catheters and leased workers of Kelly Services, Inc., Menlo Park, California engaged in employment related to the production of intravenous specialty catheters for Johnson & Johnson Medical, Inc., Menlo Park, California who became totally or partially separated
