DECISION and ORDER

Before DAVID S. GERSON, WILLIE T.C. THOMAS,  
MICHAEL E. GROOM

The issue is whether appellant has any permanent impairment of her right upper extremity, left upper extremity or left lower extremity for which she should receive a schedule award.

The Board has given careful consideration to the issue involved, the contentions of the parties on appeal and the entire case record. The Board finds that the January 14, 1999 decision of the Office of Workers' Compensation Programs is in accordance with the facts and the law in this case and hereby adopts the findings and conclusions of the hearing representative.

The decision of Office of Workers' Compensation Programs dated January 14, 1999 is affirmed.
