DECISION and ORDER

Before DAVID S. GERSON, MICHAEL E. GROOM,  
PRISCILLA ANNE SCHWAB

The issue is whether appellant has established that he sustained an emotional condition in the performance of duty causally related to compensable factors of his federal employment

The Board has given careful consideration to the issue involved, the contentions of the parties on appeal and the entire case record. The Board finds that the March 11, 1999 decision of the Office of Workers' Compensation Programs' hearing representative is in accordance with the facts and the law in this case and hereby adopts the findings and conclusions of the hearing representative.

Accordingly, the decision of the Office of Workers' Compensation Programs dated March 11, 1999 is hereby affirmed.
