Issued May 18, 2001*

DECISION and ORDER

Before DAVID S. GERSON, WILLIE T.C. THOMAS,

The issue is whether appellant has met her burden of proof that her conditions and disability subsequent to February 11, 1991 are causally related to her work injury of January 11, 1984.

The Board has given careful consideration to the issues involved, the contentions of the parties on appeal and the entire case record. The Board finds that the decision of the hearing representative of the Office dated March 3, 1999 and made final on March 8, 1999 is in accordance with the facts and the law in this case and hereby adopts the findings and conclusions of the Office hearing representative.

The decision of the Office of Workers' Compensation Programs dated March 3, 1999 and finalized on March 8, 1999 is affirmed.
