**Problem to Be Addressed**  
Lack of awareness and/or action on the ILO Declaration on Fundamental Principles and Rights at Work.

**Results**  
Increased awareness of the Declaration principles among governments, businesses, labor organizations and social partners in the region.

**Project Objectives**  
Development Objective: To promote regional awareness of the Declaration and to assist governments and social partners in fulfilling their reporting responsibilities.

**Summary of Activities**  
- Held a three-day seminar in December 2000 to promote regional awareness of the Declaration and to assist governments and social partners in fulfilling their reporting obligations;
- Identified regional obstacles to realizing the Declaration in legislation, policy and practice;
- Encouraged the development of proposals for the region’s governments to strengthen action for the effective abolition of child labor; and
- Proposed solutions to obstacles and worked toward developing national action plans to eliminate them.
