Dear Mr. Eiselstein:

This office has recently completed an audit of AFGE Local 2018 under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Civil Service Reform Act of 1978 (CSRA), 5 U.S.C. 7120, and the Department's regulations, 29 CFR 458. As discussed during the exit interview with you on March 2, 2022, the following problems were disclosed during the CAP. The matters listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

Reporting Violations

Pursuant to 29 C.F.R. Section 458.3, the requirement under 29 C.F.R. Section 402.4 implementing LMRDA Section 201(a) is made applicable to labor organizations subject to the requirements of the CSRA. This provision requires labor organizations to file copies of any revised constitution and bylaws when it files its annual financial report. The audit disclosed a violation of this requirement. Local 2018 amended its constitution and bylaws in 2018, but did not file the required copies with its LM report for that year.

As agreed, Local 2018 will file a copy of its current constitution and bylaws with OLMS as soon as possible but not later than March 31, 2022.

I want to extend my personal appreciation to AFGE Local 2018 for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,

Investigator
