Case Number: 350-6027207()
LM Number: 083-744

Dear Mr. Hornyak:

This office has recently completed an audit of National Association of Letter Carriers Branch 78 under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you and Financial Secretary-Treasurer Ramon Lawson on September 25, 2023, the following problems were disclosed during the CAP. The matters listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

Reporting Violations

The audit disclosed a violation of LMRDA Section 201(b), which requires labor organizations to file annual financial reports accurately disclosing their financial condition and operations. The Labor Organization Annual Report Form LM-2 filed by Branch 78 for the fiscal year ended December 31, 2022, was deficient in the following areas:

1. Acquire/Dispose of Property

Item 15 (During the reporting period did your organization acquire or dispose of any assets in any manner other than by purchase or sale?) should have been answered, "Yes," because the union gave away t-shirts and gift cards to members at union meetings, and gift cards or watches, to retirees totaling more than \$500.00 during the year. The union must identify the type and value of any property received or given away in the additional information section of the LM report along with the identity of the recipient(s) or donor(s) of such property. The union does not have to itemize every recipient of such giveaways by name. The union can describe the recipients by broad categories if appropriate such as "members" or "new retirees." In addition, the union must report the cost, book value, and trade-in allowance for assets that it traded in.

2. Disbursements to Officers and Employees

Branch 78 did not include some direct reimbursements and direct payments to officers and employees totaling at least \$13,382.00 in Schedule 11 (All Officers and Disbursements to

Officers) and Schedule 12 (Disbursements to Employees). It appears that the local erroneously reported these payments in Schedules 15 through 19.

The union must report in Column F of Schedules 11 and 12 (Disbursements for Official Business) direct disbursements to officers and employees for reimbursement of expenses they incurred while conducting union business. In addition, the union must report in Column F of Schedules 11 and 12 indirect disbursements made to another party (such as a credit card company) for business expenses union personnel incur. However, the union must report in Schedules 15 through 19 indirect disbursements for business expenses union personnel incur for transportation by public carrier (such as an airline) and for temporary lodging expenses while traveling on union business. The union must report in Column G (Other Disbursements) of Schedules 11 and 12 any direct or indirect disbursements to union personnel for expenses not necessary for conducting union business.

I am not requiring that Branch 78 file an amended LM report for 2022 to correct the deficient items, but Branch 78 has agreed to properly report the deficient items on all future reports it files with OLMS.

I want to extend my personal appreciation to National Association of Letter Carriers Branch 78 for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,

Investigator
