Case Number: 140-6026167()
LM Number: 030168

Dear Mr. Maystrovich:

This office has recently completed an audit of Steelworkers, LU 10 1537S under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you on August 15, 2023, the following problem was disclosed during the CAP. The matter listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

Reporting Violations

The audit disclosed a violation of LMRDA Section 201(b), which requires labor organizations to file annual financial reports accurately disclosing their financial condition and operations. The Labor Organization Annual Report Form LM-3 filed by Local 10-1537-S for the fiscal year ended December 31, 2022, was deficient due to the amount of bonding coverage reported was inaccurate. The audit revealed the amount of Local 10-1537-S's bond is sufficient.

I am not requiring that Local 10-1537-S file an amended LM report for 2022 to correct the deficient item, but Local 10-1537-S has agreed to properly report the deficient item on all future reports it files with OLMS.

I want to extend my personal appreciation to Steelworkers, LU 10 1537S for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,

Investigator
