Project Description

Operating assistance will be supported by Section 5311(c) Public Transportation on Indian Reservations formula apportionment funds in the amount of \$426620

Fond du Lac Transit runs from 5:30AM through 8:15PM on weekdays. Transit has a dispatch system for an on demand system in addition to a fix route system. Fond du Lac Transit serves the Fond du Lac Reservation with on call and fixed route services. The fixed route services reach Duluth, MN. More information can be found at www.fdlrez.com under the Transit Tab

Project Benefits

This grant request is for an operations grant that will allow the Band to better serve the Reservation and assist in funding transit operations. Fond du Lac Transit is a service provided directly by the Fond du Lac Band of Lake Superior Chippewa. Fond du Lac Transit was launched in December 2007 and has been awarded operations grants since 2010. These operations grants as well as Fond du Lac Band funds have been used to support the program over the past 10 years.

This project will make a large impact for the community by improving the access of Reservation residents and visitors to health care, shopping, education, recreation, public services and employment, because we will continue to operate Fond du Lac Transit in calendar year 2021. Our people have come to depend on Fond du Lac Transit for access to employment, educational opportunities, health care, shopping, and community services. Fond du Lac Transit has a duty to provide transportation services to all Band members who live on or near the Reservation.

The number of riders who use the transit system has been and will continue to be measured on a per-run basis and reported on a monthly basis. This impact indicator relates to our project goal of continuing and expanding public transit services offered as Fond du Lac Transit by showing trends in transit ridership. For example, this indicator was 7,831 in the first six months of 2008 (ahead of estimates). We have steadily increased our ridership over the years and we served 12,483 riders in the first six months of 2011. 2019 Fond du Lac Transit had a ridership of 27813.

Additional Information

None provided.
