Application Executive Summary

This application utilizes CRRSAA Act funding to help respond to and recover from the COVID-19 emergency situation.

This is an FFY 2021 Section 5311 CRRSAA application in the amount of \$16,000,554.

Per CRRSAA, this grant requests 100% (up to 100%) federal share. This application utilizes CRRSAA funding to prevent, respond, and recover from the COVID-19 emergency situation. The application scope of work includes operating assistance for eligible 5311 subrecipients.

Subrecipients in this application cover sixteen (16) regional areas, seven (7) small cities (populations under 50,000), and one (1) rural portion of an urban area.

Therefore, per CRRSAA regulations, no Statewide Transportation Improvement Program (STIP) or Transportation Improvement Plan (TIP) documentation is needed.

The Iowa DOT agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

Per the CRRSAA, the project(s) in this application is/are not required to be programmed in the Long-Range Transportation Plan, Statewide Transportation Plan, or Statewide Transportation Improvement Program. This project(s) includes only operations, planning and/or capital projects, with no substantial functional, location, or capacity change. Therefore, per CRRSAA requirements, no Statewide Transportation Improvement Program (STIP) or Transportation Improvement Plan (TIP) documentation is needed

A POP and budget is included with this application.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
