**Application Executive Summary**

This application includes \$67,133 in FY 2021 Section 5311 ARP Act funds, which is the full amount allocated to the Ninilchik Village Tribe. These funds will be used, at 100% federal share, for operating assistance and indirect expenses to prevent, prepare for, and respond to the COVID-19 pandemic for the Ninilchik Village Tribe public transportation system located on the Kenai Peninsula in Alaska. The project will increase the ability to address increased public transportation operations costs associated with passenger transport to decrease the risks of COVID-19 transmission.

The Recipient certifies that it, and its subrecipients and contractors that are providers of public transportation, have not furloughed any employees since March 27, 2020.

**\*\* Special Condition \*\***

The Recipient agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

## Project Environmental Findings

### Finding: Class II(c) - Categorical Exclusions (C-List)

#### Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

#### Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
