Application Executive Summary

This Grant to the Indiana Department of Transportation will utilize FFY 2021 Section 5311(f) American Rescue Plan (ARP) Intercity funds. INDOT is the Designated Recipient, and no funds are being suballocated. The funds will be used for operating assistance to intercity bus operators for the period of January 1, 2022 – December 31, 2022. The providers are listed on the attached program of projects. The sub-grantee application process was managed by the BlackCat Management System. This is an FFY 2021 Section 5311(f) ARP Act application in the amount of \$2,504,164, representing 100% federal share of the total eligible amount. This application utilizes ARP Act funding to prevent, prepare for, and respond to coronavirus. The application scope of work includes intercity operating assistance. The federal funds will be at 100 percent.

The federal funding includes FFY 2021 Section 5311(f) intercity bus ARP funds in the amount of \$2,504,164. The total amount of Section 5311 ARP Act funds is \$2,504,164.

Attachments to this application include an intercity bus program of projects, Section 5311 State Management Plan, Section 5311(f) ARP 2021 Federal Apportionment table dated, March 11, 2021 (INDOT is the Designated Recipient, and no funds are being suballocated), DOL documentation, DOL letter of Assurance, INDOT Intercity Bus Study, Barons Bus Application, Barons Bus Marketing Plan, Greyhound Application, Greyhound Marketing Plan, Miller Application, and Miller Marketing Plan.

The Indiana Department of Transportation certifies that it and any subrecipient or contractor that is a provider of public transportation: (a) are currently not furloughing any employees; (b) have, to the maximum extent possible, brought back any employees previously furloughed as a direct result of financial challenges caused by the COVID-19 public health emergency; and (c) have rehired, or posted to rehire, any positions of employees who were laid off as a result of financial challenges caused by the COVID-19 public health emergency.

The Indiana Department of Transportation agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.”

Per the ARP Act, the projects in this application are not required to be programmed in the Long-Range Transportation Plan, Statewide Transportation Plan, or Statewide Transportation Improvement Program.

Project Description

The INDOT is utilizing FFY 2021 Section 5311 American Rescue Plan Act Section 5311(f) Intercity Bus Apportionment funds for operating assistance in the amount of \$2,504,164. The total amount of the Intercity funds is \$2,504,164. The funding is for operating assistance to Indiana's intercity bus providers. The total cost of the project is \$2,504,164, the project is being funded at 100% federal share. There will be no future grant request for additional cost for these projects.

The funding is for intercity bus operating assistance to Indiana's 3 intercity bus operators for 11 routes around Indiana that serve rural areas.

The operating funds will cover expenses for existing intercity bus service incurred beginning January 1, 2022, until December 31, 2022. The operating cost includes labor and fringe benefits, services, materials, supplies, utilities, insurance, and other operating cost.

Project Benefits

The project benefit is to help offset operating cost for Indiana's intercity bus providers around the state.

Additional Information

The operating assistance will help offset operating cost for Indiana's three intercity bus providers. These providers operate eleven intercity bus routes that serve numerous rural and urban cities around the state. The operating cost includes labor and fringe benefits, services, materials, supplies, utilities, insurance, and other operating cost.

Location Description

This grant will provide operating assistance to three intercity bus providers that serve 11 intercity bus

routes around the State of Indiana.
