Project Description

This funding will cover the operation of the Rural Intercity Bus Program in Ohio. The federal intercity bus requirement is met by taking 15% of the FFY 2018 FTA Apportionment (\$3,682,454).

Project Benefits

The Ohio Rural Intercity Bus Program (Section 5311(f)) is designed to address the intercity bus transportation needs of the entire state by supporting projects that provide transportation between non-urbanized areas and urbanized areas that result in connections of greater regional, statewide, and national significance.

Additional Information

None provided.

Location Description

The intercity bus service is provided through the state on six separate routes and stops in multiple rural areas in order to connect them to urban areas and the greater intercity transportation network.
