Title: Lower Brule Sioux Tribe 5311 TTP ARP Grant - Admin and Maintenance Facility

FAIN	Application Status	Application Type	Date Created	Last Updated Date	From TEAM?
SD-2021-021-00	Final Concurrence / Reservation	Grant	6/22/2021	6/22/2021	No

Application Executive Summary

This is a FFY2021 Section 5311 TTP ARP Act grant in the amount of \$375,631 (full apportionment), representing 100% federal share of the total eligible amount. This application utilizes ARP funding to prevent, prepare for, and respond to coronavirus.

The grant scope of work is for construction of the Lower Brule Sioux Tribe's (LBST) administration and maintenance facility. Four grants fund the construction of this facility:

- 1) SD-2021-015 – FFY20 CARES Act (\$387,969)
- 2) 6860-2021-2 – FFY21 ARP Act (this grant) (\$375,631)
- 3) 6860-2021-3 – FFY21 CRRSAA (\$387,969)
- 4) SD-2020-017 – FFY18, 29, 20, 21 Formula funds (\$1,159,974 for construction ALI)

Total for Construction ALIs - \$2,311,543

Construction activities should be drawn from grants in the order listed above. Design and oversight will be drawn concurrently from SD-2020-017.

The Recipient certifies that it has not furloughed any employees since March 27, 2020.

The Recipient agrees that if it receives federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any federal share that duplicates funding provided by FEMA, another federal agency, or an insurance company.

Pre-award Authority is selected for contracting purposes only, no funds have been spent yet by the grantee.

Part 3: Project Information

Project Title: Construct LBST Admin/Maintenance Facility

Project Number	Temporary Project Number	Date Created	Start Date	End Date
SD-2021-021-01-00	6860-2021-2-P1	6/22/2021	6/4/2021	3/31/2023

Project Description

The proposed project includes the construction of a Tribal transit building on 4.5 acres of tribal owned property. The building will be 120 foot by 80 foot in size and have on-site parking on the east side including a handicap accessible parking stall. The building will serve as the administration building for the Lower Brule Sioux Tribe Transportation Administration and the night storage for transit vehicles.

The TOTAL Construction is funded by the following fund sources and grants in TrAMS:
 \$109,537 FFY2018 5311 Tribal Formula (partial apportionment) – FAIN SD-2020-017-01
 \$363,557 FFY2019 5311 Tribal Formula (full apportionment) – FAIN SD-2020-017-01
 \$421,648 FFY2020 5311 Tribal Formula (full apportionment) – FAIN SD-2020-017-01
 \$265,232 FFY2021 5311 Tribal Formula (partial apportionment) – FAIN SD-2021-017-01
 \$387,969 FFY2020 CARES Act (full apportionment) – FAIN SD-2020-015-00
 \$387,969 FFY2021 CRRSAA (full apportionment) – Temporary ID 6860-2021-3
 \$375,631 FFY2021 ARP Act (full apportionment) Temporary ID 6860-2021-2 - This grant

\$2,311,543 Total Amount for Construction

The current BID estimate is \$2.409M. It is expected that additional funds will be added to grant SD-2020-017 to cover the full construction cost once FFY2022 5311 Tribal Formula apportionments are announced in early 2022.

This grant should be drawn 2nd following the CARES Act (SD-2021-015) grants.

Project Benefits

Provide dedicated office space and indoor vehicle storage, which will be especially important when spring hail can cause significant vehicle damage and winter month cold and snow requires extra time for warming vehicles before service can start.

Additional Information

We serve the Lower Brule Sioux Tribe reservation and other location within the state of South Dakota.

Location Description

Extended Budget Description

Construction of a 120' by 80' building to house transit administration, customer waiting area, light maintenance and vehicle storage on tribal owned property. The project is located along the north side of Indian Affairs (BIA) Highway 10 in Lower Brule, South Dakota, approximately 1,200 feet west of the intersection of BIA 10 and BIA 5. A project location map can be found in the supplemental information.

Specific elements to be included:

- Administrative offices for 4 office staff, a dispatching center, kitchen/break room, bathrooms and locker rooms
- Customer waiting area
- Vehicle storage garage for up to 10 vehicles for future expansion needs
- Maintenance area, including office space, work shop area, storage space, 1 vehicle lift
- Bus wash
- Public and employee parking lot (20-25 spaces)
- Generator
- Perimeter security fencing
- Stormwater detention pond to deal with run off

Construction activities will include: excavation, backfill, grading, surfacing, asphalt approaches, installation of a power slide gate, chain link fence, and sewer/water service extension to accommodate the construction of a 120 foot by 80 foot perimeter building. The building will have on-site parking on the east side including a handicap accessible parking stall.

An RFP for construction was released in June 2021 and award is anticipated in August 2021.

Federal share is 100%. The useful life of the structure is 40 years and the parking lot's useful life is 20 years. Any equipment over \$5,000 will be reported out at grant closeout. At grant closeout a list of assets will be provided.

Will 3rd Party contractors be used to fulfill this activity line item?

Yes, 3rd Party Contractors will be used for this line item.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project

description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 13: Federally-funded projects:

- (i) That receive less than \$5,000,000 of Federal funds; or
- (ii) With a total estimated cost of not more than \$30,000,000 and Federal funds comprising less than 15 percent of the total estimated project cost.

Your agency must comply with all applicable Federal laws and regulations related to this project, including the ADA Standards for Transportation Facilities, based on the U.S. Access Board's ADA Accessibility Guidelines. Found here: <https://www.access-board.gov/ada/>

Specifically, your agency must comply with the ADA Standards for Transportation

Facilities. The following is a non-exhaustive list of ADA standards:

Requirements to Remember for: New Construction of Facilities

- As required under DOT ADA Standard 206.4.1, your agency must ensure that 60 percent of all public entrances to the facility will be accessible. If a station has only two entrances, then both must be accessible.
- As required under DOT ADA Standard 810.10, for rail projects, your agency must ensure that no flange way gap can be greater than 2.5" where passenger circulation paths cross tracks at grade (i.e. a street-level pedestrian crossing over streetcar tracks).
- As required under DOT ADA Standard 206.3, your agency must ensure that accessible routes coincide with or are located in the same area as general circulation paths, and elements such as ramps, elevators, and fare vending and collection areas are placed to minimize the distance that wheelchair users and other persons who cannot climb steps must travel in comparison to the general public.
- As required under DOT ADA Standard 406.8, your agency must ensure that curb ramps will have detectable warnings.
- As required under DOT ADA Standard 810.2, your agency must ensure that bus boarding and alighting areas are in compliance with the ADA-ABA Guidelines (Section 810.2), which address surfaces (sturdy); dimensions (96" long x 60" wide); connection to sidewalks, streets, and pedestrian paths; slope (not steeper than 1:48); signs; and public address systems.
- As required by DOT ADA Standard 810.5.3, your agency must ensure that station platforms must be coordinated with the vehicle floor height.

Requirements to Remember for: Alterations or Additions to Facilities

- As required under DOT ADA Standard 201 and DOT ADA Regulation 49 C.F.R. 37.43(a)(1), your agency must ensure that altered or added portions of the facility must be made accessible.
- As required by DOT ADA Regulation 49 C.F.R. 37.43(a)(2) and DOT ADA Standard 202.3, your agency must ensure that the path of travel to the altered or added portion of the facility must be made accessible, to the maximum extent feasible.
- As required by DOT ADA Standard 202.4 and DOT ADA Regulation 49 C.F.R. 37.43(e)(1), if the path of travel cannot be made accessible, your agency must submit to FTA an analysis demonstrating that the cost of making the path of travel accessible is disproportionate to (i.e., > 20%) the cost of the alterations or additions to the primary function area.
- As required by DOT ADA Standard 202.4 and DOT ADA Regulation 49 C.F.R. 37.43(b), if the path of travel cannot be made accessible, your agency must submit to FTA an analysis demonstrating that site-specific conditions prevent you from making the path of travel accessible. Include relevant diagrams and maps.

Title VI Requirements for Facilities:

DETERMINATION OF SITE OR LOCATION OF FACILITIES. Title 49 CFR Section 21.9(b)(3) states, "In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding persons from, denying them the benefits of, or subjecting them to discrimination under any program to which this regulation applies, on the grounds of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this part." Title 49 CFR part 21, Appendix C, Section (3)(iv) provides, "The location of projects requiring land acquisition and the displacement of persons from their residences and businesses may not be determined on the basis of race, color, or national origin." For purposes of this requirement, "facilities" does not include bus shelters, as

these are transit amenities and are covered in Chapter IV, nor does it include transit stations, power substations, etc., as those are evaluated during project development and the NEPA process. Facilities included in this provision include, but are not limited to, storage facilities, maintenance facilities, operations centers, etc. In order to comply with the regulations:

- a. The recipient shall complete a Title VI equity analysis during the planning stage with regard to where a project is located or sited to ensure the location is selected without regard to race, color, or national origin. Recipients shall engage in outreach to persons potentially impacted by the siting of facilities. The Title VI equity analysis must compare the equity impacts of various siting alternatives, and the analysis must occur before the selection of the preferred site.
- b. When evaluating locations of facilities, recipients should give attention to other facilities with similar impacts in the area to determine if any cumulative adverse impacts might result. Analysis should be done at the Census tract or block group where appropriate to ensure that proper perspective is given to localized impacts.
- c. If the recipient determines that the location of the project will result in a disparate impact on the basis of race, color, or national origin, the recipient may only locate the project in that location if there is a substantial legitimate justification for locating the project there, and where there are no alternative locations that would have a less disparate impact on the basis of race, color, or national origin. The recipient must show how both tests are met; it is important to understand that in order to make this showing, the recipient must consider and analyze alternatives to determine whether those alternatives would have less Chap. III-12 FTA C 4702.1B of a disparate impact on the basis of race, color, or national origin, and then implement the least discriminatory alternative.

The information provided above is intended as technical assistance and applies only to the project as described. Should the project scope change or new information on the project be provided, FTA may require a re-evaluation of the project information and require additional information. This confirmation is not an express or implied promise of project compliance with the ADA or other civil rights requirements.

Part 6: Agreement

**UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
FEDERAL TRANSIT ADMINISTRATION**

**GRANT AGREEMENT
(FTA G-28, February 9, 2021)**

On the date the authorized U.S. Department of Transportation, Federal Transit Administration (FTA) official signs this Grant Agreement, FTA has obligated and awarded federal assistance as provided below. Upon execution of this Grant Agreement by the Recipient named below, the Recipient affirms this FTA Award, enters into this Grant Agreement with FTA, and binds its compliance with the terms of this Grant Agreement.

The following documents are incorporated by reference and made part of this Grant Agreement:

- (1) "Federal Transit Administration Master Agreement," FTA MA(28), February 9, 2021, <http://www.transit.dot.gov>,
- (2) The Certifications and Assurances applicable to the FTA Award that the Recipient has selected and provided to FTA, and

(3) Any Award notification containing special conditions or requirements, if issued.

WHEN THE TERM "FTA AWARD" OR "AWARD" IS USED, EITHER IN THIS GRANT AGREEMENT OR THE APPLICABLE MASTER AGREEMENT, "AWARD" ALSO INCLUDES ALL TERMS AND CONDITIONS SET FORTH IN THIS GRANT AGREEMENT.

FTA OR THE FEDERAL GOVERNMENT MAY WITHDRAW ITS OBLIGATION TO PROVIDE FEDERAL ASSISTANCE IF THE RECIPIENT DOES NOT EXECUTE THIS GRANT AGREEMENT WITHIN 90 DAYS FOLLOWING FTA's AWARD DATE SET FORTH HEREIN.

FTA AWARD

Federal Transit Administration (FTA) hereby awards a Federal Grant as follows:
