- The total amount of FY2016 lapsing funds is \$5,488,062.00. The application is \$761 short of that total. Is that \$761 going to lapse? Or can it be added it into the application to prevent that funding from lapsing? If that funding is going to lapse, please send an email stating that.
- Please add the state UZA code into each Project Location

- Please set Period of Performance end date to at least 2 years after latest milestone date.
