Application Executive Summary

This grant is for FY2020 MNDOT Operating Assistance Section 5311 in the total amount of \$392,322 with a match of \$392,322 coming from the White Earth general fund for the White Earth Transit program in White Earth, MN. White Earth Public Transit operates in 3 counties covering 1,300 square miles. In 2020 MNDOT had asked for a two-year application these funds would be the second half of MNDOT's request to streamline the application process. The operational assistance will help with rising fuel, and other bus related costs which helps keep the bus fare low and affordable to the clients of White Earth Public Transit. As this is already a fifty/fifty match no other grants are tied to this MNDOT grant.

Documents attached to this grant is the FY2020 State letter allocation for the White Earth Public Transit.

Purpose-The operational assistance will help with rising fuel, and other bus related costs.

Activities to be performed- funds used for fuel costs and repair of buses.

Expected outcomes-keep the bus fare low and affordable to the clients of White Earth Public Transit.

Intended beneficiaries-clients of White Earth Public Transit.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
