#### Application Executive Summary

Amendment 4 De-Obligation Amendment

TxDOT #1567 requested to extend the period of availability in order to repurpose \$14,451,411 of FY2019 Section 5311 funds awarded in grant TX-2019-039. TxDOT awarded the COVID-19 appropriations for operating assistance. The previously awarded operating funds in grant TX-2019-039 are now being repurposed for capital projects, which allows the grant to remain active, but necessitates the need to extend the period of availability. FTA approve the request to extend period of availability in order to de-obligate and re-obligate funding for capital activities with a duration of nine (9) months from the date of approval. (See attached correspondence)

AMEND 04 deobligates FY19 funds in the amount of \$13,392,495 from General Fund Project 01 and \$1,058,916 from Trust Fund Project 02. The amendment deobligates a grand total of \$14,451,411 to be applied for in a following amendment. This amendment also updates the Current Period of Performance End Date to December 31, 2022. Updated POP attached.

Activities to be performed: Funding will be applied in a following amendment to support capital investment projects for new and replacement fleet, new and replacement support vehicles, shop equipment, computer hardware and software, vehicle overhaul, furniture and graphics, bus station and maintenance facility rehab/renovation, security and surveillance equipment, and communications equipment.

Expected Outcomes: In a following amendment Transit providers will be able to implement programs and services to create an environment of resilience for passengers, employees, and communities in rural areas of the state of Texas.

Intended Beneficiaries: The proposed projects in a following amendment will benefit and support mobility for rural areas, communities, transit riders, and transit providers.

Subrecipient Activities: Transit provider general transportation services, capital purchases, operating services in the rural areas of Texas.

## Program Plan Information

### STIP/TIP

Date: 3/10/2019

Description: The Moving Ahead for Progress in the 21st Century Act - MAP 21 contains several requirements related to metropolitan and statewide planning. This document incorporates metropolitan and rural area Transportation Improvement Programs (TIPs) into a 2017-2020 Statewide Transportation Improvement Program (STIP) as required under Title 23, US Code, Section 135 - Statewide Transportation Planning.

### UPWP

Date: 3/10/2019

Description: The Statewide Transportation Plan provides a framework for long-term planning, development, and preservation of the transportation system in the state of Texas. It encourages the safe and efficient management, operation, and development of surface transportation systems. The Unified Planning Work Program (UPWP) is located on page 56, Section 7 of the Texas Department of Transportation Transportation Planning Manual. Transit projects are mentioned starting on page 22 of the Texas Department of Transportation Texas Transportation Plan 2040.

### Long Range Plan

Date: 3/10/2019

Description: The Transportation Planning and Programming Division is responsible for the Texas Transportation Plan, the Texas Freight Mobility Plan, the Unified Transportation Program and the Statewide Transportation Improvement Program. The division is involved with border/International planning and corridor engineering studies.

## Project Environmental Findings

**Finding: Class II(c) - Categorical Exclusions (C-List)**

**Class Level Description**

Class II(c) consists of projects called categorical exclusions (CEs) which are known not to have, either individually or cumulatively, a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. Class II(c) does not require documentation.

**Categorical Exclusion Description**

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.

## Program Plan Information

STIP/TIP

Date: 7/21/2019

Description: The FAST Act contains several requirements related to metropolitan and statewide planning. This document incorporates metropolitan and rural area Transportation Improvement Programs (TIPs) into a 2017-2020 Statewide Transportation Improvement Program (STIP) as required under Title 23, US Code, Section 135 - Statewide Transportation Planning.

**UPWP**

Date: 7/21/2019

Description: The Statewide Transportation Plan provides a framework for long-term planning, development, and preservation of the transportation system in the state of Texas. It encourages the safe and efficient management, operation, and development of surface transportation systems. The Unified Planning Work Program (UPWP) is located on page 56, Section 7 of the Texas Department of Transportation Transportation Planning Manual. Transit projects are mentioned starting on page 22 of the Texas Department of Transportation Texas Transportation Plan 2040.

**Long Range Plan**

Date: 7/21/2019

Description: The Transportation Planning and Programming Division is responsible for the Texas Transportation Plan, the Texas Freight Mobility Plan, the Unified Transportation Program and the Statewide Transportation Improvement Program. The division is involved with border/International planning and corridor engineering studies.

## Project Environmental Findings

**Finding: Class II(c) - Categorical Exclusions (C-List)**

**Class Level Description**

Class II(c) consists of projects called categorical exclusions (CEs) which are known not to have, either individually or cumulatively, a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. Class II(c) does not require documentation.

**Categorical Exclusion Description**

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
