Application Executive Summary

This application is to request Section 5311 funds apportioned to the State of Kansas (UZA: 200000) in the amount of \$16,803,066.

Purpose: This application is to request FFY2020-2022 Section 5311 funds apportioned to the State of Kansas in the amount of \$16,802,066.

Budget Funding:

2020.25.18.81 \$12,295,184

2021.25.18.81 \$ 4,256,949

2022.2J.18.R7 \$ 249,933

Total Federal Amount: \$16,802,066

Local/State Funding: \$13,548,754

Total Grant Amount: \$30,350,820

The State will be providing 20 of the local match with State Highway Funds. The remaining 20% match will be provided by the agencies' general funds, mill levy, or other local funds. No federal funding is being used as match. All agencies and CTDs are verified in SAM before any payments are made to them.

Activities to be performed:

Operating & Intercity Bus - provide continued transportation for their passengers.

Project Admin - Provide administrative support to the transit agencies in the state.

RTAP - Provide training and technical assistance to transit agencies in the state.

State Admin - Will be used to cover expenses incurred to administer FTA programs.

Expected outcomes: The funding for all of these projects will provide a needed boost to the transit agencies and their passengers. The RTAP project will centralize information and streamline processes that can be used by all the agencies and their passengers.

Intended beneficiaries: It is expected that all of the projects will benefit anyone that uses transportation

services in Kansas.

Subrecipient Activities:

Operating & Intercity - Continue day to day services and utilize the additional funding to assist with additional expenses.

RTAP - The University of Kansas, Center for Research will provide assistance to transit agencies to better serve their customers.

*Pre-award authority was selected because KDOT will enter into agreements with the CTDS, the Intercity Bus Providers, and KU for the period starting 7-1-22 in the amount of \$15,843,067. The first two months of expenses are anticipated prior to execution of the award.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.

KS-2022-013-05-00	1813-2022-3-P5	6/2/2022	7/1/2022	6/30/2024

Project Description

The State Admin amount of \$960,000 represents 7% of the 5311 apportionment of \$12,295,184. The State Admin. funds will be used dollars to cover the salaries of the KDOT employees and consultants that administer the FTA programs, the CTD Admin. and any required audit costs. The State Admin. does not exceed the 10% allowed.

Project Benefits

This funding provides the necessary resources for the State to administers the FTA programs.
