Wednesday, June 12, 2024

**Catfish Bend Convention & Event Center
3001 Winegard Drive
Burlington, IA 52601**

9am-4pm: Meet with staff to learn more about the EEOICPA, file a new claim, get case status updates on current claims, or assistance with medical benefits.

Employees who worked on-site at the Iowa Ordnance Plant or any facility involved in nuclear weapons production are encouraged to attend!

This program provides **lump-sum compensation and medical benefits to current and former nuclear weapons workers** who developed an occupational illness as a result of exposure to toxic substances at a DOE facility. Survivors of qualified workers may also be eligible to receive compensation. Covered illnesses include but are not limited to radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to occupational exposure to toxic substances.
