9am to 4pm:

Stop by for information about eligibility and benefits under the EEOICPA, claims filing assistance, case status updates, or inquiries related to medical benefits.

To meet with staff individually for claim filing assistance or case status updates, please RSVP to 1-866-272-3622.

Current and former employees who worked on-site at the Pantex Plant, or any facility involved in nuclear weapons production, are encouraged to attend!

This program provides **lump-sum compensation and medical benefits to current and former nuclear weapons workers** who developed an occupational illness as a result of exposure to toxic substances at a DOE facility. Survivors of qualified workers may also be eligible to receive compensation. Covered illnesses include but are not limited to radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to occupational exposure to toxic substances.
