## Veterans' Employment and Training Service (VETS) U.S. Department of Labor

- <sup>1</sup> Participant: An individual who has received services after satisfying all applicable programmatic requirements for the provision of services, such as eligibility determination.
- <sup>2</sup> Exit occurs when a participant has not received services from the program in which the participant is enrolled for at least 90 days, and no future services are planned.
- <sup>3</sup> Placements: Participants who were placed into employment or otherwise obtained employment as a result of grantee services used or received.
- <sup>4</sup> Placement Rate: Number of participants who were placed into employment or otherwise obtained employment as a result of grantee services used or received divided by the number of exiters.
- <sup>5</sup> Episodically Homeless: An individual experiencing homelessness who has met the definition of homelessness continuously for at least 12 months, or on at least four separate occasions in the last 3 years, where the combined occasions total a length of time of at least 12 months.
- <sup>6</sup> Employment Rate 2nd Quarter After Exit: The percentage of participants who are employed during the second quarter after exit from the program.
- <sup>7</sup> Employment Rate 4th Quarter After Exit: The percentage of participants who are employed during the fourth quarter after exit from the program.
- <sup>8</sup> Median Earnings 2nd Quarter After Exit: The median earnings of participants who are employed during the second quarter after exit from the program.
- <sup>9</sup> Gender Not Reported: The number of participants in this category (39) does not meet the reporting threshold for following metrics: Placement Rate of Total Participants (exit-based), Placement Rate – Episodically Homeless (exit-based), Employment Rate 2nd Quarter After Exit, Employment Rate 4th Quarter After Exit, and Median Earnings 2nd Quarter After Exit.
- <sup>10</sup> Race: This is an unduplicated count of total participants served by race. Participants reported as more than one race are categorized as multiracial.
