LIEUTENANT GOVERNOR

March 4, 2013

Dear Friends of the United States Department of Labor,

As Governor of the great State of Utah, it is my pleasure to recognize the 100<sup>th</sup> Anniversary of the United States Department of Labor (DOL). This incredible accomplishment commemorates the efforts of DOL to ensure the well-being of laborers in the American workplace.

I applaud the mission of DOL to foster, promote, and develop the welfare of wage earners, job seekers, and retirees of the United States; improve working conditions; advance opportunities for profitable employment; and assure work-related benefits and rights.

As the DOL continues to evolve to meet the changing needs of a diversified workforce, I commend its efforts to partner with employers, communities, organizations, and institutions of higher learning to improve job training, provide lifelong learning opportunities, and advance efforts for profitable employment.

I express my appreciation to the 17,000 DOL employees for their contributions as public servants. Their efforts have helped make Utah a better place to live and work.

Best wishes for your continued success.

Sincerely,

Gary R. Herbert  
Governor
