RE: International Compliance Audit Program (I-CAP)
Texas Unions, Federated, IND
LM File Number 000-223

Dear Treasurer Donelson:

This Office of Labor-Management Standards (OLMS) within the Department of Labor has recently completed a compliance audit of Texas Unions, Federated, IND to assess its compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). The audit was conducted under the OLMS International Compliance Audit Program (I-CAP).

As discussed during the exit interview with you on June 25, 2008, no violations of the LMRDA were disclosed during the I-CAP. This does not exhaust all possible problem areas, however, since the audit conducted was limited in scope and did not include all areas of your union's operation.

I want to extend my personal appreciation to Texas Unions, Federated, IND for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,

Michelle M. Hussar
District Director
