- 3.3 The parties agree, therefor, that the other shall not be obligated to meet and negotiate with respect to any subject or matter whether referred to herein or not even though subject or matter may not have been in the contemplation or knowledge of either or both of the parties at the time they negotiated or signed this Agreement. - 3.4 Should any article, section, or clause of this Agreement be declared illegal by court of competent jurisdiction, said article, section, or clause, as the case may be, shall be automatically deleted from this Agreement to the extent that it violated the law. For the duration of this Contract, the Association, in consideration of the terms and conditions provided herein, will not engage in, instigate or condone any strike or work stoppage of members of the bargaining unit.
- This provision will not apply to any re-opener period after impasse procedures under the EERA have been exhausted, and after such exhaustion of procedure, the Board will also maintain the right to take unilateral action on negotiated items pursuant to the provisions of the EERA.
- 3.9 The parties agree that teachers employed at K-8 schools shall enjoy all rights identified in the Sacramento Agreement, unless modified herein.
- 3.10 The parties agree that the District, including the students, the teachers and other staff, as well as the community, will benefit from improvement in the negotiation/grievance processes and improvement in the relationship between the parties. To that end the parties will seek to initiate a program to improve employer-union relations.

ARTICLE 4 - GRIEVANCE PROCEDURES

4.1 Definitions

- 4.1.1 A grievance is an allegation by one or more members of the bargaining unit or the Association that a member(s) has been adversely affected by a violation, misinterpretation, or misapplication of a specific provision of this Agreement.
- 4.1.2 A grievance shall not include and this grievance procedure shall not apply to any of the following:
 - 4.1.2.1 Any matter upon which the District is without authority to act;
 - 4.1.2.2 Any discharge, dismissal, or layoff of a member of the unit;
 - 4.1.2.3 Any attempt to alter or change this Agreement;
 - 4.1.2.4 The evaluation of members of the unit, except for alleged violations of procedural matters;
 - 4.1.2.5 Claims of discrimination by reason of age, race, religion, color, sex, sexual orientation or national origin where there are adequate state and federal administrative and judicial remedies available for redress of such claims.
- 4.1.3 A working day is any day during which the grievant of the unit is required to render service to the District.
- 4.1.4 A "grievant" is a person or persons asserting a grievance and who is (are) a member(s) of the unit or Association.

4.2 Purpose and General Provisions

- 4.2.1 The purpose of this grievance procedure is to process a claim of grievance and to secure, at the lowest administrative level, solutions to problems which may from time to time arise concerning the welfare and working conditions and working relationships of those covered under this Agreement.

This grievance procedure shall not be construed as in any way hindering, discouraging, or denying the settlement of grievances or problems within the normal administrative channels of the District.
- 4.2.2 Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention by the Association, provided that the adjustment is not inconsistent with the terms of this Agreement. The grievant may request an Association representative to attend any informal meeting called to adjust the grievance.
- 4.2.3 In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in harm to an aggrieved person, the time limits set forth herein shall be reduced so that the procedure may be exhausted prior to the end of the school year or as soon as is practicable. Time limits set forth in this Agreement may be extended by mutual consent.
- 4.2.4 No grievance shall be recognized unless it shall have been presented at the appropriate level within thirty (30) working days after the grievant knew or reasonably should have known of the act or condition and its aggravating nature that forms the basis of the grievance, and if not so presented, the grievance will be considered as waived.
- 4.2.5 A decision rendered at any level shall be considered final unless an appeal is registered within the time limits specified.
- 4.2.6 Time allowances set forth at each level may be extended by mutual consent of the grievant and the District.

- 4.2.7 Should the processing of any grievance require that an employee be released from his/her regular assignment, he/she shall be released without loss of pay or benefits. If an employee is released to participate in arbitration, he/she shall be released without loss of pay.
- 4.2.8 No reprisals of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.
- 4.2.9 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 4.2.10 All parties to the grievance shall make available to other parties involved all pertinent information not privileged under the law in its possession or control which is relevant to the issues raised by the grievance.
- 4.2.11 If a successor agreement has not been fully negotiated nor ratified by the parties, the provisions of this Article shall continue as though this contract were extended until the start of any new agreement.
- 4.2.12 Level I of the grievance process may be waived if the Association and principal or site administrator agree, Level II may be waived if the District and the Association agree.
- 4.2.13 In those instances in which related or similar grievances are being heard, the Association and the District may agree to combine the grievances to be presented before a hearing officer and/or before an arbitrator.
- 4.2.14 The grievant, respondent, or the superintendent's designee for Employee Relations may request the presence of a representative or representatives at any meeting.

4.3 Level I Local Problem Solving

- 4.3.1 **Preamble:** The purpose of Level I shall be to solve the specific allegation(s), issue(s) or problem(s) as framed by the grievant at the site or lowest possible level. The grievant and principal or unit administrator should attempt to resolve the grievance either informally or formally at Level I. The parties are encouraged to work out a solution that is consistent with the Contract. Solutions reached at Level I are considered non-precedential.
- 4.3.2 **Informal Track:** A grievance may be discussed orally with grievant's principal or unit administrator with the objective of resolving the matter informally, without the filing of the grievance form. However, nothing shall preclude the filing of a written grievance prior to or during the informal meeting. The informal process may include the SCTA as grievance representative.
- a. The intent of the meeting is to focus on solution. The parties shall attempt to define the issue, discuss interests, explore options, and, if possible, agree to an outcome. Upon request, the solution, if any, will be reduced in writing.
 - b. If through formal or informal means, resolution is reached in writing or other mutually acceptable manner, all grievance documents may be destroyed;
 - c. Solutions that require implementation beyond the school site or unit level shall first be reviewed for implementation by the appropriate District-level administrator. Solutions that do not require review and are accepted will be implemented by the principal or unit administrator.

In the event the grievant is not satisfied with attempted resolution by informal means, and the grievant wishes to file a formal grievance, the grievant must submit the grievance in writing to the principal or unit administrator upon forms provided by the District.

- 4.3.3 **Formal Track:** If a formal grievance has been filed, the grievant may:

- a. discuss the grievance personally, or

- b. request that a designated grievance representative accompany the grievant to the meeting to discuss the grievance.

The meeting should be held within ten (10) working days after filing the grievance.

- 4.3.4 Within ten (10) working days following the meeting to discuss the grievance, the principal or unit administrator shall render the decision and the reasons therefor, in writing, to the grievant and to the exclusive representative. Information copies of the decision at this level shall be sent to the superintendent's designee for Employee Relations and the appropriate District administrator having responsibility for the organizational segment with which the grievance was processed.

4.3.5 **The written grievance should include:**

- a. A description of the specific grounds of the grievance;
- b. A listing of the specific article or section of the Agreement alleged to have been violated;
- c. A listing of specific actions requested of the principal or unit administrator which will remedy the grievance.

4.3.6 **Conduct of the Level I Meeting:**

- a. The intent of the meeting is to focus on a solution to the specific allegation(s), issue(s) or problem(s). The parties shall attempt to define the issue, discuss interests, explore options, and, if possible, agree to an outcome;
- b. If through formal or informal means, resolution is reached in writing or other mutually acceptable manner, all grievance documents may be destroyed;
- c. Solutions that require implementation beyond the school site or unit level shall first be reviewed for implementation by the appropriate District-level administrator. Solutions that do not require review and are accepted will be implemented by the principal or unit administrator.

4.4 **Level II**

- 4.4.1 If the Association is not satisfied with the disposition of the grievance at Level I, the Association may file a request for a Level II meeting within ten (10) working days of the receipt of the Level I decision. Grievants not complying with the above time constraints for filing at Level II will be deemed to have waived their rights to a Level II meeting. The party filing for a Level II meeting will forward the written grievance and the Level I decision to the Office of Employee Relations. The written grievance should include:

- 4.4.1.1 A description of the specific grounds of the grievance, including names, dates, and places necessary for an understanding of the grievance;

- 4.4.1.2 A listing of the specific article or section of the Agreement alleged to have been violated.

- 4.4.1.3 A listing of specific actions requested of the school District which will remedy the grievance.

- 4.4.2 The Level II form for appeal shall be considered a formal request for a meeting and a written decision by the superintendent or his/her designee. The meeting should be held within twenty (20) working days from receipt of the grievance by the Office of Employee Relations.

- 4.4.2.1 The District and SCTA agree to make every effort to schedule Level II grievance meetings twice a month. The intent of the parties is to hear all grievances within 40 working days of time of appeal as postmarked.

- 4.4.2.2 There shall be two tracks to solve the problem. The union shall reserve the right to choose either:

- a. the Mediation Track as described in Sections 4.4.3 through 4.4.3.8 or,

- b. the Interest Based Track as described in Sections 4.4.4 through 4.4.4.3.
- 4.4.2.3 Under either Track, the parties understand that mutual agreements secured at Level II are precedent setting unless the parties stipulate otherwise.
- 4.4.2.4 Release time will be provided for the teacher(s) participating at Level II meetings upon the written request of the Association.
- 4.4.3 **Mediation**
- Grievances appealed to Level II may be submitted to mediation. Mediation shall take place on the first and third Tuesday of each calendar month. Subsequent days for mediation will be scheduled, if necessary. The parties agree to mutually develop a Level II grievance calendar for each year at the same time mediators are selected, as per 4.4.3.3.
- 4.4.3.1 Under no case shall the adjustment or resolution of grievances at this level exceed forty (40) working days from the date of their appeal at Level II, unless extended by mutual agreement of the parties. If not extended, the Association may appeal the grievance to Level III.
- 4.4.3.2 Mediators who have been selected by the parties to mediate grievance disputes at Level II, will be scheduled on a rotating and available basis.
- 4.4.3.3 The parties agree to meet annually in May to review the mediators listed above. The list of mediators for the subsequent year shall be mutually agreed upon, but should the parties be unable to agree on a new list, the previous list will continue until such time as a new list is agreed to.
- 4.4.3.4 All costs of the mediator, if any, shall be borne equally by the parties. No party shall purposely withhold information at this level but shall disclose all information relevant to the grievance for consideration by the other party.
- 4.4.3.5 **Mediation Procedures**
- The mediation procedure shall be entirely informal in nature, however, copies of exhibits upon which either party bases its case shall be shared with the other party. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross-examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. All persons involved in the events giving rise to the grievance should be encouraged to participate fully in the proceedings, both by stating their views and by asking questions of the other participants at the mediation hearing.
- 4.4.3.6 The primary effort of the mediator shall be to assist the parties in settling the stated grievance in a mutually satisfactory fashion. In attempting to achieve a settlement, the mediator is free to use all of the techniques customarily associated with the mediation process, including private conferences with only one party. If settlement is not possible, the mediator shall provide the parties with an immediate bench opinion, based on the stated grievance and the Collective Bargaining Agreement, as to how the grievance would be decided if it went to Arbitration. That opinion would not be final or binding, but would be advisory. It would be delivered orally and would be accompanied by a statement of the reasons for the mediator's opinion. The advisory opinion may be used as the basis for further settlement discussions or for withdrawal or granting of the grievance. If the grievance is not settled, granted or withdrawn, the parties are free to arbitrate. If they do, the mediator shall not serve as arbitrator, and no offers or concessions made by the parties or the mediator during mediation can be used against a party during arbitration.
- Neither attorneys nor court reporters or any other type of note-taker shall be allowed to be present at the proceedings.
- 4.4.3.7 If the parties agree to be bound by a mediator's recommendation, the subsequent Agreement shall be reduced to writing and signed by the parties.

4.4.3.8 Any grievance not resolved within twenty (20) working days of the initial mediation session with no subsequent mediation session(s) scheduled and which the Association wishes to pursue may be appealed by the Association to Level III. Any grievance not resolved at the initial mediation session or additional mediation session(s) and which the Association wishes to pursue may be appealed by the Association to Level III within forty (40) working days of its submission by the grievant or the Association at Level II. Any such appeal shall be made within ten (10) working days of the appropriate above-mentioned deadline.

4.4.4 **Interest Based Track**

4.4.4.1 The interest based approach is intended to utilize any or all of the six step interest based problem solving model and appropriate individuals needed to reach a mutually acceptable solution.

4.4.4.2 **The six step model shall include the following:**

- (1) Selecting an Issue
- (2) Describing the Situation
- (3) Identifying Interests
- (4) Generating Options and BATNAS (alternatives)
- (5) Identifying Criteria for the Decision
- (6) Deciding on the Outcome

4.4.4.3 Any grievance not resolved shall be treated per the timeline provisions of 4.4.3.8 of this Article.

4.5 Level III

4.5.1 If the Association is not satisfied with the decision at Level II, the Association may request a hearing before an arbitrator within twenty (20) working days of the receipt of the Level II decision. Such requests by the Association's executive director, or official designee, will be in writing and shall be filed with the superintendent's designee for Employee Relations. The Association will within ten (10) working days of the filing of the request for arbitration with the District, notify the American Arbitration Association and request a list of arbitrators. If such request is not filed within the time limitations prescribed above, the grievant will be deemed to have waived the right to a Level III meeting.

4.5.1.1 Within thirty (30) calendar days of the appeal to Level III, and in no case later than thirty (30) days prior to the Level III meeting before the arbitrator, the parties agree to meet in a conference to:

- a. Attempt to frame the issue to be submitted to the arbitrator
- b. Share all evidence
- c. Clarify whether a court reporter is necessary, determine the site
- d. Re-initiate efforts to settle, if possible.

4.5.1.2 The parties agree that any evidence discovered subsequent to conference will be shared at least seven (7) days prior to arbitration. Evidence shared less than seven (7) days for presentation of new evidence will be grounds for delay at the request of the receiving party. The party presenting new evidence (initially) shall be charged for the cost of the arbitrator.

4.5.2 A certified court reporter shall be employed to record verbatim the entire arbitration hearing if requested by either the grievant or the District. In any case in which a court reporter is involved, the parties shall share equally the cost of such reporter, including per diem, mileage, and other out-of-pocket expenses. If the arbitrator requests a court reporter, the parties shall likewise share equally the cost of such reporter. The cost of transcripts shall be borne by the party ordering such transcripts.

4.5.3 When arbitration has been requested, the parties may mutually agree on an arbitrator or shall contact the American Arbitration Association for a list of arbitrators in accordance with American Arbitration Association procedures. The grievant or designee and the superintendent's designee for Employee Relations shall

alternately strike names from such list until only one (1) name remains. This person shall be designated as the arbitrator and shall proceed to hear the grievance under the voluntary rules of the American Arbitration Association insofar as said rules do not conflict with the grievance procedure in this Agreement.

- 4.5.4 All costs for the services of the arbitrator, including, but not limited to, per diem expenses, his/her travel and subsistence expenses and the cost of any hearing room will be borne equally by the Board and the Association. All other costs will be borne by the party incurring them.
- 4.5.5 **The function of the arbitrator shall be:**
 - 4.5.5.1 To hold a hearing concerning the grievance, and
 - 4.5.5.2 To render an award in accordance with the timelines agreed to between the parties and the arbitrator after the close of the hearing. The arbitrator's decision will be binding on all parties.
- 4.5.6 Once the arbitrator has been selected, hearings shall commence and be held at the convenience of the arbitrator. However, hearings shall be confined to working days.
- 4.5.7 Neither the District nor the grievant shall be permitted to assert any grounds or evidence before the arbitrator which was not previously disclosed to the other party. The arbitrator shall consider only those issues which have been properly carried through prior steps as required by the provisions of this grievance procedure.
- 4.5.8 The arbitrator shall not render any award which conflicts with or alters this Agreement. It is understood, however, that the arbitrator shall interpret the Agreement in accordance with acceptable rules of contract construction.
- 4.5.9 The arbitrator is empowered to include in any award such financial reimbursements or other remedies as judged to be proper.
- 4.5.10 Each party shall bear the full costs for its representation in the arbitration. The administrative costs of the American Arbitration Association and the arbitrator's fees and charges shall be divided equally between the grievant and the District.
- 4.6** The parties agree that it is beneficial to resolve pending grievances as expeditiously and fairly as possible. To that end, the parties are interested in bringing pending grievances, particularly those at the arbitration stage to a conclusion in a reasonable time. The parties therefor agree to meet and seriously consider methods to expedite pending grievance resolution including, but not limited to, considering grouping grievances on similar issues, mediation/arbitration procedures, appointment of special masters or permanent panels and other alternatives which the parties may agree upon.

5.4.2.1.1 Each site shall determine how to best and fully utilize its above-staffing allocation for the school year.

5.4.2.2 The parties have established the goal to work towards providing 180 minutes of prep time for elementary teachers by use of existing resources. This goal applies to each week which includes a regular teaching day. The sites may provide one or more of the following options within legal parameters and program needs. Annually, the site shall decide which option(s) will be used.

a. Early/late options

- (1) The doubling of class size reduction (CSR) and non-CSR classes during the early or late reading periods. This can be done depending on safety, facilities, and program. Reading and library skills teachers will provide the service to the doubled class. The doubling up means that each two teachers will count as one.
- (2) Doubling up of CSR classes during the middle part of the day. This can be done depending on safety, facilities, and program. Reading and library skills teachers may provide the service to the doubled class.
- (3) By student exchange where a teacher teaches another class of students in the early period, providing prep for their teacher. The teacher providing prep in the morning will receive prep in the late period by a similar exchange.
- (4) By early day prep. Where possible, all students would be on an early schedule. The time difference would be considered prep time.
- (5) By Computer Lab teachers or resource teachers, where available. Such teachers may provide the program for students and prep for their teachers.

b. Sutterville Non-Early/late Options

- (1) Doubling up of CSR classes during the day. This can be done depending on safety, facilities, and program. Reading and library skills teachers may provide the service to the doubled class. Two teachers will count as one.
- (2) By Computer Lab teachers or Computer Lab Resource teachers, where available. Such teachers may provide the program for students and prep time for their teachers.

c. For all Elementary schools

- (1) Flexible prep time for prep specialist teachers. Ordinarily, prep time is expected to be provided in approximate 45 minute segments. However, in order to facilitate scheduling, prep specialist prep time may be allocated in shorter segments when documentably necessary. In return, time on shortened days after the student day shall be considered prep time for prep specialists.
- (2) The prep specialist teaching prep day is understood to be the same as all other grade 1-6 teachers at the site.

- (3) In those schools where additional minutes are available within a preparation specialist's instructional day, those minutes are to be used to provide additional minutes of preparation time on a regular or intermittent basis to qualifying teachers. The available minutes are to be distributed as equitably as possible among the qualifying teachers. It needs to be reiterated that it is not appropriate for a preparation specialist's time to be assigned to other programatic uses outside of the elementary preparation program at a site even though it is acknowledged that there are many such needs.
 - d. By the purchase of extra FTE prep teachers beyond the contract allocation.
 - e. By use of banked time.
 - f. The site may add additional options with the approval of the parties.
 - g. Doubling of CSR classes is not considered a class size violation.

 - c. Banked inservice prep time. During each of the 328 minute staff development days, all elementary teachers will receive 45 minutes of prep time.
 - (1) Prep time received during staff development days will be considered as banked time to be used during incomplete school weeks with holidays, or during shortened and/or early days when normally scheduled prep cannot be provided.
 - (2) Staff development days must comply with legal requirements and must not exceed the teacher's regular day.
 - d. Rescheduling of prep time. This can include rotation of regular prep periods during the school year.

- 5.4.6 Teachers shall not be required to assume other duties or responsibilities during preparation time without their consent, except under emergency circumstances to provide for the supervision and/or protection of students. - 6.2.2 The superintendent delegates to members of the executive staff the responsibility for reviewing the evaluations of personnel under their jurisdiction and implements orderly procedures by which appellant members may be heard.
- 6.2.3 The responsibility for the formal evaluation of bargaining unit members assigned to a specific school or other administrative unit rests with the principal and/or administrator in charge. Such evaluation is to be based upon observation and/or review of the employee's work as specified in the unit member's specification. Observation is to be spaced over a sufficient period of time for adequate sampling of the employee's performance.
 - 6.2.3.1 Other data which may be included in evaluation shall be mutually agreed to in writing by the evaluatee and the evaluator.

The evaluator shall not base evaluation of a certificated employee on any information which was not collected through the established process. Hearsay or anonymous statements shall be excluded from written evaluations.

6.3 **Evaluation Procedures**

- 6.3.1 Frequency of evaluation: Evaluation of bargaining unit members shall be conducted on a continuing basis, at least once each school year for all personnel classified as probationary or temporary, or at least every other year for all those who have achieved permanent status, unless they have been surplusd or have transferred, in which case they may be evaluated in the first year of their new assignment or at least every five (5) years for those certificated employees qualifying for AB 954 as identified below in 6.3.1(a). Permanent personnel whose social security numbers end with an even number are to be evaluated in school years which end in even numbered years; those whose social security numbers end with an odd number are to be evaluated in school years which end in odd numbered years. Personnel reassigned from one classification to another shall be evaluated at least once each school year for the first three (3) years of service in the new classification, and at least every other year thereafter. An employee who has been evaluated and whose summary rating indicates that performance needs improvement or is unacceptable must be evaluated again the following year.

(a) Recognition of Teacher Meeting or Exceeding Standards

AB 954 allows for the evaluation and assessment of the performance of each certificated employee...at least every five (5) years for personnel with permanent status who have been employed at least ten (10) years with the school district, are highly qualified, as defined in 20 U.S.C. Sec. 7801, and whose previous evaluation rated the employee as meeting or exceeding standards if the evaluator and certificated employee being evaluated agree. The certificated employee or the evaluator may withdraw consent at any time.

Eligibility criteria for AB 954: the teacher is a permanent employee with ten (10) years experience with the district and met or exceeded standards in the previous evaluation. The Highly Qualified Teacher (HQT) criteria will be considered only when applicable to the bargaining unit member's current assignment. There must be agreement between the principal and employee.

The Parties agree that the five (5) year cycle of AB 954 shall be available for teachers scheduled to be evaluated in 2004-2005 and meet the above-cited criteria. Those teachers will not be evaluated for 2004-2005 if they meet the above-cited criteria and the evaluator and certificated employee agree.

6.3.1.1 Should an administrator determine that a need exists to evaluate a teacher during a non-designated year, said administrator shall notify the teacher of the proposed evaluation. Such notification shall be in writing stating reason(s) for such decision. However, all provisions of this Article shall apply to the evaluation.

6.3.2 During the course of the evaluation period, mitigating circumstances may arise which require modification of the process. Such modification shall be determined jointly by the evaluatee and the evaluator. The determination of new evaluation processes shall be arrived at in accordance with this policy.

6.3.2.1 If the mitigating circumstances consist of a change of the principal or administrator in charge following the pre-evaluation conference, but prior to February 10th, the evaluation process may be completed, at the District's option, by one of the following methods (the methods listed in this provision apply to all certificated staff): (1) the prior evaluator shall complete the process; (2) the new evaluator and the evaluatee shall meet and share all written data compiled by the prior evaluator and reach agreement to continue the evaluation process; or (3) the new evaluator and the evaluatee may, by mutual agreement, commence a new evaluation process by extension of evaluation times subject to section 6.3.3.1. If a principal or administrator in charge is changed following February 10, the evaluation shall be completed by the original evaluator or by a process agreed to by the evaluatee.

6.3.3 **Evaluation Conferences, Forms, and Channels**

6.3.3.1 Appropriate assessment techniques and other responsibilities applicable to the evaluation shall be determined by the evaluatee and the evaluator in conference not later than November 1 of each year. In the event illness or other absence of any of the parties involved prevents holding such conference by November 1, the date shall be extended until at least one (1) week following return from such absence. Further, if other unforeseen difficulties arise, the November 1 date may be extended by mutual agreement of the parties. Extensions beyond January 1 are subject to the approval of the superintendent, or his/her designee. The final evaluation may be extended for the same reasons and under the same conditions but not later than May 1.

(a) The parties have agreed to replace the former teacher evaluation (reference number 40-07112) derived from the "Classification Specification for the Teacher," revision date 03-15-73 with the Standards-based Evaluation Instrument and Evaluation Process (reference number PSL-F107).

1. **Option 1:** Used for all teachers in probationary and temporary status on an annual basis and every other year when in permanent status. The evaluation instrument reflects the six (6) areas of the California Standards of the Teaching Profession and utilizes criteria that are observable, measurable, and applicable in all segments, kindergarten through adult education. (Applicable to those teachers formerly evaluated on the "Classroom Teacher" evaluation instrument.)

Observations for Option 1: There shall be two (2) formal observations for permanent teachers and three (3) or more for probationary and temporary teachers.

2. **Option 2:** Serves as an alternative assessment for teachers wishing to choose the substance of the evaluation criteria for personal professional growth. The HQT criteria will be considered only when applicable to the bargaining unit member's current assignment. This formative assessment must be focused on student achievement and relate to student learning and instructional strategies.

Eligibility Criteria for Option 2: Qualifying teachers must have five (5) years experience teaching in the district and two (2) consecutive formal evaluations with all performance areas marked as Consistent with Performance Standards or Exceeds Performance Standards. If referring to the previously used evaluation instruments (those used prior to the 2004-2005 school year), all performance standards are rated as 1's and 2's.

Expectations for Option 2: The teacher will complete a self-selected project that demonstrates professional growth.

3. **Option AB 954:** Allows for the evaluation and assessment of the performance of each certificated employee...at least every five (5) years for personnel with permanent status who have been employed at least ten (10) years with the school district, are highly qualified, as defined in 20 U.S.C. Sec. 7801, and whose previous evaluation rated the employee as meeting or exceeding standards if the evaluator and certificated employee being evaluated agree. The certificated employee or the evaluator may withdraw consent at any time.

Eligibility criteria for AB 954: The teacher is a permanent employee with ten (10) years experience with the district and met or exceeded standards in the previous evaluation. The HQT criteria will be considered only when applicable to the bargaining unit member's current assignment. There must be agreement between the principal and employee.

- 6.3.3.2 A certificated employee shall be responsible for all aspects of the educational program for which the employee is reasonably accountable.
- 6.3.3.3 The use of publishers norms established by standardized tests is inappropriate in the evaluation and/or assessment of certificated employees and shall not be used.
- 6.3.3.4 If any deficiency of performance is noted during an observation, the evaluator shall within six (6) working days make specific written recommendations to the evaluatee that shall aid the evaluatee in remediating the deficiency. The written recommendations shall become a part of the evaluation data.
- 6.3.3.5 The certificated employee's evaluator shall assist in correction of any cited deficiencies. Such action shall include specific, objective, written recommendations for improvement as well as assistance in meeting such recommendations.

- 6.4.1 Preceding the date for submitting the required evaluation report, the evaluator shall meet with each employee subject to evaluation, in conference, at which time the quality of the employee's work shall be discussed, including specific, job-related suggestions for performance improvement. The evaluation criteria and the formal, written report shall be the basis of the discussion.

- 6.4.2 A certificated employee shall have the right to initiate written reaction or response to his/her evaluation. Such written response shall become a permanent attachment to the appropriately executed evaluation instrument.

6.5 Evaluation Reports

- 6.5.1 Evaluation reports of members of the bargaining unit who are subject to evaluation as specified in this section shall be completed and submitted to the designated reviewing official not later than April 1. For those bargaining unit members referenced in 6.3.3.1 (a) whose performance is less than satisfactory the evaluator shall notify the employee, in writing, of such deficiency, and at the same time describe said inadequacy in detail with written prescription for remediation for teachers not meeting Performance Standards in any area. The evaluator shall assist the evaluatee in implementing the prescribed remediation within a reasonable time period prior to completion and submission of the evaluation report and the recommendation for retention or dismissal.

- 6.5.2 Except as provided in 6.3.2 and 6.3.3.1, failure to meet the April 1 deadline shall negate the administrator's evaluation of the teacher at that school site.

- 6.6.1 The committee shall be composed of two (2) members appointed by the exclusive representative and two (2) appointed by the superintendent or designee. 6.7 Teacher Improvement Plans

- 6.7.1 For those teachers referenced in 6.3.3.1 (a) whose previous summary rating reflects less than a 3, a written plan for improvement shall be developed in concert between the teacher and the evaluator. Such plan should be based on Sections 6.3.3.4, 6.3.3.5, and 6.3.3.6 of this Article.

- 6.7.2 After a reasonable period of time, but not more than twenty (20) working days after the plan is initiated, the administrator in charge, or administrative designee, shall observe the teacher in various teaching situations. The administrator designee, shall counsel with the evaluatee on observed progress and shall make known in writing to the evaluatee progress observed and improvements still to be achieved.

- 6.7.6 For those teachers referenced in 6.3.1(a), if the fourth (4th) column from the teacher performance areas is checked, the evaluator must indicate what areas do not meet performance standards. - 9.3.7.4 Upon the termination of such leave of absence, the employee shall be entitled to regular sick leave benefits provided that if the employee continues to receive temporary disability indemnity, he/she may elect to take only as much of accumulated sick leave which, when added to temporary disability indemnity, will result in a payment of not more than full salary. In such cases, for each day of absence the employee's accumulated sick leave credits shall be reduced only by the amount necessary to provide a full day's wage or salary when added to temporary disability benefits.
- 9.3.7.5 During any paid leave of absence, the District shall issue the employee appropriate warrants for the payment of not more than full salary and shall deduct normal retirement and other authorized contributions.
- 9.3.7.6 Should any absence occur which is later identified as an industrial accident illness, any sick leave days used in connection with said illness or accident shall be fully reinstated.
- 9.3.7.7 As of July 1, 1978, the District will implement a self-insured workers' compensation program and become a legally uninsured public entity.
- 9.3.7.8 Compensation benefits under the self-insured program will be no less than those currently covered under the State Compensation Insurance Fund.
- 9.3.7.9 Annually, as soon as feasible after December 31, the workers' compensation reserve will be reviewed by the administration, with the participation of the exclusive representative of the teacher's bargaining unit, to ascertain that there are sufficient funds to pay all known workers' compensation losses and that such funds shall be fully reserved. Sufficient funds (75% of the amount of known losses as of July 1, annually) shall also be reserved for the incurred, but not reported, losses. This total reserve shall be restricted.
- 9.3.7.10 The District will establish a loss control committee consisting of equal representation from District management and the teachers' bargaining unit to function as a consultation committee regarding the loss control program of the District as relates to the safety of all District Employees. - 9.3.10.2 Short-term personal leaves shall be granted only in cases where it can be demonstrated the need for such absence cannot be fulfilled outside of regular duty hours.
- 9.3.10.3 Short-term personal leaves must have the recommendation of the employee's principal or other administrator in charge who shall verify that the absence will not seriously affect the program.
- 9.3.10.4 Short-term personal leaves shall not be granted for any of the following reasons: (a) to engage in outside remunerative business or employment; (b) to attend or participate in functions or activities which are solely for the employee's pleasure or amusement; (c) to extend holiday or vacation periods for personal convenience or pleasure except if agreed to by the site administrator that such leave will not be detrimental to the program; (d) to accompany a spouse on a trip when such travel is not otherwise authorized by these rules except if agreed to by the site administrator that such leave will not be detrimental to the program; (e) to engage in work stoppage.

9.3.11 **Quarantine Leave**

A member of the bargaining unit, except those employees on an hourly basis, absent from work due to quarantine enforced by public health authorities but who is not personally sick during such quarantine period shall be granted leave with full pay, and such absence shall not be charged against accumulated or current sick leave credit. However, if such employee is personally sick and is also under medical quarantine, such days of absence shall be counted against accumulated and current sick leave earnings credited to such employee. - 9.4.3 Members of the bargaining unit granted long-term leaves of absence must give written notice no less than thirty (30) days before the expiration date of the leave regarding whether or not they intend to return.

9.4.8 **Parental Leave**

9.4.8.1 Parental leave is available to members of the bargaining unit except those employed on an hourly basis. Parental leave guarantees continued employment status without pay, except for the sick leave benefits described below. In addition to childbearing, infant care duties subsequent to childbirth and adoption constitute valid reasons for taking a leave under these procedures. While on parental leave, the employee's position shall be held for him/her subject only to regulations involving transfers because of surplus positions or reduction in force.

9.4.8.2 Within fifteen (15) days prior to the date the parental leave is desired, the employee shall file in the Personnel Services Office an application form which shall specify the beginning and ending dates of requested leave. If the requested leave is for pregnancy, the application form shall be accompanied by a written statement by the employee's physician specifying: 1) The expected date of birth, 2) the length of time the physician believes she can continue working without endangering her own health and safety, and 3) the approximate length of time the physician believes she will be incapacitated related to the birth.

9.4.8.4 During the parental leave, any illness for which accumulated sick leave could be used under District rules and regulations will be paid upon proper application and certification by a physician.

9.4.8.5 In case of terminated pregnancy, an employee on parental leave may return to service if a position for which she is qualified is open, and upon the written statement of a physician that such employee is physically able to perform normal duties. Such a leave shall be granted for one (1) school year, with the provision that it will be extended for a second year if the employee continues in such service. Wherever possible, the employee will be transferred to an unassigned status upon commencement of the leave. Year-for-year salary schedule credit will be granted if the experience is properly verified to be primarily in a job classification similar to that to which the employee returns.

9.4.10.2 The provisions of Section 44967 of the Education Code shall govern leaves of absence for employees elected to the legislature.

9.5 **Sabbatical Leave**

9.5.1 Sabbatical leave may be granted by the Board of Education upon the recommendation of the superintendent for the purposes of advanced study. In order to qualify, a member of the bargaining unit, except one (1) employed on an hourly basis, must have served in this District successfully for no less than seven (7) consecutive years. Leaves of any extended nature granted by the Board of Education, other than sabbatical leaves, shall not be considered a break in continuity of service in the determination of eligibility for subsequent sabbatical leaves.

9.5.2 Sabbatical leaves shall be granted for not less than a full school semester nor longer than a full school year. Two (2) such leaves of one (1) semester each may be taken in separate periods, provided both are commenced and completed within a three-year period. In such cases, service intervening between the two (2) periods shall comprise a part of the service required for a subsequent sabbatical leave.

9.5.3 No sabbatical leave may commence during a semester, and return from such leave must always coincide with the beginning of a semester.

9.5.4 The application for a sabbatical leave shall be filed with the assistant superintendent, Personnel Services Office, on forms provided for this purpose. The application shall include the following:

9.5.4.1 A statement of the length and purposes of the leave and a description of the applicant's plans for fulfilling these purposes;

9.5.4.2 A statement which outlines the manner in which the applicant believes the leave will result in benefit to the students of the District;

9.5.4.3 The applicant's plans for District service upon return from leave;

9.5.4.4 If for travel, the itinerary and expected outcome;

- 9.5.4.5 If for the purpose of independent study or research, a certification by a member of the faculty of an accredited four-year college or university that the work contemplated is equivalent in effort and content to twelve (12) upper division or eight (8) graduate semester units per semester.
- 9.5.5 If the applicant is qualified and the application fulfills the requirements listed above, the assistant superintendent, Personnel Services Office, shall submit it to the District's Certificated Professional Improvement Committee, which is responsible for ranking applications received on the basis of the following criteria:
- a. Contribution to the needs of the students and schools of the District (preferential consideration shall be given to those who wish to pursue formal programs of advanced study);
 - b. Likelihood of continued service beyond the minimum of two (2) years;
 - c. Length of service to the District;
 - d. History of leaves granted to the applicant.
- 9.5.6 No sabbatical leaves shall be granted to applicants whose overall evaluation is below standards.
- 9.5.7 Based upon the ranking described in 9.5.5, and the limitations outlined in paragraphs 9.5.6 and 9.5.8, the assistant superintendent, Personnel Services Office, shall present the names of the successful applicants to the superintendent for his/her approval and recommendation to the Board of Education. If any applicant granted a leave by the Board later cancels it, the next ranking applicant shall be recommended.
- 9.5.8 Not more than one percent (1%) of the total certificated staff shall be on sabbatical leave at any one time.
- 9.5.9 Following the granting of a sabbatical leave by the Board, a contract of agreement shall be completed, giving all essential details such as effective beginning and terminating dates, number of semester units of credit to be earned or other purposes to be fulfilled, name of institution where work is to be done, if any, salary and method of payment, agreement to serve the District upon return for a period which is equal to twice the period of the leave, agreement to notify the District of intentions regarding returning not later than thirty (30) days prior to termination of the leave, agreement to submit required reports upon return as required herein, and agreement to refund sabbatical salary as prescribed herein if conditions of the leave are not fulfilled. The signing of such a contract shall be in lieu of furnishing a bond.
- 9.5.10 Payment of salary while on sabbatical leave shall be made at the end of each calendar month while the leave is in effect, less any mandatory or employee-authorized deductions. Persons compensated on the "delayed" payment plan shall continue to be paid on such plan while on leave. If illness, injury, or death prevents fulfillment of the leave by the employee, the proportionate part of the salary not earned shall be returned in the same manner as in the case of an employee on full-time service. If an employee does not serve the District after return for a period which is equal to twice the period of the leave, he/she shall refund to the District an amount which bears the same proportion to the total compensation received while on leave as the amount of time which was not served bears to the total amount of time agreed upon.
- 9.5.10.1 Members of the bargaining unit who are granted sabbatical leaves will receive the difference between their contract salaries and the amount specified for Class C, Step 2.
- 9.5.10.2 District contributions for all fringe benefits shall continue for the duration of such leave at the same level as for all members on paid-leave status.
- 9.5.10.3 After the initial approval of an application for sabbatical leave, the Personnel Services Office shall provide full information regarding the compensation which will be paid to the applicant while on leave.
- 9.5.10.4 The applicant shall have five (5) working days upon receipt of such financial information to inform the Personnel Services Office of intent to accept or refuse the leave before final approval of the Board is obtained.
- 9.5.10.5 Refusal to accept such leave shall not be the basis of denial of subsequent applications submitted by the employee for sabbatical leaves.

- 9.5.11 Time spent on sabbatical leave shall count toward earned salary increments in the same manner as regular service. Any special grants or salary increases allowed all regularly certificated staff members while an employee is on sabbatical leave shall be allowed such employee upon return.
- 9.5.12 At the expiration of the sabbatical leave the employee, unless agreed otherwise, or unless the particular position shall have been eliminated, shall be reinstated in the position held at the time such sabbatical leave was entered upon.
- 9.5.13 Upon return from sabbatical leave, the employee shall file with the assistant superintendent, Personnel Services Office, verification of fulfillment of the purposes of the leave, as follows:
- 9.5.13.1 Transcripts showing completion of twelve (12) upper division or eight (8) graduate semester units of credit earned per semester at accredited four-year colleges or universities, if the purpose of the leave was for study at such institutions.
- 9.5.13.2 A letter of certification by a member of the faculty of an accredited four-year college or university describing the nature of the work completed and verifying that it was equivalent in effort and content to the units in 9.5.13.1 above, if the leave was for independent study or research.
- 9.5.13.3 A typed report of not less than 1500 words describing activities and benefits derived while on leave, if the leave was for travel.
- 9.5.13.4 The superintendent's designee may verify that the purposes of the leave were fulfilled or, if in doubt, shall refer the verification received to the District Certificated Professional Improvement Committee for a recommendation. If it is concluded that the purposes were not fulfilled, the employee may appeal to the Certificated Professional Improvement Committee by appearing before it in person. If the appeal is not sustained, the employee shall reimburse the District for the salary received while on leave or such part thereof as the committee may recommend, subject to review and approval by the superintendent.
- 9.5.14 If an employee on sabbatical leave suffers serious illness or injury which a qualified physician attests would prevent fulfillment of the purposes of the leave, he/she shall notify the District of this fact immediately. If the leave must be abandoned, the employee may return to District service as soon as a position for which he/she is qualified becomes available, and repayment of sabbatical salary shall be made as described herein. If the employee desires and a physician so recommends, the employee shall be granted a health leave of absence for the length of time recommended by the physician. At the conclusion of the health leave of absence, the employee may continue the sabbatical leave or return to service.
- 9.5.15 There shall be no restrictions placed upon the activities of an employee while on sabbatical leave so long as the purposes of the leave are fulfilled. Time spent on sabbatical leave shall count as regular District service in the determination of seniority, accumulation of sick leave credits, and eligibility for other fringe benefits.
- 9.5.16 In all matters not included in these regulations, the California Education Code shall govern sabbatical leave for this District, and all amendments to such code shall automatically affect these rules and regulations.

9.6 Sick Leave

9.6.1 Employee Illness

- 9.6.1.1 Ten (10) days of sick leave at full pay shall be accrued to each member of the bargaining unit annually for personal illness or injury at any time during a school year except that persons employed under contract in extended-year programs shall earn sick leave at the rate of one (1) day for each full calendar month of service. A full month of service shall be defined as no less than 75 percent (75%) of the required working days of any calendar month for an employee.
- a. The District will continue to give full force and effect to the sick leave entitlement set forth in Article 9 of the collective bargaining agreement between the Parties, although the internal reporting and accrual of such time will be described, calculated and maintained only in "hours" instead of "days."
- b. The accrual of sick leave in "hours" will be converted to "days" when reported to STRS, if required by STRS.

- c. The District's internal conversion of sick leave reporting and accrual from "days" to "hours" does not adversely affect the sick leave reporting or accrual of any SCTA unit member. For example, the standard for one-half day sick leave for a six-hour employee will continue to be three hours, even though the actual time of the sick leave could be slightly more or less than three hours, depending on the employee's schedule.
 - d. SCTA unit members shall be able to continue to utilize sick leave in one hour increments.
 - e. Schools and departments can continue to utilize local practices to cover for employees without sick leave deduction(s) who are absent short durations of time.
- 9.6.1.2 Sick leave up to the maximum earnable within any given school year need not be earned by an employee before it is used.
- 9.6.1.3 In case any regular employee resigns or otherwise leaves the service of the school District, after having used more sick leave days than may have been earned for any current year at the rate of one (1) day per calendar month, as defined above, plus any prior year accumulations, a deduction shall be made in the salary or wages which may be due for each day of sick leave used and not earned. In case no salary or wages are still due at time of termination of service, the employee shall be properly billed for repayment to the District of pay received for unearned sick leave days that have been used.
- 9.6.1.4 Any unused portion of sick leave shall be accumulated without limit.
- 9.6.1.5 A member of the bargaining unit, while on unpaid leave of absence granted by the Board of Education, shall maintain any sick leave credits which were accumulated prior to such leave but shall not accumulate any additional sick leave credit during the period of such leave.
- 9.6.1.6 In case an employee severs official connection with the District and is reemployed at a later date, all unused sick leave credits on file at the close of the prior employment period shall be reinstated provided, however, that reemployment must occur within thirty-nine (39) months after the date ending the prior employment if such sick leave credits are to be reinstated.
- 9.6.1.7 For personal illness absence of any member of the bargaining unit exceeding ten (10) consecutive workdays, a physician's statement verifying the illness shall be provided by the employee in addition to the regular monthly absence report. For extended illness absence, a physician's written statement relative to necessity for continued absence is required. This requirement may be waived by the assistant superintendent, Personnel Services Office, on his own volition or upon the recommendation of the employee's immediate supervisor.
- 9.6.1.8 Nothing shall be deemed to prevent the superintendent or designee from requiring a doctor's verification as to the employee's claimed illness in any situation in which there is reasonable cause to believe that no valid grounds exist for the employee's claim of sick leave. If any employee's immediate supervisor has reasonable cause to believe that an employee has abused sick leave privileges, the supervisor shall confer with the employee giving every opportunity to establish that illness had occurred. Following such conference, if the administrative supervisor feels that sick leave privileges have been abused, such reasons shall be communicated to the employee in writing before a doctor's verification may be required.
- 9.6.1.9 After all earned sick leave days at full pay are used and illness absence continues, a member of the bargaining unit, except one employed on an hourly basis, shall receive the difference between contract daily rate and the amount paid a day-to-day substitute at the current minimum substitute rate for a period not to exceed 100 required service days. The 100 required service days period is exclusive of the earned sick leave days at full pay.
- 9.6.1.10 Absences for reasons of health for less than three (3) months are considered day-to-day illness absences, and replacement personnel, when authorized, are employed on a day-to-day substitute basis. When it is anticipated that absences related to health will extend for a period of from three (3) months to a full year, a regular employee of the District shall contact the Personnel Services Office to arrange for a formal, Board-granted health leave of absence. Such leaves may be extended beyond one year at the discretion of the Board. Since formal, Board-granted health leaves of absence are for specified periods of time, authorized replacement personnel, whenever possible, will be employed on a long-term substitute contractual basis. Health leaves of absence will be granted only upon the written recommendation of a physician and shall be subject to the approval of the

superintendent. A physician's written statement that the employee is capable of resuming a full-time service is also necessary upon return. All benefits and provisions related to personal illness absence as described in these regulations are applicable both to day-to-day illness absences and to formal health leaves of absence.

9.6.1.11 Nothing contained in these sick leave regulations shall be deemed in conflict with the provisions of the Workers' Compensation Insurance and Safety Laws.

9.6.1.12 All members of the bargaining unit compensated on an hourly basis shall earn one (1) hour of sick leave credit for each eighteen (18) hours of per session or Adult Education Hourly service. Personnel who are employed on a regular contract basis may not use such sick leave credits for any purpose other than for absences from per session service; however, if a per session employee is assigned contract status, the per session sick leave credits so accumulated shall be available for his/her use as a contract employee.

9.6.2 **Use of Sick Leave for Compelling Personal Importance**

9.6.2.1 Sick leave, not to exceed nine (9) days per year may, at the employee's election, be used for any of the following reasons of compelling importance. Prior approval shall not be required except to give as much notice as possible to the employee's principal or other administrator in charge so that a substitute may be obtained.

9.6.2.1.1 Death, accident, or illness involving the employee's immediate family, other relatives, or close friends; accident involving the employee's personal property or the personal property of the immediate family, other relatives, or close friends. These days are in addition to those provided for bereavement, imminent death, or emergency.

9.6.2.1.2 Inability to get to the employee's assigned place of duty because of circumstances beyond control. Not less than one-half (1/2) day of leave may be used for this purpose except that not less than one (1) full day of leave may be used for this purpose in those instances where prior notification is not given.

9.6.2.1.3 Appearance in any court or before any administrative tribunal as a litigant, party or witness under subpoena or any order made with jurisdiction, except when acting as an agent for the District.

9.6.2.1.4 To attend religious observances or weddings, ceremonies, or traditional observances honoring the employee or members of the employee's immediate family.

9.6.2.1.5 To attend to legal or business matters which are of compelling personal importance.

9.6.2.1.6 To take examinations related to advanced training which cannot be scheduled during off-duty hours (in such cases the employee shall attach to the employee's absence report satisfactory written evidence of the requirement).

9.6.2.2 The following are not considered reasons of compelling personal importance: attendance at or participation in functions which are primarily for the employee's amusement, pleasure, personal convenience; the extension of holidays or vacation periods; accompanying a spouse on a trip when such travel is not otherwise authorized by these rules; seeking or engaging in other employment; engaging in a strike demonstration, picketing, lobbying, rally, march, campaign meeting, or any other activities relating to work stoppage or political campaigning.

9.6.2.3 The employee's election to use sick leave credits for any of the purposes allowable shall be indicated on the Employee Absence Report form which shall be attached to the payroll section's copy of the Monthly Absence Report. The employee shall check on the Employee Absence Report form the reason(s) for use of sick leave credits for reasons of compelling personal importance.

9.7 Those employed on an hourly basis for at least one semester for not less than ten (10) hours per week, and personnel under contract with the District, excluding summer-session per session personnel, shall enjoy the following leave provisions:

9.7.1 **Bereavement Leave**

9.7.1.1 Hourly employees shall be entitled to bereavement leave with pay from all assignments during a four (4) day period for each event of death in the immediate family as defined in 9.3.3.1. If out-of-state travel, or travel in excess of 250 miles is required, the bereavement leave period will span five (5) days beginning with one (1) day after death.

9.7.2 **Emergency Leave**

9.7.2.1 An emergency absence shall be granted with full pay for sudden or unexpected illness or injury of a member of the immediate family, or in case of necessary surgery for a member of the immediate family.

9.7.2.2 The extent of emergency absence granted under this provision shall be no less than one (1) hour of assignment, or more than the hourly assignments for three (3) consecutive workdays during any one (1) school year and such leave is non-accumulative.

9.7.2.3 Necessary emergency absence, as per these regulations, shall be reported as soon as possible on the Employee Absence Report form. The employee shall explain the reason for the emergency on the reverse side of the form.

9.7.3 **Imminent Death Leave**

9.7.3.1 Three (3) days at full pay shall be granted to per session employees as defined in Section 7 of this Article, in case of a serious illness or accident with death imminent, of each and every member of the immediate family. In the event that death does not occur, the necessity for this type of absence shall be verified by a written and signed statement of the attending physician, specifically stating that death was imminent. The immediate family is defined in 9.3.3.1 above.

9.7.3.2 A maximum of two (2) consecutive workdays leave of absence without pay, in addition to each leave for imminent death as defined in the above paragraph, provided the days are necessary for travel or the settlement of legal and/or family problems in connection with such leaves. The employee has the option to avoid salary loss by using such leave in those instances where it is a matter of compelling personal importance.

9.7.4 **Jury Duty Leave**

A member of the bargaining unit employed on an hourly basis shall be granted leave for serving on a jury on a case before a court of law. The District shall remunerate the difference between regular earnings and the jury duty pay.

ARTICLE 10 - PERSONNEL FILES

- 10.1** In accordance with Section 44031(a) of the Education Code, materials in files or materials to be placed in the files of employees which may serve as a basis for affecting the status of their employment are to be made available for the inspection of the employee involved provided that the request is made for a time when such person is not actually required to render service to the employing District. Except for logical documentable reasons, such requested reviews shall be honored within a reasonable time.
- 10.2** Derogatory material which comes to the attention of the administration and which might be placed in the employee's personnel file shall not be placed in the file until after the administration has made every effort to validate subject material. If such material is to be placed in the file, it shall be presented to the employee no later than thirty (30) days from the administration's awareness of the act, provided such act took place within the preceding twelve (12) months. Validation will include consulting with the employee.
- 10.2.1** Documents of a derogatory, critical, and/or negative nature from whatever source shall not be filed for fourteen calendar days so that the employee shall have been given notice and an opportunity to review the material and comment thereon. The employee's comment shall be attached to the original document. Such review of this material shall take place during normal business hours, and the employee shall be released from duty for this purpose without salary reduction.  - 12.3.1.2 Persons who have reached the maximums of their salary classes, when obtaining the requirements for a higher class, shall be moved over to the new class and be placed on the step which corresponds to their years of credited service.
- 12.3.2 Upon employment, experience credit is granted on the basis of one (1) step for each year of properly verified comparable experience with limitations set forth in Sections 12.2.1 through 12.2.3.3 of this Article. A year of experience must represent no less than seventy-five per cent (75%) of the days of required full-time service, although full semesters will be added together, even if in separate school years, in computing years of service. Credit for part-time experience will be computed by converting to full-time experience; e.g., two (2) years of half-time experience equal one (1) step of experience credit. Comparable experience includes previous teaching experience, Peace Corps service, VISTA service, preschool experience, or other exceptional professional assignments.
- 12.3.3 Upon application to the assistant superintendent, Personnel Services Office, at the time of initial employment, prior non-certificated paid experience closely allied to the local certificated assignment, when fully verified, will be evaluated on the basis of one (1) step for each two (2) years of such acceptable experience within the past ten (10) years with a maximum placement on Step 4. Such credit, when added to any prior certificated experience credit, cannot result in placement higher than that indicated in Sections 12.2 through 12.2.3.3 of this Article.
- 12.3.4 Upon reemployment, prior experience credit is not reevaluated for a teacher returning to the service of the District within ten (10) years after termination, but verified experience gained during the interim will be evaluated. Such personnel are returned to their place on the schedule in effect when they terminated, and then all schedule changes which occurred during their absence and any interim experience credit are applied to determine their placement on the present schedule.
- 12.3.5 Employees new to the District have a maximum of ninety (90) days from their first day of required service in which to file verifications of comparable or allied experience. After ninety days, verification can be filed without retroactive credit.
- 12.3.6 A year of teaching service in the District is earned for salary schedule step placement if an employee is paid for seventy-five percent (75%) or more of the school year, including time spent on sabbatical leave of absence, or if the employee is participating in the early retirement incentive plan as set forth in P-3604 of the Board's Policies and Bylaws, as adopted on July 10, 1978.

- 12.3.6.1 Initial placement on the salary schedule for newly hired employees shall include cumulative semesters, where service has been for at least 75% of each semester, rounded to the nearest full year.

Credits will be accepted only if they are earned in a four-year college or university accredited by a regional accrediting Association, if they are accepted by the Commission for Teacher Preparation and Licensing for credentialing purposes, or if they are reported on appropriate forms as outlined in connection with the District's Professional Improvement Program. Training classification shall be determined twice annually on July 1 and February 1, except that July 1st class changes shall not be used in determining summer school per session rates of pay for that year.
 - 12.4.1.1 Excess units are defined as those units earned in excess of the minimum requirement for the degree in the institution where the degree was granted, and may have been earned before or after the awarding of the degree.

Approval forms for four-year college or university courses must be completed and filed with the Personnel Services Office. Approval forms for inservice courses offered by the Staff Training Services Department must be filed with that department. Approvals denied by the principals may be appealed to the assistant superintendent, Personnel Services Office.

 - 12.4.2.2 The teacher may appeal the site administrator's disapproval to the assistant superintendent, Personnel Services Office, or, in his/her absence, the appropriate area assistant superintendent. Such appeal must be in writing and must be received in the appropriate assistant superintendent's office no later than ten (10) days after the date of the site administrator's disapproval.

Employees on regular and temporary contracts may elect either to have payment made in either twelve (12) equal installments beginning on September 30 and continuing through August 31, or ten (10) equal installments beginning on September 30 and continuing through June 30, except for those incumbents on the advanced pay plan, who may have payment made in twelve (12) equal installments beginning on July 31 and continuing through June 30. Requests for changes in preferred pay plan must be submitted in writing to the Personnel Services Office no later than May 15 preceding the school year in which the change is to take place.

12.6 Computations

- 12.6.1 If regular contract employment is begun after the first day of required service, the annual salary is computed by multiplying the contract daily rate for the individual's step and class placement times the number of days between and including the first and last days of required service. The monthly salary is then computed by dividing the annual salary by the number of months remaining through June or August, depending upon the pay plan elected. The contract daily rate is computed by dividing the schedule salary by the number of required days between and including the first and last days of required service in the school year. If regular contract employment is begun on the first day of the second semester, the contract amount shall be not less than half the annual schedule salary.
- 12.6.2 When an employee is reassigned from a position of psychologist, program specialist, or school social worker, to a position compensated on the Teachers' Salary Schedule, placement shall be in the class on the teachers' schedule to which he/she is entitled by virtue of training, provided that his/her step placement in the class on the teachers' schedule shall be that which is closest to but not less than the daily rate presently received; except that such rate cannot exceed the maximum rate of the assigned class.
- 12.6.3 When an employee is reassigned from a position compensated on the salary schedule for certificated Nonmanagement Children's Center personnel to a position compensated on the Teachers' Salary Schedule, he/she shall be moved to the training classification for which he/she qualifies at the same step, except that he/she shall be allowed one (1) step increment if the requirements of an annual earned increment have been met, and placement is not already at maximum for the class.

12.7 Per Session Compensation

- 12.7.2** Members of the unit employed in summer school or part-time adult shall be paid at the appropriate per session rate of pay.
- 12.7.2.1 The per session rates for K-12 summer school shall be 1/1080 of Class B, Step 4. Such index shall be incorporated into the Sacramento Agreement and shall pertain only to K-12 summer school, effective the summer of 1986-87.
- 12.7.2.2 Adult Education Teachers paid on hourly Adult Education Teachers' Salary Schedule (Appendix B-5) shall be paid the hourly amount per Class H-2, Step 7 for summer school work.
- 12.7.3** In any fiscal year a non-contract employee who has completed 810 hours of per session service with the Sacramento City Unified School District shall be entitled to an earned increment for the following year. However, if less than 810 hours are worked during a fiscal year, all of such hours shall be accumulated and carried forward to the next fiscal year.
- 12.7.3.1 When accumulated hours equal 1,050 during the year earned increment is granted, the hours worked beyond 1,050 shall be credited toward the next step increment; provided that no employee shall be eligible for more than one (1) earned step increment during any fiscal year.
- 12.7.3.2 Earned increments shall be granted only on July 1 of each fiscal year. No distinction shall be made as to the manner in which per session hours are accumulated, i.e., from adult education, summer session, home teaching, etc.; provided, that per session hours shall have no effect upon step increments granted to contract employees.
- 12.7.4 All certificated personnel who voluntarily perform duties authorized by the Personnel Services Office which are beyond their normal service day shall be paid at their per session rates of pay, except for assignments and meetings as set forth in Article 5, Sections 5.9 through 5.10.7, and Sections 12.8.4 through 12.9.8 of this Article.

12.9.3 It is understood by the parties that all high school, junior high school, and middle school coaching positions on the extra duty schedule are assigned by mutual agreement of the principal and the teacher involved. If the teacher wishes to withdraw from an extra duty coaching position, or if the principal wishes to withdraw the extra duty assignment from the person presently holding that position, each party must notify the other in writing no later than December 1 of any school year for spring sports for that school year, and no later than June 1 of any school year to be effective at the beginning of the subsequent school year.

- a. Teachers who are declared surplus after the June 1 date and who have already agreed to a coaching assignment at their school for the subsequent year shall have the option of withdrawing from the coaching assignment if the teacher does not return to the school site.
- b. Coaching vacancies will be advertised first within the school in which the vacancy occurs. If there are no qualified applicants within the school, the position shall then be opened for other applicants from inside the District. If there are no qualified applicants from inside the District, the position shall be opened to outside of the District.

12.9.3.1 Such changes in extra duty assignments noted in 12.9.3 shall have no effect on the teacher's assignment to classes during the service day.

12.9.3.2 If a teacher serving in a position listed on the extra duty pay schedule other than coaching desires to withdraw from the extra duty position, he/she shall so notify the site administrator in writing no later than March 1 preceding the school year in which withdrawal would become effective.

Upon receipt of such notification, the principal should take the following courses of action as appropriate:

- a. Survey the faculty by memorandum, bulletin, or meeting, to determine if there is another individual who is qualified and interested in the extra duty assignment.
 - b. In the event that there is a teaching vacancy to be filled, determine if it is feasible to add the extra duty to the teaching position. In making such a determination, the principal should confer with the director, Secondary Certificated Personnel Services, regarding the likelihood of applicants who would be qualified for both the teaching assignment and the extra duty.
- 12.9.3.3 If the principal is unable to fill the extra duty assignment by either course of action, he/she should then discuss with the teachers requesting withdrawal the kind of action which the teacher is willing to undertake in order to be relieved of the extra duty assignment. Such actions could include:
- a. "trading" extra duty assignments with other teachers who may also be interested in a change;
 - b. requesting reassignment to a vacant teaching area in the school not associated with the extra duty assignment; or
 - c. filing a voluntary request with the Personnel Services Office for transfer to another school.
- 12.9.3.4 Such requests for transfer will be considered in keeping with the sections governing transfers in Article 8 of this contract.
- 12.9.3.5 If none of these options are available to the teacher, or if the teacher is unwilling to pursue them, the principal may continue to hold the teacher responsible for the extra duty assignment during the ensuing school year, in which case the request for withdrawal will remain in effect unless withdrawn by the teacher.
- 12.9.3.6 A teacher losing his/her classes related to his/her extra duty assignment shall have the option of withdrawing from that assignment.
- 12.9.3.7 It is understood by the parties that teachers not already involved in non-athletic coaching assignments shall not be required to assume any such assignments.
- 12.9.3.8 A teacher assuming classes that have a related activity is obligated to assume responsibility for that related activity.
- 12.9.4 The CIF required coaching days prior to the first day of school shall be compensated for and included in the extra duty stipend.

- 12.9.6 The parties agree that transportation for athletics and other school activities covered by present District policy shall be considered a budget priority.
- 12.9.7 Regular contract teachers who also are assigned extra duty coaching assignments will receive equal treatment and the same protection granted to all members of the bargaining unit which derive from the current Agreement between the parties.
- 12.9.8 It is further understood by the parties that a joint Board/Association committee (five [5] members to be selected by each party) will be appointed no later than thirty (30) days following the effective date of this Article, to conduct an annual review of the extra pay for extra duty schedule. The tasks of the committee shall be to review existing positions for proper categorical placement on the schedule and to consider addition or deletion of any position. The findings of the committee shall be subject to review by the Association and the Board by March 31 of each school year. The findings shall be implemented during the next school year unless objection is raised by either party prior to June 1.

- 12.9.9 Department Chairs: Forty-five positions District-wide with one department chair assigned to each of nine departments at each regular high school in the following departments:

Physical Education	Math
Social Science	Business, FACE
Science	Fine Arts, Industrial Arts

Any new high school shall have the same department chair staffing.

- a. The service year shall be two (2) workdays beyond the teachers' required days of service paid at the contract daily rate; and
- b. Department chairs shall receive payment from the extra-duty pay schedule (12.9.2) according to the number of class sections taught within the department as follows:
 - A - 80 sections or more C - 45 sections or more
 - B - 65 sections or more D - 44 sections or more

- 12.9.9.1 Each department chairperson shall be selected annually by the high school principal from among a list of not less than two (2) teachers (unless only one teacher applied) from the department. The teachers shall have been nominated by a majority of the teachers in the department.

- a. A qualifying teacher may self-nominate or agree to any nomination from department staff members.
- b. To qualify for nomination or to vote on a nomination a teacher must instruct for at least three periods per day in the department.
- c. Limited term teachers, substitutes, and temporaries may not vote.
- d. Teachers who serve in department chair positions may not serve for more than three consecutive years.
- e. Voting by each department shall take place in March of each school year and shall be conducted by the department. Every teacher who qualifies to vote shall be given an opportunity to do so.
- f. Split departments may by majority vote agree to have co-chairs, one from each department. The voting process will be handled in the same manner as all other departments. However, the co-chairs shall be compensated at one-half the stipend rate as specified on the extra-duty schedule which a teacher would have earned as chair of the split department. In addition, each co-chair would serve and be paid for two days beyond the teachers' days of service.

- 12.10.1 Members of the bargaining unit who are granted sabbatical leaves will receive the difference between their contract salaries and the amount specified for Class C, Step 2.
- 12.10.2 District contributions for all fringe benefits shall continue for the duration of such leave at the same level as for all members on paid-leave status.
- 12.10.3 After the initial approval of an application for sabbatical leave, the Personnel Services Office shall provide full information regarding the compensation which will be paid to the applicant while on leave.
- 12.10.4 The applicant shall have five (5) working days upon receipt of such financial information to inform the Personnel Services Office of intent to accept or refuse the leave before final approval of the Board is obtained.
- 12.10.5 Refusal to accept such leave shall not be the basis of denial of subsequent applications submitted by the employee for sabbatical leaves.

- 12.11 The certificated Nonmanagement salary schedules are incorporated into this contract as Appendix B.
- 12.11.1 These salary schedules contain no overt or covert provisions for salary discrimination based upon sex, race, creed, marital status, handicap, or age.
- 12.11.2 No differentials shall exist in rates of compensation except as provided for in this Agreement.
- 12.12 Subbing on Prep Time**

Secondary teachers who work block schedules will be paid at the appropriate prorated higher substitute rate. Notwithstanding the above, the District may continue to assign secondary teachers to unpaid emergency substitutions as set forth in Article 5.4.6.
- 12.13 Salary and Benefits for 2004-2005**
- 12.13.1 For 2004-05, the salary schedules and related stipends will increase by 1.75 %, (1.0% due to additional on-going revenues to the District; .50% due to Health & Welfare savings; and .25% due to additional PARS savings) effective July 1, 2004. The .50% additional Health & Welfare savings as well as the additional .25% PARS savings are specific savings due only to the SCTA bargaining unit.
- a. The increase that would apply to extra duty stipends will be held in abeyance to allow the parties to consider changes to the extra duty schedule issues related to gender, uniformity and mileage stipends.
- b. The parties agree to continue to work through February 15, 2005, to add one-quarter percent (.25%) to the 1.75% to reach a goal of two percent (2.0%) for 2004-2005. The application of the one-quarter percent (.25%), if identified with on-going funds, will be applied in a manner agreeable to the parties.
- 12.13.2 **Total Compensation Increase for 2005-06 and 2006-07**
- 12.13.2.1 The parties agree to develop a mutually agreeable formula upon which a total compensation increase might be based by February 15, 2005, unless the parties mutually agree to extend the timeline; however, if there is no agreement on such a formula, the parties agree that the contract will be reopened for negotiations per the CBA in years two (2) and three (3) as it relates to total compensation.
- a. Upon implementation of the mutually agreeable formula, the parties agree that if there is a disagreement over the percentage or if additional funds are necessary to achieve such increase, the parties agree to meet in committee to resolve the matter.
- b. The parties also agree if they are unable to resolve the matter that either party may request to renegotiate total compensation. Any changes to the CBA will be subject to mutual agreement. Nothing herein precludes the parties from identifying additional funds for additional increases.
- c. The parties agree that the process for applying the calculation of any increase will begin September 15th or thirty (30) working days after the adoption of the State budget which ever is later. The process will include the District's notice to SCTA regarding the results of the calculation. SCTA or the District will then have the opportunity to avail the parties of the procedures outlined in 12.13.1 (a) and or 12.13.1 (b) above.
- 12.14 Additional Interests**
- 12.14.1 Retirement Incentives: The parties agree to review the strategy for utilizing retirement incentives.

12.15 Staff Development 2004 / 2005

- 12.15.1 The K-12 and Non-management Specialist salary schedules shall reflect three (3) additional days (18 hours for K-12, 24 hours for Non-management Specialists) for staff development. These additional days / hours bring the number of K-12 days to 184 teacher service days and the number of Non-management Specialist days to 198 and 193 service days respectively.
- 12.15.2 The 18 / 24 hours of staff development are mandatory. For the K-12 Salary Schedule / 18 hour requirement, the number of hours and topics are specified in Attachment(s) A & B – the District will identify sessions.
- 12.15.3 The days / hours are to be applied and scheduled in approximately two (2) or three (3) hour sessions from one to three times a week from Monday to Thursday.
- 12.15.4 With good reason, sites / programs may utilize a different configuration of time with approval of SCTA and the District. Full day (six or eight hours) staff development days are to be consistent with the District / SCTA Collective Bargaining Agreement (CBA).
- 12.15.5 The goal for receiving the 18 / 24 hours of staff development is to make sure that the 18 / 24 hours are completed by March 31, 2005. If staff have not completed the 18 / 24 hours by March 31, 2005, then make-up sessions must be offered. Every effort will be made to hold the make-up sessions at the site. In the event that staff have not completed the 18 / 24 hours of staff development by May 31, 2005, their pay may be docked for any hours not completed up to the required 18 / 24 hours of required staff development. Because of the nature of the staff development program, in extenuating circumstances (for example, long term paid leaves due to medical reasons) sick leave may be used in lieu of docking a teacher's pay.
- 12.15.6 The continuation of the three (3) days (18 hours for K-12, 24 hours for Non-Management Specialists) shall be subject to the continued funding of the Instructional Time and Staff Development Reform Program (SB 1193, Chapter 313, statutes of 1998) by the state.
- 12.15.7 The Parties agree that if no staff development program is agreed to for the 2005-2006 school year by July 1, 2005, the K-12 and Non-Management Specialist Salary Schedules will be reduced by three (3) days on July 1, 2005, and three (3) days removed from the school calendar for 2005-2006 and into the future. During the 2005-2006 school year and into the future, as long as staff development funds are available under SB 1193, employee participation will be voluntary unless changed by mutual agreement.
- 12.15.8 Teachers funded by the Adult Education Fund and Child Development Fund are not covered by the staff development program unless funds become available or the parties agree to some other consideration.
- 12.15.9 Staff development activities for employees on the K-12 and Non-Management Specialists salary schedules not covered by the program (SB 1193, Chapter 313, statutes of 1998) will be developed in concert between unit members and supervisors, consistent with this agreement.
- 12.15.10 Any staff development opportunities offered through the District or programs by other agencies/providers after July 1, 2004, may be counted toward the 18 / 24 hour staff development requirement or as scheduled in accordance with 12.15.4. All offerings must meet State audit requirements.
- 12.15.11 The District and/or school site will schedule at least a combination of three (3) opportunity days for staff development between July 1, 2004 and September 6, 2004. The scheduled days referred herein are "opportunity days." The opportunity days are for voluntary attendance but completion of obligation of 18 / 24 staff development hours is required by the close of May 31, 2005, per item 12.15.5.

- 12.16.1 The K-12 and Non-management Specialist salary schedules shall reflect three (3) additional days (18 hours for K-12, 24 hours for Non-management Specialists) for staff development. These additional days / hours bring the number of K-12 days to 184 teacher service days and the number of Non-management Specialist days to 198 and 193 service days respectively.

- 12.16.2 The 18 / 24 hours of staff development are mandatory. For the K-12 Salary Schedule / 18 hour requirement, the number of hours and topics are specified in Attachment(s) A & B – the District will identify sessions.
- 12.16.3 The days / hours are to be applied and scheduled in approximately two (2) or three (3) hour sessions from one to three times a week from Monday to Thursday.
- 12.16.4 With good reason, sites / programs may utilize a different configuration of time with approval of SCTA and the District. Full day (six or eight hours) staff development days are to be consistent with the District / SCTA Collective Bargaining Agreement (CBA).
- 12.16.5 The goal for receiving the 18 / 24 hours of staff development is to make sure that the 18 / 24 hours are completed by March 31, 2006. If staff have not completed the 18 / 24 hours by March 31, 2006, then make-up sessions must be offered. Every effort will be made to hold the make-up sessions at the site. In the event that staff have not completed the 18 / 24 hours of staff development by May 31, 2006, their pay may be docked for any hours not completed up to the required 18 / 24 hours of required staff development. Because of the nature of the staff development program, in extenuating circumstances (for example, long term paid leaves due to medical reasons) sick leave may be used in lieu of docking a teacher's pay.
- 12.16.6 The continuation of the three (3) days (18 hours for K-12, 24 hours for Non-Management Specialists) shall be subject to the continued funding of the Instructional Time and Staff Development Reform Program (SB 1193, Chapter 313, statutes of 1998) by the state.

In any such proceeding, the District shall serve as a nominal party to ensure standing and to carry out the determination of the court or an arbitrator where a decision directs the District to withhold agency fees as provided in Section 21.3.1. During any such legal proceedings, Section 21.5.1 (hold harmless) shall be fully applicable.

21.3.5 Any unit member making charitable contributions as set forth in Sections 21.3.2 and 21.3.3 above, and who requests that the grievance or arbitration provisions of this Agreement be used in his or her behalf, shall be responsible for paying the reasonable cost of using said grievance or arbitration procedures.

ARTICLE 24 - SITE-BASED DECISION MAKING

24.1 Statement of Intent

The District and Association agree that it is in the best interest of the Sacramento City Unified School District to cooperatively engage in activities which will result in the improvement in the quality of the learning experience and learning outcomes of students through the development of common goals, a cooperative trusting environment and teamwork. It is agreed that actively and constructively involving all relevant stakeholders contributes significantly toward achieving these goals.

A site is used interchangeably to mean school and/or department.

24.2 Assistance

The District (Superintendent or designee(s)) and Association (President or designee(s)) are recognized as resources to the individual sites and are available upon request by the Site-Based Decision-Making Team (SBDMT) for assistance and support to help each site develop and/or implement a Site-Based Decision-Making Plan. The District Site-Based Decision-Making Committee will also be available for help and support when needed.

24.3 Purpose

The purpose of site-based decision-making teams is to participate in a collaborative decision-making, problem-solving process that seeks to improve the education of students and the quality of the workplace. The focus of site-based decision making shall be mission and student oriented, and data based. The measure of success for site-based decision making will be whether there is continuous improvement in student learning and in the working environment. The process empowers the stakeholders who are affected by a decision to participate in the problem-solving either directly or through their representatives, utilizing the consensus decision-making model.

24.4 Site Teams

Each stakeholder group shall be responsible for selecting their representatives on the SBDMT.

Bargaining unit members at each site are recognized as key stakeholders within the site-based process and as such shall be provided an opportunity to be active participants on the team. The composition of the SBDMT shall be determined by the stakeholders at each site, but in no case shall less than 50 percent of the SBDMT be bargaining unit members. Consensus is the accepted decision-making process for site teams.

24.5 Consensus Decision Making

Consensus is a process whereby each person in a decision-making group can resolve to agree with a decision, even though he/she may not be entirely satisfied with the resolution; it is the process of gaining mutual consent. By agreeing, he/she commits to supporting the resolution and refrains from sabotaging the implementation. Consensus decision are not made by voting. If consensus cannot be reached, the issue or solution shall revert to the status quo until a new, creative solution can be found.

24.6 Site Specific Amendments

It is not the intent of the site-based decision-making process to violate or change the contractual rights of unit members. If any aspect of a proposed plan is contrary to the terms of the collective bargaining agreement, an approval must be obtained from the Association and Board of Education. If such a variance is recommended by the SBDMT and approved as part of the site plan, and if approved by the District and Association policy for variances, it shall be part of the collective bargaining agreement for a specific period of time, for a specific work site and applied to all certificated members at the site.

24.7 Scope of Decision Making

The District and Association agree to mutually develop and review as appropriate the scope of decisions for work sites that affect bargaining unit members and the role of other committees prior to the implementation of the decision-making process.

24.8 Conditions for Enabling Site-Based Decision Making

The District and Association mutually agree to develop guidelines for training, incentives, etc., for bargaining unit members.

24.9 Bargaining Member Selection

The SCTA shall be responsible for developing and applying the guidelines for selection of bargaining unit members who serve on the site teams.

24.10 District-Wide Steering Committee

The District and SCTA agree to participate on a District-Wide Steering Committee that will help coordinate, implement, and support the process of site-based decision making. The composition and membership will be mutually agreed upon and will be proportionally constituted. The purpose of the District-Wide Steering Committee will be mutually agreed to by the membership of the committee.

ARTICLE 25 - SUCCESSOR AGREEMENT

25.1 The parties hereto agree to enter into negotiations of a successor Agreement no later than one hundred and twenty (120) days prior to the expiration of this Agreement. Any Agreement so negotiated shall be reduced to writing after ratification by the parties.

The Association agrees to submit its initial contract proposal no later than the first regular meeting of the Board of Education during the month of February of the year the contract expires.

ARTICLE 26 - DURATION

26.1 This Agreement shall be effective July 1, 2004 through June 30, 2007.

IN WITNESS HEREOF, the Association has caused this Agreement to be signed by its president, or the designee of the SCTA Board of Directors, and chief negotiator; and the Board of Education has caused this Agreement to be signed by its president, attested by its clerk.

The purpose of this Appendix is to set forth the working and learning condition for teachers and students involved in special education student inclusion.

1. There will be three types of inclusion utilized during the 1993-94 school year.
 - 1.1 Type One: A Type One inclusion shall be where one special ed student classified as severely disabled (SD) is enrolled in a regular education class.
 - 1.1.1 The SD student shall count as part of the teacher's class size roll.
 - 1.1.2 The regular ed teacher shall receive a stipend of \$50 per calendar month.
 - 1.1.3 A plan will be developed by the regular education teacher, the special education personnel and local administrator to provide additional prep time of up to 60 minutes per week for the regular education teacher. The time is not to come from regular prep teacher. Or one release day per month shall be provided the regular education teacher for training and collaboration.
 - 1.1.4 The regular education teacher who agrees to receive the special education student shall receive an additional \$150 for supplies for each student and access to the Special Education materials lab for an amount equal to the annual allocation for special ed teachers. The teacher will also receive aide time.
 - 1.1.5 The regular education teacher shall receive training per Section 2 below.
 - 1.2 Type Two: Whole Class Collaborative Inclusion
 - 1.2.1 Whole Class inclusion shall be defined as a co-teaching situation where both teachers share the same classroom and the support services provided by Special Ed.

 - 1.2.3 The class shall be taught by both the regular ed teacher and special education teacher.
 - 1.2.4 The resulting regular education class size shall be reduced by two students or twenty-five percent of the Special Ed class, whichever is greater. The special education class size will also be reduced by two.
 - 1.3 Type Three: Special Ed Class Spread Among Regular Education Classes
 - 1.3.1 Specialized support of special ed students will include additional aide time, specialist time, and time of others as determined appropriate.
 - 1.3.2 Such regular ed teachers who agree to receive the special ed student shall be covered by Sections 3.1.1 through 3.1.5.

- 1.3.3 However, the total class size of each accepting classroom shall be reduced by three students below the regular maximum.
2. Specialized Training
- 2.1 The District shall offer training for:

3. The names of schools and teachers agreeing to full inclusion shall be provided to the SCTA.
4. Roles of Participants in IEP's (Individual Education Plans)

The Sacramento City Unified School District (SCUSD) and the Sacramento City Teachers Association (SCTA), known as the parties, have considered mutual interest and recognize the value of a long term agreement for the benefit of employees, students, and the community.

The parties also recognize both economic realities and reasonable expectations, as well as the common desire to improve academic achievement/reward employees.

The parties therefore agree to the following:

- A. The CBA will be rolled over in its entirety for 2004-05 through 2006-07, except as modified by the parties.
- B. For 2004-05, the parties agree to the following considerations:
 - 1. For 2004-05, the salary schedules and related stipends will increase by 1.75 % (1.0% due to additional on-going revenues to the District; .50% due to Health & Welfare savings; and .25% due to additional PARS savings) effective July 1, 2004. The .50% additional Health & Welfare savings as well as the additional .25% PARS savings are specific savings due only to the SCTA bargaining unit.
 - 1a. The increase that would apply to extra duty stipends will be held in abeyance to allow the parties to consider changes to the extra duty schedule issues related to gender, uniformity and mileage stipends.
 - 1b. The parties agree to continue to work through February 15, 2005, to add one-quarter percent (.25%) to the 1.75% to reach a goal of two percent (2.0%) for 2004-05. The application of the one-quarter percent (.25%), if identified with on-going funds, will be applied in a manner agreeable to the parties.
- C. **Total Compensation Increase for 2005-06 and 2006-07**
 - 1. The parties agree to develop a mutually agreeable formula upon which a total compensation increase might be based by February 15, 2005, unless the parties mutually agree to extend the timeline; however, if there is no agreement on such a formula, the parties agree that the contract will be

reopened for negotiations per the CBA in years two (2) and three (3) as it relates to total compensation.

- 1a. Upon implementation of the mutually agreeable formula, the parties agree that if there is a disagreement over the percentage or if additional funds are necessary to achieve such increase, the parties agree to meet in committee to resolve the matter.
- 1b. The parties also agree if they are unable to resolve the matter that either party may request to renegotiate total compensation. Any changes to the CBA will be subject to mutual agreement. Nothing herein precludes the parties from identifying additional funds for additional increases.
- 1c. The parties agree that the process for applying the calculation of any increase will begin September 15th or thirty (30) working days after the adoption of the State budget which ever is later. The process will include the District's notice to SCTA regarding the results of the calculation. SCTA or the District will then have the opportunity to avail the parties of the procedures outlined in 1a and or 1b above.

D. **Additional Interests**

School Improvement and Public Perception. The parties agree to identify core areas for continuous improvement. The parties agree to develop strategies and reasonable incentives by way of selected sub committees to achieve improvement.
