6.4 **REPORTING UNSAFE CONDITIONS:** It is the responsibility of the employee to report to his/her immediate supervisor, in writing, any conditions which he/she believes are unsafe. An employee may respectfully refuse to use any piece of equipment if it is reasonable to assume that such use places the employee in the danger of immediate physical harm.

ARTICLE 7 - EVALUATION PROCEDURES

7.1 **WHEN EVALUATIONS ARE TO BE MADE:** Each regular employee shall be evaluated by an immediate supervisor who is defined as the person who assigns, checks, and supervises the work of the employee and who is immediately responsible for the employee's work or is most closely acquainted with his/her performance. The following schedule for evaluating employees shall be followed:

7.1.1 Probationary employees - at the end of the second and fifth months of service.

7.7 **UNSATISFACTORY EVALUATIONS:** A permanent employee who receives an evaluation with an overall rating of unsatisfactory will be expected to improve his/her performance to such an extent that

a reevaluation within sixty days will reflect an overall rating of above unsatisfactory. Failure to make such an improvement in performance will constitute sufficient grounds for disciplinary action.

7.7.1 The employee shall have the right to protest an evaluation through the grievance procedure. If the employee's objections are sustained, the grievance authority shall order preparation of a new evaluation and removal of the grievance evaluation from the employee's file.

ARTICLE 8 - TRANSFER

8.1.1.2 Any qualifying factors describing the kind of position to which he/she wishes to transfer.

8.1.1.3 The reason for requesting a transfer.

8.1.2 **Condition of Transfer/Probation:** A permanent employee who transfers to a position in a class in which he/she has not previously completed a probationary period shall be considered probationary in that class.

8.1.3 **No Change In Salary Rate/Benefits:** Transfer shall be made without change in salary rate, anniversary date, accumulated illness leave, and accumulated vacation credit.

8.1.4 **District Consideration of Transfers:** When employees have on file an official transfer request, the appointing authority must review the transfer requests of all qualified employees. The District will consider the employee's seniority, qualifications, and past performance before a selection is made.

8.1.4.1 All transfer requests will be kept on file in the Classified Personnel Office and will be considered in filling vacancies unless the employee submits a written statement that he/she no longer wishes to be transferred.

8.1.5 **Expiration of Transfer Requests:** Requests for transfer will be kept active until the end of the school year, and must be submitted annually.

8.1.6 **60-Day Temporary Assessment Period:** An employee accepting a voluntary transfer shall serve a sixty-day temporary assessment period (TAP). If the employee fails to satisfactorily complete the TAP, he/she may be returned to his/her previous position.

8.2 **ADMINISTRATIVE TRANSFERS:** A transfer may be made for the good of the service at the discretion of the District, provided that such action shall not be taken for punitive or preferential reasons.

8.2.1 **Approval of Involuntary Transfers:** All involuntary transfers shall be approved by the Personnel Director.

8.2.2 **Involuntary Transfer Notice To Employee:** When District transfer of an employee is pending, notice of transfer will be made in writing to the employee not less than two working days prior to the effective date, unless an emergency or unforeseen circumstances exist.

8.3 **VOLUNTARY DEMOTION:** A permanent employee may request voluntary transfer to a class with a lower maximum salary rate (voluntary demotion). Such requests require the approval of the department heads involved and the Personnel Director.

8.3.1 An employee who has taken a voluntary transfer to a class with a lower maximum salary rate (voluntary demotion) may be restored to his/her former class or to a related lower class within 39 months, subject to the recommendation of the department head and with the approval of the Personnel Director.

8.4 **TRANSFER FOR MEDICAL REASONS:** When an employee becomes physically incapacitated for the performance of any of his/her duties as determined by a physical examination, the Personnel Director may transfer him/her to a vacant position in a class of the same or lower salary level which he/she has the ability to fill, or for which he/she may be expected to acquire the necessary ability after a reasonable time. The employee may request a meeting with the District to discuss the transfer.

8.4.1 In case of transfer to a lower level, the employee shall receive the same salary he/she is receiving in his/her former class, but his/her salary shall not exceed the maximum salary of the class to which he/she is transferred. He/She shall retain his/her anniversary date.

ARTICLE 9 - LEAVES

9.1 **GENERAL PROVISIONS:** The appointing authority may grant leaves of absence to employees when it is in the best interest of the welfare of the appointing authority and the welfare of the individual employee.

9.1.1 **Wages/Benefits:** Except as otherwise provided, time spent on leaves of absence with pay shall count toward salary step advancement and toward employee fringe benefit and seniority accrual. Time spent on leave of absence without pay shall not count toward salary step advancement, employee fringe benefit accrual, and seniority accrual, and shall not be considered a part of the probation period.

9.1.2 **During Probationary Period:** Unless otherwise specified, a leave of absence shall not be granted to an employee during his/her first six months of employment with the district. A leave of absence with pay granted to a probationary employee shall affect the continuity of service required for permanency if the absence exceeds ten working days.

9.1.3 **Assignment Upon Return:** An employee will be assigned to the same position upon return to service following a leave of absence of not more than six months. An employee will be assigned to a position in the same class upon return to service following a leave of absence of more than six months. If the class has been abolished during the employee's absence, the employee shall be laid off for lack of work and placed on the reemployment list for the class, effective the date of termination of leave. In lieu of layoff, an employee may return to a vacant position in a class at the same or lower salary level, provided the employee meets the qualifications for that class.

9.1.4 **Cancellation:** The Board of Education may, for good cause, cancel any leave of absence by giving the absent employee due notification.

9.1.5 **Earlier Return:** An employee may make a written request to the Personnel Director to return to work prior to the expiration date of the leave. The Personnel Director may approve or reject such request.

9.1.6 **Failure To Return:** Failure to report for duty within five working days after a leave expires or has been canceled shall be considered abandonment of the position, and the employee may be terminated by the Board of Education.

9.2.9.4 The illness (or bereavement) is substantiated by the employee.

9.2.10 **Statement of Accrual:** In October of each year employees shall be given a statement showing both an earned vacation figure and a projected (through end of the fiscal year) vacation figure.

9.3 **PAID SICK LEAVE:** Sick leave is the authorized absence of the employee because of illness or injury or exposure to contagious disease.

9.3.1 **Accrual:** Sick leave with pay shall be earned by regular employees based on a 40-hour week of service from the anniversary date of employment. Sick leave accrued, but not used, shall carry over from one fiscal year to another with no limit of accumulation.

9.3.2 **Rate of Accrual:** Full-time employees shall accrue sick leave on the basis of one day for each month of continuous full-time service. To qualify for a month of service, the employee must be compensated for one-half (1/2) or more of the working days of a calendar month.

9.3.3 **Proration of Accrual:** A part-time employee shall accrue sick leave on a proportionate basis as his/her workweek relates to forty hours.

ARTICLE 13 - DISTRICT RIGHTS

13.1 **DISTRICT RIGHTS:** The District retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the statutes of the State of California. The exercise of these powers, rights, authorities, duties, and responsibilities by the District, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms are in conformance with law.

ARTICLE 14 - CONCERTED ACTIVITIES

14.1 **NO STRIKE:** CSEA recognizes the duty and obligation of its bargaining unit members to comply with the provisions of this Agreement. Therefore, CSEA agrees that it will not engage in any strike, picketing, or work slowdown during the term of this Agreement.

14.2 **NO LOCK-OUT:** The District agrees it will not lock out the employees covered by this Agreement during the term of this Agreement.

ARTICLE 15 - LAYOFF

15.1 **TYPES OF LAYOFFS:** "Layoff" shall be defined as the severance of a unit member from employment with the District as a result of a lack of work or lack of funds. An employee shall be considered laid off if:

15.1.1 an employee's position has been eliminated and he/she has least seniority in the class;

15.1.2 an employee's position has been eliminated and the employee, who is not least senior in the class, elects not to exercise bumping rights;

15.1.3 an employee has been bumped by one with greater seniority whose position was eliminated;

15.1.4 an employee has been returned, following promotion or transfer, during the probationary period to his/her former class and the employee has less seniority than any incumbent;

15.1.5 an employee has been displaced by another employee with greater seniority who is returning from leave;

15.1.6 an employee has exhausted all leaves approved by the Board of Education and is unable to return to duty following an illness, injury, or accident;

15.1.7 an employee's position has been reclassified and the employee is not eligible for the reclassified position and has least seniority in the class in which he/she has been serving.

15.2 **REDUCTIONS IN ASSIGNED TIME:** Reductions in assigned time shall be considered a layoff under any of the following conditions:

15.2.1 The reduction results in the employee no longer being eligible for health and welfare benefits provided under the terms of this Agreement.

15.2.2 The assigned time of an employee is reduced by more than one hour per day.

15.2.3 The work year of an employee is reduced by more than 10 days per year.

15.3 **LAYOFF BY SENIORITY:** Layoff shall be made in inverse order by seniority in the class in which layoff occurs. The employee with least seniority shall be laid off first.

15.3.1 An employee whose position is being eliminated shall be reassigned to an available vacant position in the same class and that most nearly approximates his/her currently assigned hours and months of work.

15.3.2 Refusal to accept a reassignment which would provide assigned time equal to or greater than the current assignment shall be considered a resignation.

15.4 **30-DAY NOTICE OF LAYOFF:** Employees to be laid off shall be given at least 30 days written notice by certified letter with return receipt requested of such layoff. Notwithstanding this provision, employees may be laid off with less than 30 days notice if the layoff results from causes not foreseeable by the District.

15.4.1 The notice of layoff shall specify the reason for layoff.

15.5 **COMPUTATION OF SENIORITY:** Length of service (seniority as prescribed herein) shall be the only criterion used to effect layoffs. Whenever a classified employee is laid off, the order of layoff within the class shall be determined by length of service. The employee who has been employed the shortest time in the class, equal classes in a related series, plus higher classes (as determined by the Personnel Commission), shall be laid off first. Reemployment shall be in the reverse order of layoff. "Length of Service" shall be defined to include the hire date of that employee as a regular probationary or permanent employee in the class, equal classes in a related series, plus any service in higher classes, with deductions for any unpaid time as defined in Section 15.5.2. This length of service computation shall be known as the Adjusted Class Hire Date.

15.5.1 **Service Credit for Some Unpaid Leaves:** The Personnel Commission shall grant length of service credit for time spent on unpaid leaves in the following areas: Military Leave, Illness Leave, Maternity Leave, and Industrial Accident/Illness Leave.

15.5.2 **No Service Credit for Unpaid Leaves Over 21 Days:** Except as noted in Section 15.5.1 above, all unpaid leaves of more than 21 consecutive working days shall not count towards earning "length of service" seniority credit. Employees taking leaves over 21 consecutive working days shall have their classification hire date adjusted on a day-for-day basis for the duration of the unpaid leave.

15.5.3 **Tie-Breakers for Employees with Equal Seniority:** If two or more employees subject to layoff have equal Adjusted Class Hire Date seniority as defined above, then the preference shall be given to the employee with the earliest Class Hire Date seniority. Class Hire Date seniority shall be defined to mean the date that an employee was hired in that class, regardless of time spent on unpaid leave or other adjustments. If Class Hire Date seniority is equal, then the preference shall be given to the employee with the earliest Regular Hire Date seniority. Regular Hire Date seniority shall be defined to mean the date that an employee was hired as a probationary classified employee in the District. If Regular Hire Date seniority is equal, the preference shall be given to the employee with the earliest District Hire Date seniority. District Hire Date seniority shall be defined to mean the date that an employee was hired into the District, regardless of whether or not hired as a regular or temporary employee. If District Hire Date seniority is equal, the decision shall be made by random selection. Random selection shall consist of a drawing of names. Representatives of impacted bargaining units and the District shall be present at the drawing.

15.5.4 **No Seniority Earned While on Reemployment Lists:** Laid-off employees do not accumulate seniority while on reemployment lists.

15.5.5 **Maintenance of Seniority Lists:** The District shall maintain data on employee seniority within classification.

15.5.6 **Seniority After Reclassification:** When reclassification results either in the merger of two or more classes or the separation of a class into two or more classes, the seniority of

employees who are reclassified with their positions, and whose former class or classes have been abolished or separated, shall be computed from the date of earliest entrance into regular service in such classes.

15.6 **BUMPING RIGHTS:** Employees shall have the following bumping rights in the event of a layoff:

15.6.1 **Bumping within Class:** An employee whose position is eliminated may displace the employee within his/her class who has the least seniority, regardless of differences in assigned shift hours (i.e., 7:30 a.m. to 4:00 p.m. or 2:00 p.m. to 11:00 p.m.), location, or source of funding.

15.6.2 **Bumping into Another Class:** An employee having least seniority in his/her class who is to be laid off, and who has seniority in an equal or lower class greater than that of an incumbent, shall have the right to displace the incumbent with the least seniority in that class. A lower class is defined as one that is currently placed at a lower range on the salary schedule.

15.6.3 **Rights of Employee Displaced by Bumping:** An employee who has been displaced shall have the same bumping rights as if his/her position had been abolished.

15.6.4 **Waiver of Bumping Rights:** If an employee waives bumping rights, he/she will be placed on the appropriate reemployment list. Such employees shall not be subject to the provisions of Section 15.8.4 of this Article.

15.6.5 **No Bumping if Vacant Position:** No employee can be bumped from a position if there is a vacant position in that class.

15.6.6 **Bumping Rights if Reductions in Assigned Time:** Employees affected by the provisions of Section 15.2 of this Article shall exercise bumping right within assigned time or assigned work year in the same manner as employees laid off under the provisions of Section 15.1.

15.6.7 **Restrictions in Bumping:** An employee may not bump into any position with a greater number of hours assigned that would cause the employee to become eligible for health and welfare benefits.

15.6.8 **Retirement in Lieu of Layoff:** Eligible employees who elect service retirement in lieu of layoff shall be placed on the appropriate reemployment list.

15.7 **VOLUNTARY DEMOTION:** A permanent employee who is to be laid off may elect demotion to a lower class or transfer to an equal class in which he/she has not served if there is a vacant position and if he/she is qualified to perform the duties of the class.

15.7.1 An employee who demotes or transfers to a class in which he/she has not previously served shall serve a six-month probation in the new class. If the employee does not successfully complete the probationary period, he/she may be terminated. The employee's name shall remain on the reemployment list for his/her former class.

15.8 **REEMPLOYMENT:** The names of employees who are laid off shall be placed on the reemployment list for the class from which they were laid off. Names on the reemployment list shall be in order of seniority.

15.8.1 **Offers of Reemployment in Seniority Order:** The reemployment list for a class shall be used before any other means of filling vacancies for that class with the exception of the exercise of bumping rights or the transfer of employees within the same class. Offers of reemployment shall be made first to the employee with the greatest seniority.

15.8.2 **Reemployment and Transfers/ Demotions/ Reductions:** An employee accepting a transfer, voluntary demotion, or voluntary reduction in assigned time in lieu of layoff shall have his/her name placed on the reemployment list for the appropriate class.

15.8.3 **Reemployment Rights for 39 Months:** Persons whose names are placed on a reemployment list shall retain eligibility for reemployment for a period of 39 months from the date of layoff or demotion.

15.8.4 **Additional 24 Months for Voluntary Demotions/Reductions:** Employees who take voluntary demotions or reductions in assigned time in lieu of layoff, or who remain in positions rather than be reclassified, shall retain eligibility for reemployment for an additional 24 months.

15.9 **RIGHTS/RESPONSIBILITIES OF PERSONS ON REEMPLOYMENT LISTS:** Persons who are on a reemployment list shall have the following rights and responsibilities:

15.9.1 **Competing In Promotional Exams:** Persons on reemployment lists shall be eligible to compete in promotional examinations for which they qualify and shall retain their places on eligibility lists.

15.9.2 **Offers of Reemployment Refused:** A person who refuses an offer of reemployment to the class from which laid off shall lose the privilege of the District initiating reemployment offers. The District will bypass that person on the reemployment list, except as noted below. It shall be the responsibility of the person who refused reemployment to contact the Office of Personnel Services in writing about his/her availability for further employment opportunities for the remainder of the reemployment eligibility period. Refusal or failure to accept certified mail regarding notification of an opening shall be considered a refusal of an offer of employment.

15.9.3 **Notification of Change in Address/Phone:** Persons on reemployment lists must inform the Office of Personnel Services in writing of any change of address or telephone number.

15.9.4 **Retention of Rights if Reinstated to Lower Position:** A laid-off employee who accepts either reinstatement to a lower class or a provisional appointment shall retain his/her reemployment rights.

15.9.5 **Disability While on List:** The inability of a person on a reemployment list to accept a job offer because of a verified disability shall neither constitute reason for forfeiture of reemployment rights nor extend the length of the reemployment period.

15.10 **NOTIFICATION OF REEMPLOYMENT:** An employee who is laid off and is subsequently eligible for reemployment shall be notified by the District of an opening. Such notice shall be directed to the last address given the District by the employee.

15.10.1 The laid-off employee shall notify the District within two days of his/her intent to accept or refuse the offer of reemployment.

ARTICLE 16 - TRANSPORTATION PROVISIONS

16.1 **DEFINITIONS:** The following definitions refer only to Article 16.

16.1.1 **Work Time:** The following definitions apply to work time.

16.1.1.1 Daily basic time is seven (7) hours per day.

16.1.1.2 Extra time is the time worked between the seventh and eighth hour and work performed on holidays, during recess periods, and during the summer.

16.1.1.3 Overtime is any time worked in excess of eight (8) hours per day or forty (40) hours per week.

16.1.2 **Bus Route:** A combination of bus runs with specific directions regularly assigned to a single bus.

16.1.3 **Bus Run:** A single trip taken from the Transportation Yard for the purpose of transporting students to and from school at a specified time.

16.1.4 **Daily Basic Time:** The total time it takes to complete the runs assigned to a bus. This includes the time it takes to drive to and from school, waiting or layover time, assigned campus time, fifteen (15) minutes (twenty (20) minutes for buses with air brakes) for checking out the bus, fifteen (15) minutes for cleaning the bus, and ten (10) minutes per run for walking to and from the bus at the Transportation Yard for each check-in and check-out.

16.1.5 **Bus Driver:**

16.1.5.1 **Pool Bus Driver:** A driver who has no assigned bus and who is eligible to bid on available buses.

16.1.5.2 **Regular Bus Driver:** A driver who has been assigned a bus, and who is eligible to bid on available buses.

16.1.5.3 **Trip Driver:** A bus driver who signs on at designated times during the school year to work field trips, sports trips, and extra work available before, during, and after his/her basic time.

16.1.6 **Stand-By Time:** Time a driver is required to spend during a field trip waiting for completion of the event that necessitated the trip.

16.1.7 **Campus Time:** Non-bus driving duties as assigned by the District. Examples of these duties are refueling buses, campus supervision, clerical assignments, etc., to bring basic time up to seven hours.

16.2 **BUS BIDDING:** A regular bus driver will continue to drive the same vehicle from year to year unless reassigned for the good of the service and/or in the interest of safety, provided that such action shall not be taken for punitive or preferential reasons.

16.2.1 **New or Unassigned Buses:** A bus driver may bid on any new and/or unassigned bus by signing the appropriate bid sheet. Bidding shall consist of bus drivers signing the bid sheet in ink. If a driver decides to remove his/her bid from the sheet, it shall be done before bidding ends, by crossing out his/her name with one line and initialing the change in ink.

16.2.1.1 During the school year, bid sheets shall be posted as soon as possible, but no later than ten working days after the bus becomes unassigned. Bid sheets shall remain posted for five working days and be assigned within that day in which bidding ends. The bid sheet for buses that become available during the summer will be posted on the first Monday following the opening of school in September, and shall remain posted for five working days. No bus up for bid may be test driven after bidding has concluded, to determine if a driver accepts that assignment. If no bus driver bids on an available bus, it shall be assigned to the most senior pool bus driver.

16.2.1.2 If all drivers who have bid are qualified, the bus shall be assigned to the most senior driver remaining on the list.

16.2.1.3 A driver who has won the bid for a bus will not be eligible to bid again until the next school year.

16.3 **BUS ROUTE ASSIGNMENT:** Prior to the start of each school year, bus routes will be assigned to each bus.

16.3.1 **Individual Runs May be Reassigned:** Individual bus runs may be reassigned at the supervisor's discretion in order to equalize daily basic time.

16.3.2 **Non-Bus Driving Duties:** Bus drivers will perform additional non-bus driving duties as assigned by the District as campus time.

16.4 **ASSIGNMENT OF OVERTIME:** Overtime will be assigned based on the qualifications of the drivers and the equipment available in order of seniority.

16.4.1 **Equalize Overtime:** Every effort will be made to equalize overtime hours according to seniority on a rotational basis.

16.4.2 **Availability:** All drivers are expected to make themselves available for overtime work.

16.4.3 **Notice of Overtime Assignment:** Overtime work shall be assigned as soon as practicable; when possible at least 72 hours notice will be given. If a driver comes up in rotation for an overtime assignment for a trip requiring a bus capacity for which they are not qualified, they will be passed over and charged for the overtime hours required for the trip.

16.4.4 **Declining Overtime:** Drivers who are given at least 24 hours notice of overtime work and who decline such work or are not available for such work, shall have those hours added to their overtime hours worked. Drivers who decline overtime work are required to complete and sign the "Time Driver is Not Available" form.

16.4.5 **Posting of Overtime:** All overtime hours for drivers will be posted at the end of each two-month period during the school year.

16.5 **PAYMENT FOR OVERTIME:** Bus drivers will be compensated for all overtime work including stand-by time at the appropriate rate.

16.5.1 **Notification of Trip Cancellation:** Bus drivers shall be notified of any trip cancellation at least one hour prior to the time they are required to report for work. If a trip is canceled at the site, drivers will be paid for three hours of work at the overtime rate.

16.6 **EXTRA WORK:** All extra work performed during the spring and winter recess periods, holidays, and Saturdays adjacent to holidays shall be posted for sign-up by bus drivers and assigned to trip drivers first by order of seniority on a rotation basis. In the event that not enough trip drivers sign up for the extra work, bus drivers may be assigned the extra work on the same basis. This time will not be used to calculate adjusted work time.

16.7 **SAFETY:** The district may allow a bus driver involved in a chargeable accident to voluntarily participate in unpaid behind-the-wheel training, in lieu of disciplinary action (suspension, demotion, dismissal). This time may be applied to the driver's required T-01 hours.

ARTICLE 17 - SUBSTANCE ABUSE SCREENING/PRE-PROMOTIONAL PHYSICAL

17.1 A permanent classified employee shall not be drug screened without cause.

17.2 **Pre-Promotional Physical:** A permanent classified employee shall not be given a substance abuse screening during a pre-promotional physical without cause. Exception to this would be when state law requires certain occupations to be tested.

ARTICLE 18 - SAVINGS PROVISION

18.1 **SAVINGS PROVISION:** If any provisions of this Agreement are held to be contrary to law by the Public Employment Relations Board or a court of competent jurisdiction, such provisions shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions shall continue in full force and effect.

ARTICLE 19 - COMPLETION OF MEET AND NEGOTIATE

19.1 **ENTIRE AGREEMENT AND CONCLUSION OF NEGOTIATIONS:** This Agreement constitutes the entire agreement between the parties and concludes meet and negotiate on any item, whether included in the Agreement or not, for the term of this Agreement, except for reopeners on Article 10 - Health and Welfare Benefits, Article 11 - Wages, the Classified Personnel Calendars for 2001-02 and 2002-03, and one (1) other article for each party during 2001-02 and 2002-03.
