THIS AGREEMENT is entered into this first day of July 2007 by and between the Nevada Contractors Association on behalf of its members (hereinafter referred to as "the Employer") and the Southwest Regional Council of Carpenters and Affiliated Local Unions, United Brotherhood of Carpenters and Joiners of America (hereinafter referred to as "the Union").

SECTION 1 - RECOGNITION

100. The Employer has satisfied itself that the Union represents a majority of Employees performing work covered by this Agreement and thereby recognizes the Union as the exclusive bargaining representative of all employees of the Employers hereinafter classified over whom the Union has jurisdiction.

101. The Union recognizes the Employer as the sole and exclusive bargaining representative for their respective members who have authorized the Employer to represent them. A list of such authorizations has been furnished to the Union and the Employer agrees to immediately notify the Union when any authorizations have been canceled or new authorizations have been executed.

102. The Agreement shall bind each and every Employer who has authorized the Association to represent them with the same force and effect as if the Agreement were entered in by each Member individually. The Employer shall be and continue to remain liable under this Agreement during the term irrespective of whether such members shall resign from the Association prior to the expiration date of this Agreement and such liability shall be deemed to have survived the termination of such membership and remain in force during the term of this Agreement.

103. The Employer, having received from the Union a demand or request for recognition as the majority representative of the unit employees covered by this collective bargaining agreement; and, having been presented with, or having been offered to be presented with, by the Union, proof that the union has the support of, or has received authorization to represent, a majority of the unit employees covered by this collective bargaining agreement; hereby expressly and unconditionally acknowledges and grants recognition to the Union as the sole and exclusive collective bargaining representative of the unit employees covered by this collective bargaining agreement, pursuant to Section 9(a) of the National Labor Relations Act, as amended, and agrees not to make any claim questioning or challenging the representative status of the Union.

104. Notwithstanding any provision of the Master Labor Agreement or this Agreement, the individual employer agrees that upon a showing by the Union or any of its affiliates a majority of the individual employer's shop employees, if any, have designated the Union and/or any of its affiliates as their representative for collective bargaining purposes, the individual employer shall recognize the Union and/or its affiliates as the collective bargaining representative of its shop employees and shall agree to negotiate all wages, hours, terms and conditions of employment appropriate for their shop. Proof of such majority representation shall be established by the submission of authorization cards to a neutral third person who shall compare the signatures with appropriate employer records. The individual employer shall fully cooperate in such review upon demand by the Union or any of its affiliates. This paragraph does not apply to Employers' storage warehouse or yards.

Each Employer and each subcontractor shall notify the Union and the Trust Fund office listed in this Agreement ("Funds") in writing, on a uniform Job Registration Form available from the Union or the Funds, of the location of each job on which the Employer will be performing work covered by this Agreement and all necessary information required by such form. Each Employer shall provide such information for work it does not subcontract but performs itself. This form is requested but not required of Subcontractors whose project has a dollar value less than \$250,000.00, or Employers whose project has a dollar value less than \$1,000,000.00. Such form shall be completed and filed with the Union and with the Trust Fund office at least 48 hours prior to the commencement of work. If factors beyond the control of the Employer or subcontractor prevent timely filing of the Job Registration Form, the Employer or subcontractor within forty-eight (48) hours prior to commencement of work, shall so notify the Union and the Funds by e-mail or fax, identify the project, and file the completed Job Registration Form with the Union and the Trust Fund office within forty-eight (48) hours thereafter.

302. In the event an employer takes over the performance of any work covered by the terms of this Agreement for another Employer or subcontractor, the successor Employer or subcontractor shall notify the Funds and the Union in writing of its intent to undertake performance of the work. Such notice shall be given as much time prior to commencing work as possible.

303. To the extent required by state law, the Employer shall be financially responsible for all wages and fringe benefit payments owed to any workmen or any funds established by this Agreement by the Employer's Subcontractor, or the Subcontractor of a Subcontractor, to any workmen or any Fund contributions required in this Agreement for work performed on the Employer's job or project, provided there has been an appropriate demand made in writing to recover said wages and fringe benefits. If the Employer has included the delinquent Subcontractor on a duly filed Job Registration Form, a copy of such demand will be furnished to the Employer. If the state law is amended to relieve the Employer of such responsibility, then this Section shall continue to be applicable on the Employer's responsibility to the extent of any monies remaining due from the Employer to the Subcontractor who is liable for wages or fringe benefit contributions.

304. Prior to implementation of this paragraph, the Union or Trust Fund will make a good faith effort to promptly notify the Employer of any and all delinquencies of the Subcontractor and make a good faith effort to exhaust execution of the Subcontractor's bond or bonds.

The terms and conditions of this Agreement insofar as it affects the individual Employer shall apply to any subcontractor under the control of or working under contract with the individual Employer upon work covered by this Agreement, and said subcontractor with respect to such work shall be considered as the individual Employer. Any subcontractor performing work under the jurisdiction of this Agreement must furnish all materials and equipment for the fabrication and/or installation thereof (except carpenter hand tools) and must compensate carpenters at the wage rates, fringe benefits and working conditions as specified in this Agreement.

306. For purposes of this Agreement, a subcontractor is any person (other than an employee covered by this Agreement), firm, corporation, partnership, limited liability company, or other entity that holds a valid State Contractor's License, wherever required by law, and who agrees under contract in writing with the Employer or in writing with his subcontractors to perform any work covered by this Agreement and who employs workmen as employees to perform services under this Agreement, who agrees in writing to perform for or on behalf of an Employer or other subcontractor any part or portion of the work covered by this Agreement.

307. The Employer and his subcontractors shall refrain from the use of materials which will tend to cause discord or disturbance on the job site.

308. The terms and conditions set forth in this Section III apply to bargaining unit work only. The Union may withhold or withdraw workers from the Employer or subcontractor for failure to comply with this Section III (301.); only after first (1st) notifying the employer or subcontractor in writing 48 hours before withdrawing workers from the employer or subcontractor.

309. The parties recognize and acknowledge the importance of prompt remedial action to collect delinquent fringe benefit contributions from Employers of Subcontractors who are habitually delinquent in their payments to the Funds and will use their good faith efforts to encourage such action. The parties also recognize the responsibility to file appropriate documents in connection with bankruptcy of any Employer or Subcontractor as part of a prudent effort to collect unpaid wages or fringe benefit contributions.

SECTION IV - APPLICABILITY

400. The parties agree that in the event the Union party hereto shall negotiate different terms and conditions of employment for employees performing job site construction industry work in classifications similar to those set forth in this Agreement in the work and territorial jurisdiction of the Union signatory hereto, no Employer signatory to this Master Labor Agreement shall be required to provide terms or conditions of employment under this Master Labor Agreement any more favorable than such terms and conditions contained in such other construction industry agreements concerning jobsite work within the territorial jurisdiction of this Agreement. Consistent with that recognition, the parties will continually monitor the effectiveness of this Agreement during its term as may be necessary to assure the work opportunities of the employees and the competitive position of the individual employers. To implement the intent of this paragraph, the parties to this Agreement hereby establish a Committee composed of three (3) representatives appointed by the Union and three (3) representatives appointed by the Nevada Contractors Association. This Committee will review requests for changes in the terms and conditions of the Agreement that may be necessary to preserve work

opportunities for employees and individual employers covered by the Agreement. The Committee is authorized to approve and implement such changes as it deems to be in the best interest of the parties to the Agreement.

SECTION VI - PLANS & FUNDS

600. The Contractors signatory to this Agreement agree to comply with all the terms set forth in the Agreements establishing: (1) the Southwest Carpenters Pension Trust, dated September 14, 1959; (2) the Southern Nevada Carpenters Annuity Fund dated July 1, 1989; (3) the Southwest Carpenters Health & Welfare Trust, dated February 8, 1955; (4) the Southwest Carpenters Training Fund, dated May 1, 1960; (5) the Southwest Carpenters Vacation Trust, dated April 1, 1962; and (6) the Contractors Grievance and Arbitration Trust (hereafter collectively referred to as the "Carpenters Trust Funds") and any amendments, modifications, extensions and renewals of such Trust Agreements. Such Trust Agreements are incorporated herein by reference and made a part of this Agreement.

601. The Contractor agrees to pay the Carpenters Trust Funds the sums in the amounts and manner provided for in this Agreement (see Section V Wage Scales) and the Trust Agreements and further agrees to be bound by the Trust Agreements, and Rules and Procedures adopted by the Trustees, and all amendments, and modifications thereto and further agrees that it does irrevocably designate and appoint the Employers mentioned in the Trust Agreements along with representatives designated by the United General Contractors, Inc., as its attorney-in-fact, for the selection or removal of Trustees as provided by or pursuant to the Trust Agreements.

602. Included in the contributions called for herein, the parties agree that each signatory employer will make a contribution to the Carpenters' International Training Fund and to the UBC Labor Management Education and Development Fund (hereafter "International Funds") in such amounts as allocated by the Union. Payment to the International Funds shall be made to such collection agent as is designated by the Union on or before the 20th day of the month following the month of the work performed. Currently four cents per hour is contributed to the International Training Fund. These contributions may be collected with the existing contributions to one of the existing Carpenters Trust Funds or other Carpenter funds, upon approval of the Trustees of those Funds, and as allocated by the Union. The Employer agrees to be bound to the Agreements and Declarations of Trust for the International Funds as they exist and as they may be amended or restated, and to such rules, regulations and other governing documents adopted pursuant to such Trusts. Upon request the employer may receive the latest annual report prepared for the Funds.

603. Each individual Employer covered by this Agreement will contribute the sum of \$2.85 cents for each hour compensated to carpenters employed by such individual Employer under this Agreement to the Carpenters Southern Nevada Pension Trust Fund. This amount is reflected in the Pension contribution set forth in Section V. When work on Sundays and Holidays is done, there will be a \$1.50 premium paid for each hour of compensation under this Agreement.

604. Supplemental Dues

604.1 Subject to the following conditions, the Contractor agrees that he will remit to the Southwest Carpenters Vacation Trust on a monthly basis for every hour

worked or paid for by employees covered by this Agreement the amount designated herein (See Section 5 Wage Scales) as vacation pay. If his employees sign a written authorization to do so, the Administrator of the Vacation Trust will deduct from that amount the sum of ninety-five cents (\$0.95) per hour or the amount of Supplemental Dues that are lawfully required by the Union. In implementing the foregoing the Carpenters Southwest Administrative Corporation has been designated as Agent for the purpose of receiving and holding written authorization cards and for receiving, holding and allocating and distributing the dues monies.

604.2 Said Supplemental Dues will be transmitted to said Agent concurrently with, but not as a part of, the Employers monthly vacation contributions with respect to his employees covered by this Agreement to the Southwest Carpenters Vacation Trust. All sums deducted by the Employers pursuant to the provision of this Article will, from the instant of their deduction, be considered dues if proper authorization will have been furnished. All other sums transmitted by the Employers pursuant to the provisions of this Article will, from the instance of their transmittal, be considered vacation contributions if no such proper authorization will have been furnished, and will be held by the Vacation Trust for the account of the employee. Prior to the deposit in the separate bank accounts of the Agent, on the one hand, and the Vacation Trust, on the other, the bank will separate the funds transmitted into dues and vacation contributions, respectively, based on whether or not a proper dues deduction authorization will have been filed. The bank will then deposit such sums in the account of either the Agent or the Vacation Trust. The Union will bear the responsibility for furnishing the written authorization referred to above. All costs incident to receipt, administration and remittance to the Union of the Supplemental Dues payment will be borne by the Union. This provision will not reduce the obligations of the Contractor to pay the full amount of vacation contributions specified in this Agreement. All written authorizations referred to above will be irrevocable for a period of one (1) year from the date of the execution and will renew automatically from year to year, unless the employee, by written notice served upon the Local Union and/or the Agent not more than twenty (20) days and not less than ten (10) days prior to the expiration of the first year or any year thereafter, will have revoked such authorization.

604.3 The amount payable to the Vacation Fund on overtime work shall be paid in an amount reflecting the overtime premium payment.

605. CONTRIBUTIONS ON BEHALF OF SUPERINTENDENTS: The Union and the Employer agree that when employees are working in a supervisory position above the rank of general foreman, the individual Employer may make payments with respect to his work into the Carpenters Health and Welfare Trust Fund and Carpenters Pension Trust Fund, on the basis of 173 hours per month, in accordance with the schedules set forth in the Master Agreement, regardless of hours worked by such employee in a month; provided, however, the individual Employer having made one (1) payment on an employee shall continue to make such payments so long as the employee is in his employ in a like supervisory capacity. The Employer agrees to abide by the rules adopted by the Trustees of the Pension and Health and Welfare Fund governing contributions on behalf of superintendents.

606. APPRENTICESHIP: The Employer and the Union agree to establish and operate a Joint Apprenticeship Committee for carpenters. The Joint Apprenticeship Committee is to provide direction of the on-the-job and related class training of all apprentices in the trade.

607. To meet the cost of operation and administration of the joint apprenticeship program, each individual Employer covered by this Agreement will contribute the sum of thirty-five (\$.35) cents per hour for each hour compensated to carpenters employed by such individual Employer under this Agreement. Such contributions shall be made to the Southwest Carpenters Training Fund. The employment of apprentices shall be governed under conditions established in accordance with this paragraph (606, 607, 608, 609) and under the rules and regulations of the Joint Apprenticeship Committee.

608. The Trustees of the Joint Apprenticeship Committee shall have the authority to establish new training programs to provide journeyman carpenters with training regarding upgrading such carpenters on technology, materials and new methods of work that are related to the carpenters and millwright trades. Such programs shall be established within existing contributions and available funds.

609. A Contractor may employ one (1) apprentice for every two (2) journeymen. The Contractor must hire one (1) apprentice after ten (10) journeymen, including the foreman. After the first ten (10), then for every five (5) journeymen he must employ one (1) apprentice if available. If the Employer fails to maintain the ratio of journeyman to apprentice, the Union will dispatch an apprentice every time a journeyman is dispatched until the ratio is met. Two (2) apprentices may be employed with each journeyman on Insulation Work.

610. GRIEVANCE AND ARBITRATION/ADMINISTRATION TRUST FUND: There is hereby established a Grievance and Arbitration/Administration Trust Fund. The purposes of the Trust are to establish and administer procedures to process grievances and to provide third party independent arbitration on disputes concerning the interpretation or application of this Agreement that may occur between the employer or individual employer and the Union. Additionally, the purposes will include establishing, implementing and administering uniform labor relations policies and assisting in the negotiations of any modification, amendment, change, extension or renewal of this Agreement or any subsequent agreement on behalf of signatory members of the Association and those individual Employers who, under a collective bargaining agreement with the Union, are so obligated to contribute. Each individual employer agrees to contribute the sum of eight cents (\$.08) per hour for each hour compensated to carpenters employed by such individual employer under this Agreement, to the Grievance and Arbitration/Administration Trust Fund.

611. The Trustees of the Grievance and Arbitration/Administration Trust Fund shall be appointed by the United Builders and Contractors Association, Inc. All monies collected on behalf of contractors who are signatory through a proxy with the Nevada Contractors Association will be forwarded to the Nevada Contractors Association on a monthly basis by the Grievance and Arbitration/Administration Trust Fund. Also it is agreed the Nevada Contractors Association will continue to represent all members of the Association in matters of labor relations, including grievance and arbitration representation.

612. CARPENTERS-CONTRACTORS COOPERATION COMMITTEE: The parties to this Agreement have established the Carpenters-Contractors Cooperation Committee for the purposes of protecting, improving and advancing the interests and welfare of Contractors and employees working within the unionized segment of the Carpenters construction industry. Each signatory member of the Association and those individual Employers who are obligated to contribute under a collective bargaining agreement with the Union shall contribute, during the term of this Agreement, the sum designated in Section V to the Carpenters-Contractors Cooperation Committee. The Committee is a jointly established and administered Committee formed and created for the above stated purposes and the individual Employer hereby adopts and agree to be bound by the terms of Bylaws establishing the Carpenters-Contractors Cooperation Committee dated October 1, 1986, and further agrees to observe and be bound by the actions and determinations of the Board of Directors of said Committee.

613. All payments required to be made by each Employer to the Vacation Savings Plan, the Health and Insurance Trust Fund, Grievance and Arbitration Administration Trust Fund, Carpenters Contractors Cooperation Committee, the Carpenters International Training Fund, the Pension Trust Fund, the Training Trust Fund, when applicable, under this Section shall be due and payable to the appropriate trust fund and Joint Apprenticeship Committee no later than the tenth (10th) day of the month for all hours worked by employees covered by this Agreement during the preceding month. An Employer who has not made such payments by the twentieth (20th) day of the month shall be considered in violation of the Agreement and a delinquent Employer. The grievance and arbitration procedure contained in Section XV shall not apply to any cases involving the failure of a contractor to pay fringe benefits as required herein. The Union shall take appropriate action against the Employer or Subcontractor who is delinquent in the payment of fringe benefit contributions under this Agreement, up to and including the withholding of manpower.

614. A list of Subcontractors or others who are delinquent in payment of fringe benefit contributions under this Agreement will be provided monthly to Employers and Employer Associations representing Employers, as close as reasonably possibly to the first of the next month succeeding the due date of reports referenced above.

615. The Union may, upon ninety (90) days written advance notice at any time during the term of this Agreement, allocate any portion of the then-existing journeyman wage rate to the Vacation Savings Plan, Apprenticeship Committee Trust Fund, Carpenters International Training Fund, Work Preservation Committee Fund, Health and Welfare and/or Pension Plan.

616. TRUST FUND DELINQUENCIES:

616.1 Throughout the effective term of this agreement, the Employer and the Union agree to be bound by and to fully comply with all terms and provisions of the Trust Agreements referred to herein and to comply fully with all, regulations and eligibility standards adopted by each of said Boards of Trustees, together with any and all further amendments, changes and additions to said Trust Agreements and/or to said rules, regulations and eligibility standards which at any time may be adopted.

616.2 In the event of non-payment or delinquent payment of contributions, the Employer shall pay to each of said Trust Funds liquidated damages, interest, audit fees, court costs and reasonable attorney fees for the expense of collection.

616.3 If any of said Boards of Trustees, acting directly or through its authorized representatives, makes a determination that the Employer is delinquent in furnishing timely reports in proper form, making timely payment of contributions or in failing to comply fully with any of the provisions of the applicable Agreement and Declaration of Trust or with any rules, regulations or collection procedures of such Trust Fund, then, in addition to the foregoing provisions of this Article, the Union may refuse to furnish any employees to such delinquent Employer and/or may direct employees currently employed by such delinquent Employer to cease working and/or impose economic or other legal sanctions against such delinquent Employer. Any such action by the Union shall not be in violation of the Strike, Prohibition provisions set forth in this Agreement. 1200.2 The individual Employer shall advise the Union or Regional Council, in writing, at all times of the names (including trade names and names of individual proprietors or partners who signed the subcontract) and addresses of all subcontractors or his subcontractors employed or to be employed or, contracted with for services to be performed under this Agreement. Such written notice shall be made at the pre-job conference or ten (10) days prior to the commencement of work by any such subcontractor.

SECTION XIII - PAYMENT OF WAGES

1300. All wages must be paid on the jobsite weekly on Fridays, no later than one-half hour before quitting time. The Employer may not hold back more than seven (7) calendar days pay. When an employee is laid off or discharged, the employee must be paid in full at the time of such layoff or discharge. All employees must be paid wages due to them on Fridays or at the time of the layoff or discharge, and if not, then pay shall accumulate for all time that such employee is not paid on the basis of eight hours per day on a seven day basis until payment is made.

1301. When employees are paid by check on other than a local bank, the Employer shall make arrangements for a local bank to honor his checks. The Employer will not require a lien waiver as a condition precedent to the receipt of a payroll check. All wages shall be paid by paycheck only. The individual Employer shall show on the paycheck stubs the individual Employer's name, business address, payroll ending date, total hours, total overtime hours, itemized deductions and net pay, plus each contribution made with respect to that payroll period.

1302. Whenever an employee resigns or quits his employment, the wages and compensation earned and unpaid at the time of such resignation or quitting shall be paid within twenty-four (24) hours after a demand therefore. The Employer may not in any case, however, withhold the employee's final check for a period longer than three (3) days unless the delay is caused by circumstances beyond the control of the Employer.

1303. If the Employer lays off men prior to payday, they must pay the men in full at the time of termination of employment. Any employee discharged or laid off in the afternoon shall receive pay until the regular quitting time of the shift. All employees, upon termination, shall be allowed sufficient time to assemble their tools before leaving the job.

1304. The Employer agrees to furnish such payroll information as may be necessary as requested by the Union in order to determine whether there has been any violation of the wage, fringe benefits, or other conditions of employment of the Agreement.

SECTION XIV- UNION REPRESENTATIVE

1400. A Union Representative, full-time, credentialed by the Regional Council, or steward shall have access to the job during working hours for the purpose of checking the manner in which the

terms of this Agreement are being complied with. He shall make every reasonable effort to advise the individual Employer or his representatives of his presence on the job and shall not stop or interfere with the work of any workman without the permission of the individual Employer or his representative unless the Union Representative determines that there has been a violation of the Agreement by the Employer. No Union Representative or steward shall be discriminated against for performing his duties under this Agreement.

1401. STEWARDS:

1401.1 The steward is to receive grievances or disputes from employee members of his craft and shall immediately report them to his business representative, who shall immediately attempt to adjust the grievance or dispute with the Employer or his representative.

1401.2 The steward shall be a working employee selected by the Union who shall, in addition to his regularly assigned work, be permitted to perform during working hours such of his steward's duties as cannot be performed otherwise. The Union agrees that such duties shall be performed as expeditiously, as possible, and the Employer agrees to allow the steward a reasonable amount of time for the performance of his duties, including, in addition to his normal duties, obtaining information on safety and sanitation.

1401.3 The Union shall notify the Employer or his representative, in writing, of the appointment of the steward. The Employer or his representative can lay off or discharge the steward for cause only, and the Employer shall notify the Union, in writing, of his intention to do so one (1) full working day prior to such layoff or discharge on projects within fifty (50) miles of the hiring hall, and give two (2) working days notice on projects located over fifty (50) miles from the hiring hall.

SECTION XV - NO STRIKES - NO LOCKOUTS SETTLEMENT OF DISPUTES

1500. It is the purpose and the intent of the parties hereto that all grievances or disputes arising between them over the interpretation or application of the terms of this Agreement shall be settled by the procedure set forth in this section and that during the term of this Agreement, the Union on whose behalf this Agreement is made shall not, during the term hereof, call, engage in, sanction or assist in a strike against or any slowdown or stoppage of the work of the Contractor, and will require the employees it represents to perform their services for the Contractors on the work described herein when required by said Contractors to do so; and during the term of this Agreement, a Contractor signatory to this Agreement shall not cause or permit any lockout of the employees represented by the Union on whose behalf this Agreement is made on work described herein.

1501. In cases of violation, misunderstanding, or differences of opinion in interpretation of this Agreement by either party, there shall be no cessation or stoppage of work except as in the case where a signatory Employer fails to pay wages due or is delinquent in contributions to any Trust Fund established under this Agreement. Should a controversy, dispute or disagreement arise during the term of this Agreement over the interpretation and operations of this Agreement, the difference shall be adjusted in the following manner:

1502. All complaints, to have any validity, must be filed in writing within twenty (20) days after the matter in dispute or disagreement is alleged to have occurred. Errors in paychecks must be filed in writing within ten (10) working days from payday. Upon receipt of a written report setting forth in detail the nature of the specific issue in controversy, a representative of the Union and a representative of the Employer shall attempt to reach a settlement of the dispute. If a settlement is not reached within five (5) days, the matter shall be submitted to a Board of Adjustment, appointed as follows:

1503. Two (2) members shall be appointed by the Employer involved, or his designated representative and two (2) members shall be appointed by the Union.

1504. A simple majority vote of the Board of Adjustment shall be final and binding on all parties and grievants. In the event the Board of Adjustment does not reach a majority decision within three (3) days after a referral of the issue to the Board, the dispute or grievance may be referred to arbitration by either or both parties, and the decision of the arbitrator shall be final and binding on all parties and grievants. If within twenty-four (24) hours, the parties cannot agree on selection of an arbitrator, such arbitrator shall be selected as follows:

1505. The Federal Mediation and Conciliation Service shall be requested to submit the names of seven (7) qualified arbitrators. Each party to the dispute, through their appointed representatives, shall have the right to reject three of the names submitted, and the remaining seventh person shall be selected as the neutral chairman within twenty-four (24) hours after the submission of the names of such qualified arbitrators. The above time limits may be extended by mutual agreement. The arbitrator's fee and all incidental expenses shall be paid equally by the parties.

1506. No jurisdictional disputes involving the Union on whose behalf this Agreement is made shall be submitted under this grievance and arbitration procedure, but shall be determined in the manner provided in Section II of this Agreement. All disputes or grievances arising out of the interpretation or application of any terms or conditions of this Agreement shall be submitted for determination, and shall be determined by the procedures set forth in this Section XV. It is expressly understood and agreed that in the event of arbitration, the arbitrator, in determining any grievance or dispute shall have no authority to modify, vary, change, add to or remove any of the terms or conditions of this Agreement.

SECTION XVI - TOOLS

1600. The individual Employer shall provide on each jobsite a secure place where the employees may keep their tools.

1601. Carpenters and apprentices shall furnish their own tools, but shall not furnish sawhorses, ladders, miter boxes, electric drills, power bits, power or battery tools and machines, electric cords, power saws or automotive equipment to be used for the purpose of hauling or delivering the Employer's materials or equipment. Each employee shall arrive on the jobsite with tools in a proper condition. If necessary, the employees shall be allowed a reasonable amount of time during the work week to sharpen their tools on the Employer's time. If the Employer so chooses, he may send out employee's saws to be sharpened by a commercial saw sharpener.

1602. The Employer shall not contract with any workman or with any member of the family of a workman employed under this Agreement either by way of a lease, loan, or sale unless such member of the family is engaged in a bona fide licensed regular business regarding such tools.

1603. If any individual employee's full box of working tools is lost by reason of fire, theft or forcible entry while in the individual Employer's care, the individual Employer shall reimburse the employee for such loss up to a maximum of seven hundred fifty dollars (\$ 750.00) within five (5) working days from the date of claim for loss of tools as provided herein, the individual Employer shall acknowledge liability therefore or reject the claim. To implement this section, the individual carpenter shall provide an exact written inventory of tools within five (5) days after starting the job.

SECTION XVII - WORKING CONDITIONS

1700. Iced drinking water or, at the option of the Employer, electric coolers, shall be furnished on the jobsite at all times and sufficient sanitary cups furnished. Sanitary toilets must be furnished on all jobs in accordance with the applicable local and state health and sanitation laws. The Employer shall provide a shelter for men to use at lunchtime if no vehicle is available in the immediate locality of the project.

1701. The Employer will carry adequate insurance for compensation of injured workmen. The Employer and all employees mutually recognize the need for the provision and maintenance of safe working conditions, the observance of proper safety practices with respect to the use of tools, equipment and supplies, and compliance with all applicable federal and state safety rules and regulations. Employees are required to report work injuries immediately to the Employer upon occurrence. Employees shall not be required to work under hazardous conditions when the performance of such work is in contravention to applicable Federal and State Safety Rules and Regulations. First aid kits must be provided and maintained on the jobsite.

1702. The Employer will immediately notify the Union by telephone of any industrial accident involving an employee covered by this Agreement that is of a nature that is required to be reported to the State of Nevada under applicable State laws. Where an employee is required to work in a hazardous area where there is a mutually recognized hazard and exposure to possible injury, such employee shall not be required to work alone.

1703. The Employer shall not refuse to hire for employment an applicant who is physically able to perform his work or discharge or discriminate against such an employee, because of any

industrial injury incurred by the workman prior to employment or because of the filing of a claim for workers' compensation benefits.

1704. Each employee employed in accordance with the terms of this Agreement shall receive the minimum hourly wage rates specified in this Agreement. Any other method of paying employees, such as the use of piecework, bonus systems, quota setting or lumping of the work, shall be deemed a violation of this Agreement. Work performed under this Agreement shall be done by the employees of the Employer on an hourly basis subject to the subcontracting provisions of this Agreement, and the Employer recognizes those sections of the Constitution and Bylaws of the United Brotherhood of Carpenters and Joiners of America, which prohibit its members from contracting for labor only. The contracting Employer agrees that all work covered by this Agreement shall be performed by carpenters and that such workmen shall be employees of the Employer or the subcontractor employed under the terms of this Agreement. The provisions regarding piecework and minimum hourly wage rates shall not be applicable in the event a carpenter is employed under Appendix "D" relating to residential construction.

1705. An employee who as a result of an on-the-job industrial injury is unable to complete a full day's work shall be paid for the full day on which such injury occurred, provided, however, that such payment need not be paid where said injury does not require the attention of a physician who has certified the employee's inability to complete the work on that day because of such injury. If the employee is required to keep a doctor's appointment during working hours and such doctor's appointment is the direct result of an on-the-job industrial accident, then his pay will continue for the time he is absent from the job for such doctor's office visit provided he furnishes satisfactory proof to the Employer.

1706. When any protective equipment or clothing is necessary, all such equipment or clothing shall be furnished by the Employer.

1707. Employees shall not be discriminated against for failure to work behind a picket line sanctioned by the Southwest Regional Council of Carpenters.

1708. Neither the Employer nor the Union will discriminate against a person with respect to employment or Union membership because of race, religion, color, sex, age, national origin or ancestry. This provision shall apply to hiring, placement for employment, training during employment, rates of pay, or other forms of compensation and benefits, selection for training including apprenticeship, layoff or termination, and application for admission to Union membership.

1709. The Contractor shall provide or pay for, parking facilities for employees where free parking is not available within three blocks of the job, or one-quarter (1/4) mile, whichever is less. When bussing of employees from a remote parking facility is used, the employee will travel in on his or her own time not to exceed thirty (30) minutes and must be returned to the parking area no later than thirty (30) minutes after quitting time or overtime will be assessed for the delay. If an employee is at the designated parking area thirty minutes before the start of work, he or she will be considered to have started work on time regardless of when the bus arrives at the jobsite. Where payment is applicable, payment shall be made to the carpenter who turns in a parking check stub

for reimbursement of actual cost. Such parking check stubs may be turned in weekly or on termination of employment, whichever occurs sooner.

1710. The parties to this Agreement recognize and understand that it would be inconsistent with the industry custom and practice to prohibit individuals, under normal conditions, during the first half of the shift, a 15 minute unorganized break at his or her assigned work area. If an employee is scheduled to work ten (10) or more hours on any day, he will be given a second fifteen (15) minute, unorganized break at the place of work during the second half of the shift between the sixth and ninth hour.

SECTION XVIII - UNION SECURITY

1800. The following Union Shop clause shall become operative if and when a court of competent jurisdiction should decide that a Union Shop provision as provided herein is lawful within the State of Nevada:

Employees employed by one or more of the Employers subject to this Agreement for a period of eight (8) days continuously or cumulatively shall be or become after the eight day period or eight days after the effective date of this Agreement, whichever is later, members of the appropriate Local Union and shall remain members of the appropriate Local Union as a condition of continued employment.

1802. Membership in the appropriate Local Union shall be available upon terms and qualifications not more burdensome than those applicable at such times to other applicants for membership in the Union.

SECTION XIX - SAVINGS CLAUSE

1900. It is not the intent of either party hereto to violate any laws, rulings or regulations of any governmental authority or agency having jurisdiction over the subject matter of this Agreement, and the parties agree that in the event that any provisions of this Agreement are finally held or determined to be illegal or void as being in contravention of any such laws, rulings, or regulations, nevertheless the remainder of this Agreement shall remain in full force and effect unless the parts so found to be void are fully inseparable from the remaining portion of this Agreement. The parties agree that if and when any provisions of this Agreement are held or determined to be illegal or void, they will then promptly enter in lawful negotiations concerning the substance thereof.

SECTION XX - FOREMEN

2000. The selection of an individual who will be the carpenter foreman is at the sole discretion of the Employer. It is understood that a foreman shall be an employee employed under the terms of this Agreement and the dispatching and hiring provisions of Appendix "A", and shall receive the foreman's differential pay. Such foreman may work with the tools of the trade except as hereinafter provided. Whenever there are four or more journeyman employees, one must be designated as the foreman. When a carpenter is designated as a foreman and is assigned the responsibility of supervising ten (10) or more employees, he shall not be allowed to work as a

journeyman except for the purpose of instruction or for incidental assistance to a journeyman or apprentice. In case more than two foremen are employed on the same shift on a single job, there shall be designated a general foreman. Any foreman who does not work, with his tools during regular working hours cannot work with his tools on overtime or on Saturdays, Sundays or holidays. For this purpose a Foreman is described as a Journeyman who receives direction from a Superintendent or General Foreman to direct, supervise or instruct any group or crew of carpenters, with the knowledge that he or she is responsible for a segment of the project.

26 - 50	100,000.00
51 - 75	150,000.00
76 or more	200,000.00

2101. Said Bonds (or other suitable security) shall be in favor of the currently designated Administrator (or whomsoever the Board of Trustees shall designate) of all the aforesaid Fringe Benefit Trust Funds referred to in this Agreement. In the event an Employer fails to furnish a Fringe Benefit Payment Bond (or other suitable security) within ten (10) days after requested, in accordance with the above procedure, the Union shall be relieved of all obligations under this Agreement insofar as concerns such Employer. In addition, in order to preserve its own interests and protect its members, immediately upon knowledge of any such event, the Union shall authorize and direct its members to refuse to work for such Employer. The Carpenters Trust Fund shall be directed to use reasonable efforts to collect delinquencies from bonds in addition to other sources of payments.

SECTION XXII - EFFECTIVE DATE AND TERMINATION

2200. This Agreement shall be effective as of July 1, 2007 and shall remain in full force and effect to and including June 30, 2011 and continue in full force and effect from year to year thereafter unless canceled or modified as herein provided. Either party to the Agreement may give written notice to the other of a desire to change, modify or terminate the Agreement at least sixty (60) days but not more than ninety (90) days prior to June 30, 2011 or June 30 of any succeeding year.

2201. The Union agrees that in the event that either party should exercise its right under the first paragraph of this Section, the Union will for a period of sixty (60) days prior to June 30 of any such year, bargain with the Employer with respect to all wage rates, working conditions and hours of employment for this work herein covered, and the Employer agrees to bargain in the same

manner. If no Agreement is entered into between the parties by July 1 of any year in which such notice shall be given, then this Agreement thereupon shall cease and terminate.

3000. In the employment of workmen for all work covered by this Agreement in the territory described, the following provisions shall govern:

3000.1 The Local Unions shall establish and maintain open and nondiscriminatory employment on work covered by this Agreement.

3000.2 It is agreed by the Employer and the Union to fully comply with all the provisions of the federal and state laws to the end that no person shall, on the grounds of sex, race, color, national origin, or membership or non-membership in a labor union, be excluded from participation in or be denied the benefits of the terms of this Agreement or otherwise subjected to discrimination by not having full access to the terms of this Agreement. The Union hereby agrees to indemnify and hold harmless the Employer from any losses or damages resulting from any act or omission of the Union in breaching or failing to comply with all such laws and regulations, not however, including court costs and attorneys fees not authorized by the Union.

3000.3 The Employer shall first call upon the Local Union having jurisdiction for such men as the Employer may from time to time need, and the respective Local Union shall furnish to the Employer the required number of qualified and competent workmen of the classification requested by the Employer strictly in accordance with the provision of this section.

- 3000.4** It shall be the responsibility of the Employer when ordering men to give the Local Union all of the pertinent information regarding the workmen's employment, to enable the dispatch of the workmen required.
- 3000.5** The Local Union will furnish, in accordance with the request of the individual Employer, such qualified and competent workmen of the classifications needed from among those entered on the employment lists, to the individual Employer by use of a written referral in the following order of preference on a nondiscriminatory basis, and shall not be based on or in any way affected by Union membership, by-laws, rules, regulations, constitutional provisions or any other aspect or obligation of Union membership policies or requirements. All applicants for referrals to jobs shall receive equal consideration for employment without regard to sex, race, creed, color or national origin, in conformity with the requirements of the federal and state laws.
- 3000.6** The selection of qualified, competent workmen and the order of preference on dispatching of such workmen shall be on the following basis:
- 3000.6.1** To qualify for referral as a journeyman, the applicant must submit evidence either of satisfactorily having completed a course in apprenticeship training conducted by or under the DIRECTION (discretion) of the standards of the Bureau of Apprenticeship, United States Department of Labor, or he shall submit satisfactory written proof that he has at least four (4) years experience in the carpenter trade.
- 3000.6.2** The Union shall maintain a register of all applicants so qualified, established on the basis of the groups listed below, each applicant being registered in the highest priority group for which he qualifies:
- 3000.7 CARPENTER LIST.** Journeyman Carpenters, form builders, setters, layout, finish, framers and welders.
- 3000.8 DRYWALL LIST.** Journeyman Drywallers, metal framer, acoustic specialists, lathers, layout and welders.
- 3000.9** The Employer may request by name any qualified workman whose name is on the out-of-work list. On jobs with no on site or in office hiring or solicitation, then one worker in four (4) must be requested off the top of the list.
- 3000.10** The dispatcher at the Local Union in the first instance, in accordance with the provisions of this section, will determine whether a workman is qualified to register and into what group or list he shall be placed. This determination will normally be based upon information or papers which the workman or the Employer supplies. If any doubt exists as to any material matter, the dispatcher may call or otherwise make a prompt investigation to get any facts required.

- 3000.11** The Local Union shall post at the hiring hall of the Local Union all Provisions, including the terms of this Agreement and any hiring hall procedures adopted by the Union and not in conflict with terms of the Agreement. Copies of such hiring hall procedures shall be posted in an area where notices to applicants for employment with the individual Employers are customarily posted.
- 3000.12** When ordering workmen, the individual Employer will give written notice to the Local Union, if possible, no later than 2:30 p.m. of the day prior (Monday through Friday), or in any event not less than twelve (12) hours, if possible, before the reporting time. In the event forty-eight (48) hours elapse after such notice without the Local Union furnishing any workmen, (Saturdays, Sundays and recognized Holidays excluded) the individual employer may procure workmen from any other source or sources. If workmen are so employed, the individual Employer shall promptly report, to the appropriate Local Union, each such workman by name.
- 3000.13** Subject to the terms of this Section, the individual Employer retains the right to reject any workman referred by the Union for any reason, and the individual Employer may discharge an employee for any cause which he may deem sufficient, provided, however, in the hiring or discharging there shall not be any discrimination on the part of the Employer against any employee for activities in behalf of or in representation of the Union not interfering with the proper performance of his duties. In the event the Employer does not hire the workman dispatched, the Employer shall pay such workman a minimum of two (2) hours show-up pay at the hourly rate and all fringe benefits for his classification in Zone 1 and a minimum of four (4) hours in Zone 2 & 3.
- 3000.14** No show-up time will be applicable when a workman reports in a physically unfit condition to work or fails to report to the jobsite within one hour after being dispatched to a job located within twenty (20) miles from the Local Union Hall, or refuses to work when assigned by the Employer, or reports to the job and fails to have the traditional tools of the trade necessary to perform the job. The provisions on not paying show-up time as set forth in this section shall also be applicable to the requirement of paying zone pay to an employee reporting to a zone beyond twenty (20) miles from the Las Vegas Area Free Zone as set forth in Section VIII of this Agreement.
- 3000.15** When requesting an apprentice from the Union and such apprentice is not called by name, then the Union shall dispatch an apprentice from the hiring list in the order that the apprentice has signed the list, regardless of the year of such apprentice's training. Nothing in this subsection shall change the existing practice of (for) hiring apprentices directly by the Employer or calling for an apprentice by name from the Union's hiring list.
- 3000.16** The Employer will provide a printed form for handout by the Union at time of dispatch indicating necessary forms of identification required by Immigration to establish eligibility to work under Federal Law.

5005.7 Any Millwright reporting for regular work, or called to work, shall be given two (2) hours reporting time in Zone #1 and four (4) hours in Zones #2 & #3, except if not allowed to work because of a situation out of the control of the Contractor. A man shall be paid at the regular wage rate for time required for filling out papers, fingerprinting, picture passes, or any other similar requirements of the Contractor or Employer. Any retesting of a qualified millwright-welder, taken for the convenience of the Employer, shall be paid for by the Employer, and the welder shall be in the Employer's employ while taking such a test if the welder had been

properly certified at his own expense within the preceding twelve (12) months. A millwright-welder shall receive \$1.00 per hour over the millwright hourly wage rate.

5005.8 Millwrights shall be expected to furnish an adequate complement of tools. The Contractors agree to provide millwrights adequate and dry facilities for the storage of tools. The Employer, whenever practicable, will provide adequate lunch facilities for millwrights. Where a lunchroom is, provided, reasonable efforts shall be made to maintain a comfortable temperature.

5005.9 Millwrights shall be allowed a maximum fifteen (15) minute period immediately before the end of the shift in which to pick up tools and shall not leave the job until the end of the shift. When millwrights are exposed to conditions such as unusual heat, cold, dust, dangerous fumes or gases, the Employer shall furnish the necessary safety or protective equipment, including clothing and all welding equipment.

5005.10 The appropriate article of the Union Bylaws governing Millwright Working Rules amended to comply with the National Labor Relations Board requirements shall be the guiding factor for all Union relations not treated in this Agreement.

5005.11 Insofar as possible, all overtime work shall be distributed equally among the employees available for such work provided that the millwright who is working on a job which goes into overtime shall have the first preference to such overtime work.

5005.12 Millwrights shall be reimbursed for tools lost as a result of fire or theft by forcible entry, provided a properly priced inventory of millwrights tools placed in the storage shed is furnished to the Employer when the millwright is employed. Replacement or reimbursement for tools lost under the conditions herein described shall be completed no later than when the millwright receives his final paycheck.

5005.13 In the employment of millwrights for all work covered by this Agreement in the territory described, the following provisions govern:

5005.13.1 The Local Union shall establish and maintain open and nondiscriminatory employment lists for the use of workmen desiring employment on work covered by this Agreement. It is agreed by the Employer and the Union to fully comply with all the provisions of federal and state laws to the end that no person shall, on the grounds of sex, race, color, national origin, or membership or non-membership in a labor union, be excluded from participation in or be denied the benefits of the terms of this Agreement, or otherwise subjected to discrimination by not having full access to the terms of this Agreement.

5005.13.2 The Employer shall first call upon the Local Union having jurisdiction for such men as the Employer may from time to time need, and the respective Local Union shall furnish to the Employer the required

number of qualified and competent workmen of the classification requested by the Employer strictly in accordance with the provisions of this section.

5005.13.3 It shall be the responsibility of the Employer, when ordering men, to give the Local Union all of the pertinent information regarding the workmen's employment to enable the dispatch of the workmen required.

5005.13.4 The Local Union will furnish to the individual Employer, in accordance with request of the individual Employer, such qualified and competent workmen in the classifications needed from among those entered on the employment lists, by use of written referral in the following order of preference on a non-discriminatory basis, which shall not be based on or in any way affected by Union membership, by-laws, rules, regulations, constitutional provisions or any other aspect or obligation of Union membership policies or requirements. All applicants for referral to jobs shall receive equal consideration for employment without regard to sex, race, creed, color or national origin, in conformity with the requirements of the federal and state laws.

5005.13.5 To qualify for referral as a journeyman, the applicant must submit evidence either of satisfactorily having completed a course in apprenticeship training conducted by or under the direction of the standards of the Bureau of Apprenticeship & Training, United States Department of Labor, or he shall submit satisfactory written proof that he has at least four years experience in the millwright trade.

5005.13.6 The selection of qualified, competent workmen and the order of preference on dispatching of such workmen shall be on the following basis: The Union shall maintain a list of all applicants for employment who are competent and qualified millwrights.

5005.13.7 Dispatching shall be carried out in the following order:

5005.13.7.1 Registered millwrights on the list will be dispatched on a first-registered, first-out basis.

5005.13.7.2 The Employer may request by name from the list any millwright who has previously worked for the Employer in the jurisdiction of the Southwest Regional Council in the past eighteen (18) months. The Employer shall furnish a confirming written statement to the Union setting out the date and job where the millwright previously worked for the Employer.

5005.13.8 The dispatcher at the Local Union in the first instance, in accordance with the provisions of this section, will determine whether a workman is qualified to register and into what Group or List he shall be placed. This determination will normally be based upon information or papers, which the workman or the Employer supplies. If any doubt exists as to any material matter, the dispatcher may call or otherwise make a prompt investigation to get any facts required. If it is determined by the dispatcher of the local union that a special skill, certification, and/or experience for a specific type of work is needed, the dispatcher may depart from the procedures of this section in order to meet that need.

5005.13.9 The Local Union shall post at the hiring hall of the Local Union all provisions, including the terms of this Agreement and all hiring hall procedures adopted by the Union not in conflict with the terms of this Agreement. Copies of such hiring hall procedures shall be posted in an area where notices to applicants for employment are customarily posted.

5005.13.10 An individual millwright shall be removed from his position on the registration lists if he is dispatched to a job, except that any millwright who is rejected by the Employer or fails to complete five (5) full work days shall retain his position on the list, except when said millwright has voluntarily quit.

5005.13.11 The Employer shall have the right to select one (1) man on each jobsite or project who has not been selected from the dispatching procedures as set forth in this Agreement. However, such one workman must be registered at the dispatching office of the Local Union prior to his employment and receive a dispatch slip from the Local Union. In the event the Employer hires one (1) workman outside of the working list, the Employer must hire and retain on the job a minimum of one (1) other workman who must be hired in accordance with the dispatching procedures of the section.

5005.13.12 It is agreed that paragraph 807. and 808. of Section VIII – Zone Pay of this Agreement shall not apply to millwrights.

5005.13.13 The Employer may not reject any workman referred except for cause. The Employer may discharge an employee for just cause only. In the hiring or discharging, there shall not be any discrimination on the part of the Employer against any employee for activities on behalf of, or in representation of the Union, not interfering with the proper performance of his duties. In the event the Employer does not hire the workman dispatched, the Employer shall pay such workman a minimum of two (2) hours show-up pay at the hourly rate in Zone #1 and four (4) hours in Zones #2 & #3 and all fringe benefits for his classification. No show-up time will be applicable when the workman reports in a physically unfit

condition to work or fails to report to the jobsite within one hour after being dispatched to a job located within twenty (20) miles from the Local Union Hall.

5005.14 In the event millwrights are assigned to work, subject to an agreement in a pre-job conference, on a second or third shift on Friday, millwrights will receive their paychecks on Thursday.

5005.15 When millwrights are performing work involving the handling of injurious or hazardous substances or equipment (such as abrasives, greases, etc.) the Contractor shall furnish cloth work gloves to such millwrights. Replacements for worn-out gloves shall be furnished on the condition that worn gloves are returned at the time a request for new gloves is made.

5005.16 Section XVII (5005.16) shall not apply, and refreshment periods or breaks shall be provided based on the past practice of millwrights under this Appendix.

APPENDIX "G"

DRUG ABUSE PREVENTION AND DETECTION

8000. The parties recognize the problems which drug and alcohol abuse have created in the construction industry and the need to develop drug and alcohol abuse prevention programs. Accordingly, the parties agree that in order to enhance the safety of the work place and to maintain a drug and alcohol free work environment, individual employers may require applicants or employees to undergo drug testing. The parties agree that if a testing program is implemented by an individual Employer, the following items have been agreed upon by Labor and Management:

8000.1 It is understood that the use, possession, transfer, or sale of illegal drugs, narcotics, or other unlawful substances is absolutely prohibited while employees are on the Employer's job premises or while working on any site in connection with work performed under the applicable agreement.

8000.2 All applicants or newly hired employees will undergo a drug test at the direction of the Employer, but not later than five (5) days after commencement of work, at a facility agreed upon by the Employer and the Union. The cutoff levels for both the initial test and the confirmation test will be those established by the Federal Department of Health and Human Services. The facility where the sample is tested will be approved by the Federal Department of Health and Human Services. The Employer agrees to pay each applicant or employee who takes and passes the drug test for all the time it takes to undergo the drug test up to a maximum of two (2) hours travel time plus lab time. If an employee fails the drug test and has time coming to him or her, the employer may withhold the cost of the drug test from the final check.

Employers may use an oral fluid test or urine screen, solely as a type of pre-employment screening process. Testing procedures shall be conducted in a manner consistent with the products' manufacturing specifications ("Avitar ORAL screen" or Branam Medical Corp. "Oratect"). Any "non-negative" test results shall be designated as inconclusive. Employers may seek a urine test at a certified laboratory in accordance with the drug testing procedure set forth in this collective bargaining agreement to confirm results.

8000.3 Applicants not passing the drug test will not be placed on the Employer's payroll or receive any compensation. Employees not passing the drug test will be removed from the Employers payroll. The Employer agrees to pay the cost for administering the drug test.

8000.4 The Employer may require that an employee be tested for drugs and alcohol where the Employer has reasonable cause to believe that the employee is impaired from

performing his/her job. Observation must be made by at least two (2) persons, one (1) of whom may be a Union employee. This provision shall be applied in a non-discriminatory manner. Supervisors will administer the program in a fair and confidential manner. For employees who refuse to take a test where the prerequisites set forth in this paragraph have been met, there will be a rebuttable presumption that the test result would have been positive for an unlawful substance.

8000.5 An Employer may require that an employee who contributed to an accident be tested for drugs and alcohol where the Employer has reasonable cause to believe that the accident resulted from drug usage.

8000.6 There will be no individual random drug testing by the signatory Employer.

8000.7 It is understood that the unsafe use of prescribed medication, or where the use of prescribed medication impairs the employee's ability to perform work, is a basis for removal.

8000.8 A sufficient amount of a sample shall be taken to allow for an initial test and confirmation test. The initial test will be an Enzyme Multiplied Immunoassay Technique (E M I T). In the event a question or positive result arises from the initial test a confirmation test must be utilized before action can be taken against the employee or applicant. The confirmation test will be by Gas Chromatography-Mass Spectrometry (G C/M S). The cutoff levels for both the initial test and confirmation test will be those established by the Federal Department of Health and Human Services. Confirmed positive samples will be retained by the testing laboratory in secured long term frozen storage for a minimum of one (1) year. Collection and transportation of each sample must be done in accordance with the procedures mandated by the Federal Department of Health and Human Services.

8000.9 Present employees, if tested positive, shall have the prerogative for a rehabilitation program at the employee's expense. When such program has been successfully completed, the Employer shall not discriminate in any way against the employee. If work, for which the employee is qualified, exists, he or she shall be reinstated.

8000.10 Any dispute which arises under this drug and alcohol policy shall be submitted to the grievance and arbitration procedure set forth in the applicable Agreement.

8000.11 In the event an individual Employer is required, as a condition of contract award, to abide by the terms and conditions of an owner's drug and alcohol policy, the Employer will notify the interested Unions in writing prior to implementing such policy.

8000.12 The establishment or operation of this policy shall not curtail any right of an employee found in any law, rule or regulation. Should any part of this policy be found unlawful by a court of competent jurisdiction or a public agency having

jurisdiction over the parties, the remaining portions of the policy shall be unaffected and the parties shall enter negotiations to replace the affected provision.

8000.13 The Employer shall indemnify and hold the Union harmless against any and all claims, demands, suits or liabilities that may arise solely out of the Employer's application of the Substance Abuse Program.

8000.14 The Employers will be allowed to conduct periodic jobsite drug testing on construction projects until completion of work under the following circumstances:

8000.14.1 The entire jobsite must be tested including all employees of the Employer.

8000.14.2 Prior to start of periodic jobsite testing the Employer will notify the Union in writing.

8000.14.3 Analysis shall be conducted by a Federal Department of Health and Human Services certified lab.
