

UFCW LOCAL 400

COLLECTIVE BARGAINING AGREEMENT

K#6876

***A Special Message from
C. James Lowthers,
President, UFCW Local 400***

In our union's negotiation with the management of Giant, we were able to achieve affordable health care and other terms and conditions of employment which are important to our members and their families. As we all know, these are very challenging times for all unions because of the high cost of healthcare. This collective bargaining agreement clarifies exactly what you are entitled to as a Giant employee and assures that management will not infringe upon any of your established rights. We are proud of the agreement; as in past contracts we have negotiated, and believe that it will serve the long term interests of our membership.

Keep in mind that when Local 400 negotiates a contract, our members set the priorities. Before bargaining begins, our professional team of negotiators listen to what you want in a new contract; every job classification is heard from. The fact that our bargaining proposals reflect your input is important to management—they know our side of the table is expressing the collective needs and concerns of their employees.

As the largest local union in the nation, Local 400 has the clout and resources to provide our members with expert, experienced representation, both on the job and during contract nego-

tiations. Before we make a proposal, it is extensively researched and documented, to ensure that the contract provision we win is the best obtainable.

The membership of Local 400 at Giant stood together and achieved the best contract possible. As we are challenged in the future, I am sure that we will continue to successfully accomplish our mission to better the lives of our members and their families.

In solidarity,

Collective Bargaining Agreement— How it Works

When you join a union, you gain the right to have a voice in decisions about your work life—wages, benefits and career. The negotiation process allows your representatives at Local 400 to bring to management the issues that are most important to you.

Bargaining is compromise. Neither the union nor management gets everything they want.

How do union negotiators know what issues are most important to the membership? You tell us! Before bargaining begins, the union surveys all members in

the bargaining unit to determine priorities. An employee advisory committee provides a constant check for the bargaining team.

In addition, Local 400 representatives and shop stewards are in the facilities almost every day, speaking to members about grievances, problems and needs. They have a hands-on sense of what the problems are.

Our research department monitors trends in the industries where we bargain, looking at wage and benefit settlements. We have a good idea what is transpiring around the country, which means our negotiators can cite examples elsewhere to support our bargaining goals.

When the give-and-take of contract negotiations is finished, management presents its final offer. The union brings that offer to the membership. All contracts are approved or rejected by majority vote of those attending the meeting from the bargaining unit.

Benefits

Local 400's aggressive organizing activities in the Washington Metropolitan area and throughout its jurisdiction have given us the strength to negotiate good salaries for our members. But we know you have concerns that go beyond your weekly paycheck—and that's why the benefit's package in this contract is so important to you and your family. This extensive total compensation package, one of the best in the industry, is also made possible by the strength of your union at the bargaining table. A prime example is your health care package, which is mostly funded by Giant.

You'll also find that your health care package includes some very special benefits that can prove invaluable to you, such as:

- Medical/Hospitalization
- Optical benefits
- Dental Care
- Prescription drugs at low-cost
- Employee Assistance Program for counseling in family problems, retirement planning, stress, obesity, smoking cessation, etc.

In addition to your health care package, this

contract provides a paid vacation schedule, paid personal days to attend to family matters, and a life insurance plan.

And keep in mind you are eligible for these benefits as both a full-time and part-time Local 400 member at Giant. (In some instances, eligibility may depend upon individual qualifications under the collective bargaining agreement).

Paid Vacations

A paid vacation is something that is an outright necessity to every worker in America. To assure that your quality of life is continually up to par, you need paid time off to go to the beach, to visit relatives in other parts of the country, or just to break the everyday routine of the workplace. This is exactly why we have negotiated an extensive vacation schedule for every full-time and part-time Local 400 member at Giant. Depending on your seniority with the company, you can be eligible for up to five (5) weeks of paid vacation time per year. **(Article 11)**

Personal Days

Vacation days are of great help, however, for meeting medical appointments and attending to family-related matters, in addition to your regular vacation schedule, we have negotiated a number of "personal days" which you can use

for any purpose that you choose. Depending on your status (full time or part time) with the company you are eligible for up to five (5) of these days off a year. (**Article 12.2 and Appendix I**)

Holidays

Holidays are perhaps the best means to spend time with your family members and friends. Throughout the year, you will be paid for the following days: (**Article 12.1 and Appendix I**)

New Year's Day

Labor Day

Memorial Day

Thanksgiving Day

Independence Day

Christmas Day

To assure that you do not miss out on a paid holiday, we have made it possible that when a holiday falls during an employee's vacation, you shall be given another day off during the week or you will receive an additional day's pay. (**Article 11.5**)

Funeral Leave

If the unfortunate occurrence arises where you lose an immediate family member, Local 400 has made certain that you will receive time off to grieve and attend the funeral. You will be given up to three (3) days of leave with pay to take care of such matters. (**Article 13.2, 13.3**)

Leaves of Absence

Very often an employee may need to leave the workplace for an extended period of time to attend to personal affairs or health matters. As a Local 400 member at Giant, you are eligible to take a leave of absence without pay if you so choose. If this does occur, we have assured that you will NOT lose any of the seniority you have accrued. (**Article 13**)

Sick Leave Benefits

Times of illness and disability are, needless to say, very unpleasant. Whether you treat your illness at home or in the hospital, Local 400 has arranged for a sick leave plan that will make the experience as easy as possible. (In some instances, eligibility may depend upon individual qualifications under the collective bargaining agreement.) Under several plans offered through the contract you may be entitled to between 16 and 39 weeks of paid disability. (**Article 17, and Plan I, Plan X and Plan XX FELRA and UFCW Health & Welfare booklets**)

Retirement Plan

After dedicating yourself to Giant, you deserve a generous compensation plan so that you may spend your latter years in comfort and security. Local 400 has therefore negotiated a valuable retirement plan to fulfill your needs after your departure from the working world. As your seniority advances in your years at Giant, you are credited with an ever-increasing

retirement benefit. (**Article 18 FELRA and UFCW Pension Plan booklet**)

Of special interest to you, in this mobile world of ours where workers move around a lot, is pension portability. Local 400 has arranged for pension reciprocity with other plans in the Washington Metropolitan area, as well as the Atlanta, Philadelphia, and the UFCW International Union-Industry Pension plans.

Life Insurance

To guarantee that you have life insurance as a Local 400 member at Giant, you are eligible for life insurance coverage through the FELRA and UFCW Health & Welfare Fund. (In some instances, eligibility may depend upon individual qualifications under the collective bargaining agreement.) (**FELRA and UFCW Health & Welfare plan booklet**)

Protections

Providing outstanding wages, vacation time, and insurance are only a part of what Local 400 does for its members. We also have negotiated with the company to guarantee that a certain level of respect, safety, and security are provided for every single one of our members. The guidelines of our contract assure that Giant will provide a safe working environment, a reasonable working schedule, overtime wages, and a seniority system that establishes certain rights for employees. Local 400 realizes that

these issues are very important to each and every union member. That is exactly why we have worked to provide a contract that protects the welfare of our members.

Grievances and Arbitration

This contract is a guarantee of rights and benefits the union has negotiated on your behalf. Still, in any workplace situation, events can occur that affect you adversely, and they may be in violation of the contract. Grievances may be filed and you and your representative can meet with management so that your problem can be reviewed and to assure you are treated fairly. Let your union representative know about it, so that your problem can be reviewed and necessary grievance action be recommended. **(Article 21)**

Seniority

Local 400 recognizes that loyal, experienced, and long-standing employees are very valuable to a company. We subsequently have bargained for increasingly better benefits, wages, and protection for employees who have the most seniority with Giant. As you accrue more seniority, you become eligible for additional vacation time, a higher salary, and have a greater chance for being promoted within the company. Those who have dedicated their lives to working for Giant deserve to be duly rewarded. Our seniority system assures that this occurs. **(Article 5)**

Working Conditions

Without a safe and comfortable work environment, it is virtually impossible for an employee to fulfill his job duties in a productive manner. According to our collective bargaining agreement, Giant has the responsibility to provide working conditions that are in full compliance with requirements set forth in the contract. Experts within our union actively monitor the work site to ensure that all rules and regulations are being followed. If Local 400 observes that your health and safety are in danger, the proper authorities are notified and action is taken. **(Article 10)**

Overtime

In order to spend time with your family and pursue recreational hobbies, you need to maintain a reasonable work schedule. If such a need arises when you are called to work more than eight (8) hours in a day or forty (40) hours in a week however, you will be paid the appropriate overtime rate applicable to your date of hire. If it also becomes necessary for a full-time employee to work past 6:00 p.m. more than three (3) nights in any week, you will be paid overtime wages for hours after 6:00 p.m. on the fourth and following nights. Local 400 has also assured that no employee will have to work split shifts. **(Article 6)**

AGREEMENT

THIS AGREEMENT, made and entered into this 29 day of March, 2008, between **GIANT FOOD LLC** (hereinafter referred to as the "Employer"), a participating member of Washington, D.C. Food Employers' Labor Relations Association (hereinafter referred to as "Employers' Council") and the **UNITED FOOD AND COMMERCIAL WORKERS UNION, LOCAL 400** of Washington, D.C. chartered by the United Food and Commercial Workers International Union, (hereinafter referred to as the "Union").

WITNESSETH:

WHEREAS, the Employers' Council is an employer association of food chains in and about the Washington, D.C. area.

WHEREAS, the Employer and the Union in the performance of this Agreement agree not to discriminate against any employee or applicant for employment because of race, color, religious creed, origin, age, gender, sexual orientation or Union activity.

The use of personal pronouns of the male gender is for grammatical purposes only and the contract should apply equally to persons of either gender; and

WHEREAS, the parties hereto desire to establish uniform standards and hours of labor, rates of pay, and other conditions under which the employees classified herein shall work for the Employer during the life of this Agreement

and thereby promote a relationship between the parties hereto providing for more harmonious and efficient cooperation and mutual benefit.

ARTICLE 1

Successors and Assigns

1.1 This Agreement shall be binding on all signatories hereto, and their successors and assigns, whether such status is created by sale, lease, assignment or any other type of transfer or transaction. In consideration of the Union's execution of this Agreement, the Employer promises that its operations covered by this Agreement or any part thereof shall not be sold, conveyed or otherwise transferred or assigned to any successor without first securing the Agreement of the successor to assume the Employer's obligations under this Agreement and to offer employment subject to the terms of this Agreement, to all of the Employer's then current employees, recognizing their accrued seniority for all purposes. Provided, that the Employer shall not be a guarantor or be held liable for any breach by the successor or assignee of its obligations, and the Union will look exclusively to the successor or assignee for compliance with the terms of this Agreement.

1.2 The foregoing shall be applicable in cases only where the Employer sells or transfers more than ten percent (10%) of the facilities covered under this Agreement, and shall not apply in cases of store closing (30 days or more).

ARTICLE 2

Management Authority

2.1 The authority and responsibility for management of the business, including but not limited to the planning, direction and control of the work force shall repose exclusively in the Employer and its appointed representatives except as provided in this Agreement.

2.2 In the event that the Employer contemplates the introduction of major technological changes affecting bargaining unit work within the Grocery Department, advance notice of such changes will be given to the Union. If requested to do so, the Employer will meet with the Union to discuss the implementation of such changes before putting such changes into effect.

2.3 Should the Employer intend to substitute electronic checkout systems for existing equipment in any store, the Employer agrees to notify the Union in advance and to provide the Union a list of all employees regularly assigned to the store on the effective date of the utilization of said systems. Said employees shall not be removed from the Employer's payroll as a result of the installation of such a system. Employees may continue to be transferred, assigned to other work, or laid off in accordance with the seniority provisions of this Agreement provided the layoff is for reasons other than the installation of such a system.

2.4 The Employer further agrees that all fresh meat products will be cut, packaged, prepared and sold by the employees in the stores, covered by this Agreement.

Exceptions may be made provided the Union is notified in advance and given written assurance that no member's job will be eliminated as a result of such exception. The Union agrees that it will not withhold its Agreement.

For the purpose of this section "notified" shall mean a letter for each individual introduction of a class of product (e.g., boneless sub primal cuts of meat, deveined liver, rolled veal, etc.). "Member" shall mean full time employees on the payroll actively at work on the effective date of this Agreement or who are on leave of absence or who are sick or injured and return to work as elsewhere provided for in this Agreement. "Eliminated" means removed from payroll or reduced to part time and is not intended to refer to the nature of the work being performed by the employee. Employees may continue to be transferred, assigned to other work, or laid off in accordance with the seniority provisions of this Agreement, provided the layoff is for reasons other than the introduction of new products and/or new methods.

It is not the Union's intention to impede progress in our industry with respect to any new method of cutting and packaging meat, delicatessen and seafood products, and the necessity for change to accommodate a changing society.

The Union reiterates, therefore, its intention with respect to the "products clause", as follows:

The Employer may introduce new methods and new products, i.e., (make exceptions) provided it does the following:

1. Union must be notified in advance.
2. The Employer will list all new products or new methods in letter of notification.
3. The Employer will give written assurance that no member's job will be eliminated, in accordance with subparagraph 2.4.
4. The Employer will meet at the Union's request for the purpose of reviewing complaints and further compliance of this Section and Article.

If 1, 2, 3, & 4 above are complied with, the Union will not withhold its Agreement.

ARTICLE 3

Recognition

3.1 The Employer recognizes the Union as the exclusive bargaining agency for all of its employees, except Store Manager, Assistant Manager, Co-Managers, and In-Store Bakery Personnel (production employees), in its retail food stores within the City of Washington, D.C., the Counties of Albemarle, Arlington, Augusta, Caroline, (excluding that portion that falls within a twenty-five mile radius of the City of Richmond), Clarke, Culpeper, Fairfax, Fauquier, Frederick, Greene, Highland, King George, Loudoun, Louisa, (excluding that portion that falls within a twenty-five mile radius of the City of Richmond), Madison, Orange, Page, Prince William, Rappahannock, Rockingham, Shenandoah, Spotsylvania, Stafford and Warren, the independent Cities of Alexandria, Charlottesville, Fairfax, Falls Church, Freder-

icksburg, Harrisonburg, Manassas, Manassas Park, Staunton, Waynesboro, and Winchester in the State of Virginia, and the Counties of Anne Arundel south of South River from Chesapeake Bay to Maryland State Route 450, south of Maryland State Route 450 from South River to Prince George's County, Calvert, Charles, Montgomery, Prince George's and St. Mary's in the State of Maryland.

3.2 The Employer further agrees that if the Employer should establish a new food store, or stores, within the territories described in Paragraph 3.1, this Agreement shall apply to such a new store or stores. In the event the Employer engages in Department or Discount type stores, then the Employer and the Union shall negotiate as to the terms for wages, hours and working conditions for employees working in such stores.

3.3 All meat, fish or poultry, fresh, chilled, frozen, cooked or smoked, historically or customarily offered for sale by the Employer in its Retail Meat Departments, will continue to be handled by Meat Department employees.

3.4 Floor care (to include the cleaning of restrooms) may be performed by an outside vendor. Employees who performed floor care prior to March 26, 2000 shall receive the same hours and rates of pay as they had in the past.

3.5 All work and services connected with, or incidental to the handling or selling of all merchandise offered for sale to the public in the Employers' retail establishments covered by this Agreement shall be performed only by employees of the Employer within the unit referred

to above, for which the Union is recognized as the collective bargaining agency by the Employer except such work as is currently performed at the point of delivery by driver-salesmen in servicing retail markets with perishable bakery products, beverages, greeting cards, magazines, potato and corn chips directly from the delivery vehicle. Further excepting that representatives of a company sponsoring special promotions may erect and stock initial special displays in connection with said special promotions. There shall be a limitation of three (3) times per year for promotional programs using persons other than employees of the Employer, provided, however, that such special promotions must be area-wide promotions. The Employer shall notify the Union in writing prior to the beginning of any promotional program.

The application of this provision shall in no way restrict the work which may be performed by the Store Managers, Co-managers or Assistant Managers.

3.6 The Employer shall notify the Union thirty (30) days prior to a store closing. The Employer shall negotiate the effect on employees of the store scheduled to be closed.

ARTICLE 4

Union Security

4.1 All employees shall, as a condition of employment, become and remain members of the Union on and after the thirty-first (31st) day following the date of employment, or on and after the thirty-first (31st) day following the effective

date of this Agreement, whichever is the later.

4.2 Upon failure of any employee to become and remain a member of the Union within the period and under the conditions specified in Paragraph 4.1 above, the Union shall notify the Employer, in writing, of such failure and the Employer shall, within seven (7) days of receipt of such notice, discharge any such employee as provided in the Labor Management Relations Act of 1947 as amended.

4.3 The application of Paragraph 4.1 above, is deferred in any jurisdiction where the Union Shop is not permitted by law, except for the purpose of representation, unless and until such law is declared unconstitutional or is repealed or otherwise becomes inoperative as to the operations of the Employer.

4.4 The Employer will notify the Union in writing as soon as possible within twenty-five (25) days from the date of employment, reinstatement, or transfer into the bargaining unit of any employee, of the name of such employee, the home address, place of employment, social security number and job classification (full time or part time), and the date of employment, reinstatement, transfer, termination, or change in status from part time to full time or full time to part time.

ARTICLE 5

Seniority

5.1 Seniority for the purpose of this Agreement shall be calculated by continuous service from the last date of employment (except as oth-

erwise provided). Separate seniority lists for all full time Grocery, full time Meat Department employees, part time Grocery and part time Meat Department employees shall be set up by the Employer and shall be furnished to the Union upon request. Seniority areas governing this Agreement are outlined in Schedules "G" & "H", attached hereto and made a part hereof. Seniority shall prevail in the following instances in the manner as listed hereafter.

5.2 The Employer recognizes the principle of seniority as being one in which the movement of an employee from one job to another or from one location to another through promotion, layoff, recall after layoff, or permanent transfer, shall be governed by the length of service of the employee, and in connection with such movement the Employer may take into consideration as to each employee involved his ability to perform the work.

5.3 In connection with lay offs and store closings seniority will first apply to store, then geographic area (as set forth in Schedule "G") and last the jurisdiction of this Agreement. In connection with promotions and permanent transfers, seniority will apply first to the store then seniority area (as set forth in Schedule "H").

5.4 In all layoffs the ordinary rules of seniority shall prevail with due consideration being given to the job classification, fitness for the work involved, and the practicability of applying the rules of seniority in the particular case. Employees laid off for periods of less than one

(1) year shall have preference to reinstatement in the reverse order. The service record of such reinstated employees shall not be interrupted. Sickness does not count as layoff. A full time employee shall have seniority over a part time employee to the extent that a full time employee who is involuntarily laid off in order of seniority may claim existing part time schedules calling for the least reduction of hours up to a maximum of forty (40) hours per week in the first instance or those schedules providing for the least reduction of hours if forty (40) hours are not available, provided due consideration is given to job classification and to fitness to perform the work involved and further provided that this shall not result in the employee creating premium or overtime pay situations. Part time employees shall have seniority over other part time employees under the same conditions subject to the provisions of Article 6, Section 6.14. However, if the available opening for a part time employee who is recalled is outside of the seniority area, the employee may refuse the opening without prejudice to future recall within the same seniority area.

Before a Journeyman Meat Cutter can be reduced to part time or laid off within the geographical area all apprentices must be laid off within the geographical area. Where the application of this provision creates a hardship or operational problem the Union agrees to discuss and resolve the problem.

5.5 Seniority and the employee's ability to perform the work shall be given consideration in regard to promotion within the bargaining

unit. If the employee fails to qualify within a reasonable time for the upgraded position he or she will be afforded the opportunity to return to his or her former classification without loss of seniority. The Employer will notify the Union of all promotions to Department Head Classification.

5.6 Full time employees to be reduced to part time may exercise their right to a complete layoff without prejudice to their right to recall.

When a full time employee is involuntarily reduced to part time he shall continue to accrue seniority as though he was still full time. When a full time employee voluntarily reduces himself in writing, his part time seniority is dated from the original date of hire. Full time employees reduced from full time to part time through no fault of their own will retain full time Health and Welfare and Pension coverage for a period of six (6) months. The Employer will continue the full time Health and Welfare and Pension contribution for said period of time.

5.7 A Meat Department employee laid off or reduced to part-time out of his seniority turn shall receive pay for all time lost, provided the layoff or reduction is not at the employee's request. Likewise, any part time employee who has requested full time in accordance with this paragraph, and who is bypassed in seniority when a full time opening occurs shall be paid for all lost earning opportunity provided the bypass was not at the request of the employee.

5.8 Any employees transferred into the bargaining unit from any other part of the

Company shall retain their last employment date for the purpose of computing the effective date of their benefits, but their seniority date shall be otherwise established as of the day they commenced working in the bargaining unit.

5.9 Employees involuntarily transferred from one seniority area to another as a result of store closing or layoffs, will be afforded the opportunity to return to their original seniority area before a permanent employee of the same job classification is hired in said seniority area. Said transfer opportunity shall exist for a period of twelve (12) months.

5.10 Part time employees desiring full time work and lower classified food employees desiring to be upgraded in classification shall be given preference for such work in accordance with the following procedure.

Employees who desire upgrading as described above shall notify the Employer in writing with a copy to the Union, during the periods March 1st to March 21st and September 1st to September 21st, each year. Such letters shall remain valid for eighteen (18) months.

The first consideration for any such vacancies shall be given to employees with a current request in order of the employee's seniority with ability to do the work to be considered. However, full time night crew employees will be given priority consideration for available full time day vacancies within the food clerk classification.

When the file of request letters has been exhausted, all employees regardless of the length of service will be considered for available openings on a store-by-store basis before seeking outside applicants.

Only requests for permanent classification change shall be valid and failure to be available thereafter for such work for a period of twenty-six (26) weeks after obtaining such status, except for reasons beyond the employee's control, shall be barred from future requests for a period of six (6) months.

Failure to accept an offer of such work in any of the Employer's stores within a seniority area shall result in removal of the employee's request for the balance of that six (6) month period, but it shall not bar the employee from future requests. Except any employee who declines a full time night crew position will not be removed from the list for the balance of the active bid.

Part time employees who are promoted to full time will receive credit for time worked on the basis of forty (40) hours being equivalent to one (1) week and the employee's full time seniority date will be adjusted accordingly.

The Employer and the Union agree to exchange a list of part time employees requesting full time jobs during the months of January and July of each year. The list will contain the employee's name, social security number, store number, and the date the letter was received by their respective office.

5.11 The Union shall be notified of all full time openings.

ARTICLE 6

Hours and Overtime

6.1 The guaranteed basic work week for all full time employees shall be forty (40) hours per week, consisting of five (5) eight (8) hour days.

6.2 For the purpose of this Agreement the basic work week shall be from Monday through Saturday, inclusive.

6.3 Sunday work shall be isolated and shall not be part of the basic work week.

6.4 All time worked by an employee in excess of eight (8) hours in any one (1) day, five (5) days in one (1) week, or forty (40) hours in any work week, or in excess of the thirty-two (32) hours in any week in which one of the specified holidays fall, shall be deemed overtime. Such overtime work shall be paid for at the rate of time and one-half (1-1/2) the employee's regular rate of pay, but the employee shall not be compensated for both daily and weekly overtime. Hours which qualify for Sunday premium pay as provided in Paragraph 6.11 of this Article shall not be included in computing weekly overtime.

Part time employees who are scheduled for five (5) days in one (1) week, and who are called into work on their scheduled day off shall receive time and one-half (1-1/2) for all hours worked on said scheduled day off, provided said employee remains available to work the re-

mainder of his schedule for that week.

6.5 Employees who work an eight (8) hour shift shall work eight (8) hours in a period of either eight and one-half (8-1/2) or nine (9) consecutive hours and shall be granted an uninterrupted meal period of either one (1) or one-half (1/2) hour beginning not before three (3) hours of work nor later than five (5) hours of work. A one-half (1/2) hour meal period shall be assigned only by mutual agreement. Employees who work a shift of less than eight (8) hours but more than five (5) hours shall, upon request, be granted an uninterrupted meal period of one-half (1/2) hour, not before three (3) hours of work nor later than four (4) hours of work.

The lunch period specified in the above paragraph, may be waived (without pay) by mutual agreement between the employee and the Employer.

The meal period for Night Crew workers who work eight (8) hours shall be one-half (1/2) hour and the eight (8) hour shift shall be worked in a period of eight and one-half (8-1/2) consecutive hours.

6.6 Any employee instructed to work their meal period shall receive pay for that period of time at the rate of one and one-half (1-1/2) times the regular rate of pay.

6.7 The Employer may establish as many shifts as necessary and the starting time of such shifts shall be optional with the Employer.

6.8 There will be no split shifts.

6.9 Any full time employee who works later than 6:00 p.m. more than three (3) nights in any week shall be paid time and one-half (1-1/2) for the hours after 6:00 p.m. on the fourth (4th) or subsequent nights even though they may be a part of the regular shift.

6.10 Any time worked after 1:00 a.m. or before 4:00 a.m. shall be paid at the rate of time and one-half (1-1/2) of the employee's regular rate of pay, except for employees on the night crew.

6.11 Work performed by employees hired prior to March 30, 2004, on Sunday shall be compensated for at time and one-half (1-1/2) the employee's rate of straight time pay.

For employees hired on or after March 30, 2004, work performed on Sundays shall be compensated for at the following rates which shall be in addition to the straight time rate of pay provided on Sunday:

0 to 12 months of employment:

\$1.00/hour premium for each hour worked

13 to 24 months of employment:

\$1.50/hour premium for each hour worked

25 to 60 months of employment:

\$2.00/hour premium for each hour worked

Thereafter:

time and one-half (1-1/2) employee's regular rate of pay

provided, however, that any such employee who works in excess of forty (40) hours per week (Sunday through Saturday inclusive)

shall not be compensated for both Sunday premium and weekly overtime.

All terms and conditions of this Agreement shall apply to work performed on Sundays and holidays.

6.12 No employee shall be required to work on Sundays or the designated holidays. All work to be performed on Sundays and holidays shall be offered on the basis of seniority with due consideration given to job classification and fitness for the work required. If sufficient volunteers are not available, the Company may assign such work to employees in reverse order of seniority. A sheet will be posted on Monday next to the work schedule for the purpose of signing up for Sunday and holiday work. The schedule for Sunday and holiday work will be assigned by seniority from this list.

Full time employees shall be offered eight (8) hours if work is available, and if the store is open for eight (8) hours. Part time employees shall be offered not less than four (4) hours. Any employee accepting Sunday or holiday work shall work not less than four (4) hours. Employees shall not be discriminated against for declining Sunday or holiday work nor shall they be coerced into accepting it.

In the Meat Department work assignments for Sunday and holiday work shall be offered first to full time employees by classification within the store on a rotating basis from among the work force who volunteered for such work by making the request in writing to the Employer. In the event sufficient volunteers are

not available, the Employer may elect to draw volunteers from within the Supervisor's territory or direct employees to work by inverse order of seniority within the store. Once the employee has requested such work they shall be obligated to work in the location for a minimum of a six (6) month duration except in the case of a personal emergency. The work shift may consist of eight (8) hours or more, but in no event for less than four (4) hours.

6.13 The Employer shall not discipline any employee for refusal to work unreasonable overtime. On days where overtime is worked it shall be offered to employees on a seniority basis with due consideration being given to job classification and ability to do the work. On days where overtime is worked and a second meal period is taken it shall consist of one-half (1/2) hour duration only.

6.14 Part time employees shall be employed a maximum of thirty-five (35) hours per week.

6.15 No part time employee shall be scheduled for less than four (4) hours in any one (1) day. Each calendar quarter, part time employees may be scheduled for less than four (4) hours, but not less than one (1) hour, for the purpose of attending a store employees' meeting.

6.16 Part time employees who report to work pursuant to instructions and are not given work shall be paid for their scheduled hours, but in no event for less than four (4) hours except for those stores closing at 6:00 p.m.

6.17 Full time employees reporting for work at their scheduled time or on instructions from their Employer shall be guaranteed eight (8) hours at straight time rate of pay for the employee's scheduled work days and four (4) hours with pay for non-scheduled days at the overtime rate of pay.

6.18 The Employer agrees to post a weekly work schedule, in ink, with employees' names listed in order of seniority, and in a conspicuous place by 1:00 pm on Friday of the week preceding the week for which the schedule is effective, of working hours specifying the starting and finishing times and regular days off. The schedule shall contain the employees' full names and shall have the scheduled hours of each employee totaled at the end of the column. The schedule for the night crew and those scheduled off on Saturday must be posted prior to the end of those employees' scheduled shift on Friday of the week preceding the week for which the schedule is effective.

6.19 The schedule for all full time employees showing the starting and finishing time and regular days off shall not be altered after it is posted, except by mutual agreement. Each full time employee shall regularly receive the same day off each week. A seven (7) day written notice must be given in order for a full time employee's regularly scheduled day off to be changed except for holiday weeks. In the week following the holiday week, the regular schedule shall apply pertaining to days off.

In the Meat Department, the scheduling of

nights (past 6:00 p.m.) and Saturday night for full time employees shall be done on a rotating basis as nearly equal as practical.

The schedule for a part time employee may be changed by notification to the employee prior to store closing the previous day.

A part time schedule shall be complete and reflect the anticipated basic need for the store's requirements for that week.

6.20 The Employer shall combine existing part time assignments on a seniority basis, unless such hours duplicate each other, providing the employee can do the work, so as to provide the maximum part time employment per individual within the definition of part time employment, and further to create as many full time positions as possible.

When a part time employee is scheduled and/or works for forty (40) hours per week for more than six (6) consecutive weeks and the work is not temporary (i.e., vacation and/or absence coverage), a full time position will be deemed to have been created. Such a full time position within the store and department where the work was performed will be filled in accordance with the following procedure:

A. Notice of the available position will be posted for seven (7) days within the store. Part time employees, within the department where the available position exists, who express in writing a desire to fill the full time position will be selected by seniority and ability to do the work.

B. If the position cannot be filled in accordance with paragraph A above, other part time employees within the store may be selected on the same basis.

C. If the position cannot be filled in accordance with paragraphs A or B above, an employee will be selected in accordance with Article 5.10.

6.21 Employees working more than five and one-half (5-1/2) hours in a day shall receive two (2) rest periods of fifteen (15) minutes each, one (1) rest period to be in the first half of the work day, the second rest period to be in the second half of the work day as near as possible to the middle of each shift. Employees working five and one-half (5-1/2) hours or less in a day shall receive one (1) fifteen (15) minute rest period. The Employer will not intentionally prepare a schedule to avoid the requirement of a second rest period.

6.22 Employees who sustain an occupational injury requiring treatment by a doctor or hospital shall suffer no loss in pay for the day the injury occurs provided the employee returns to work unless otherwise instructed in writing by the attending doctor.

6.23 Eligible part time employees shall be scheduled a minimum of sixteen (16) hours work per week, provided that they are available to work said hours on a regular and continuing basis. The sixteen (16) hour minimum does not apply to probationary employees, students, part time employees holding another job, courtesy clerks, or employees not available.

ARTICLE 7

Wages and Employee Classifications

7.1 Wage scales are set forth in Schedules "A", "B", "C", "C-1" and "C-1 Revised" attached hereto and made a part hereof.

7.2 The minimum wage provided in Schedule "C-1 Revised" shall apply to all new employees and each new employee is to be on probation for a period of ninety (90) days. If, during the probationary period, it is found that the new employee is not suitable for the business, his services are to be terminated at the Employer's discretion.

The service record of any new employee retained after the probationary period shall date from the time of such employee's original employment. The salary of such employee shall be retroactive to the date of employment.

7.3 An employee who has worked within the industry during the past three (3) years shall be credited with all previous supermarket experience in the same type of work, or in the case of pharmacy, general merchandising or bakery employees, all previous experience in a similar capacity, proven by verification or ability, which shall be recognized as seniority for the purpose of establishing the pay scale to which the employee is entitled. The Employer, employee, and the Union will make every effort to verify all previous experience on the employee's application. If, however, complete information cannot be obtained within the first three (3) months of employment, the pay scale shall be determined by the Employer on the

basis of whatever verification of experience has become available and the employee's ability. The Employer agrees to notify the Union no later than forty-five (45) days after employment if complete verification of experience has not been obtained. The above applies except in the case of a journeyman or an apprentice who has not worked in the industry within the past three (3) years, who shall be given a jointly observed block test immediately following the ninety (90) day probationary period. The salary of such employee shall be retroactive to the date of original employment.

7.4 When a higher classified employee is absent from his position for more than one (1) day and another employee performs the job of the higher classified employee, he shall receive the appropriate rate of pay of the higher classification.

When an employee is promoted to a higher classification the employee's pay rate shall progress to the next higher wage rate in the new classification and thereafter progress through the remaining progression.

When an employee temporarily performs work in a higher classification, they shall receive the next higher rate of pay in the higher classification for all hours worked in the higher classification.

7.5 All Meat Departments shall be operated by a Meat Department Manager, who may be relieved by a Journeyman Meat Cutter or an Apprentice.

7.6 Department Heads may be assigned in

stores where designated by the Employer and where assigned, they will be paid the appropriate rate as listed in Schedules "A", "B", and "C".

The apprenticeship program in retail stores shall be two (2) years as provided in Schedules "A", "B", "C", "C-1" or "C-1 Revised", whichever is applicable. An Apprentice is a person learning all the details and developing manual skills for performing the duties of a Journeyman Meat Cutter. He shall be given a meat cutting test jointly observed by representatives of the Employer and the Union within his twenty-third (23rd) or twenty-fourth (24th) month. If he fails to qualify at this time, he shall continue at the same rate of pay and be given another test at the end of his twenty-seventh (27) month; if he fails to qualify at this time, he shall be terminated. It will be the Employer's responsibility to see that Apprentices are given the proper instruction and opportunity to learn the skills for performing the duties of a Journeyman Meat Cutter. Nothing will prevent the Employer from advancing an Apprentice to Journeyman before the end of the prescribed training program, if in the judgment of the Employer he is qualified. An employee entering the apprenticeship program shall suffer no reduction in pay.

7.7 A Weigher and Wrapper is one who weighs, prices and wraps meat cut by a Journeyman or an Apprentice. He displays or places said meat in self-service cases or in storage. He may use a slicing machine for cutting cheese and luncheon meats; also use a knife for cutting liverwurst or any other luncheon meat

that cannot be cut by the slicing machine. He is not, however, to cut beef, pork, veal, lamb, poultry or fish with a knife or any other automatic device nor assume any work other than the above, which normally is performed by Journeymen Meat Cutters or Apprentices. He, however, may perform general house cleaning chores, and also clean the cases, work tables, etc. To the extent practical, the Employer will use only Meat Weighers and Wrappers to perform their traditional duties as outlined above.

7.8 A Meat Department bargaining unit employee shall be on duty until 8:00 p.m. or store closing, whichever occurs first. However, a department need not be manned during meal periods where there is only one (1) employee in the unit on duty that shift.

7.9 In stores with three (3) or more full time Meat Cutters, including the Meat Department Manager, one shall be designated First Cutter. The First Cutter classification applies to the store and not to the individual.

7.10 In stores where there is no First Cutter classification, in accordance with the formula that there must be three (3) Journeyman Meat Cutters including the Meat Department Manager, the employee who relieves the Meat Department Manager shall be compensated at the Meat Department Manager rate beginning with the first day of relief, excluding the regular day off. The employee relieving the Meat Department Manager on the Meat Department Manager's regular day off will receive the First Cutter rate for that day.

7.11 In the event the First Cutter is away, then any Meat Cutter who relieves the First Cutter for one (1) week or more shall be compensated at the First Cutter rate and shall relieve the Meat Department Manager as provided for in Section 7.9 of this Article.

ARTICLE 8

Courtesy Clerks

8.1 Courtesy Clerks shall be guaranteed ten (10) hours work per week at no less than three (3) hours work per shift. Their duties shall be limited to bagging, parcel pick up, cleaning up around the checkout stand and parcel pick up areas, price checks, racking empty bottles, returning unsold merchandise, handling recycled newspapers and cans, tearing off magazine covers, floor care and other cleaning duties anywhere in the store.

8.2 Eligible Courtesy Clerks will receive vacations as provided in Article 11 and three (3) hours pay for the legal holidays provided in Article 12.

8.3 It shall be a violation of this Contract for Courtesy Clerks to perform any duties other than those specified above. In order to remedy violations of this Section the parties agree as follows:

A. The Employer shall post in each of its stores a notice to the employees signed by an authorized Employer representative instructing all employees of the duties of Courtesy Clerks, and instructing all employees that the

performance of any other duties constitutes a violation of the contract.

B. Upon the first violation of this Section, the Courtesy Clerk in the store involved shall be paid the regular clerk starting rate for all hours worked in the week or weeks in which the violation occurred, including hours worked in performance of Courtesy Clerk duties.

C. Upon a second violation in the same store, all Courtesy Clerks in the store involved shall be paid the regular clerks starting rate for all hours worked in the week or weeks in which the violation occurred, including hours worked in performance of Courtesy Clerks duties.

D. Upon a third violation in the same store, all Courtesy Clerks in the store involved shall be paid double the Courtesy Clerk rate for all hours worked in the week or weeks in which the violation occurred, including hours worked in performance of Courtesy Clerks duties.

8.4 The Employer will not be obligated to make Health and Welfare, Pension, Severance, and Legal contributions on behalf of Courtesy Clerks.

ARTICLE 9

Night Crew Employees

9.1 A Night Crew employee is one who is scheduled for work on a Night Crew two (2) or more nights in any one (1) week. No employee shall be required to work a day and a night shift in the same work week.

9.2 Any employee working on the Night Crew two (2) or more nights during the week shall receive the night premium for all hours worked during the entire week.

Any time worked by a member of the Night Crew prior to 8:00 p.m. or after 11:00 a.m. shall be paid at the rate of time and one-half (1-1/2) of the employee's regular rate of pay which shall be in addition to his night premium.

9.3 When a majority of the Night Crew employees in any individual store, who by written mutual consent with the Employer choose to elect to report to work before 8:00 p.m. or beyond 11:00 a.m. shall be deemed to have waived the premium provisions of Articles 9.2 and 6.10 for those hours covered by such election.

9.4 Each employee working on the night shift will receive an additional one dollar (\$1.00) per hour, which shall be over and above the regular rate of pay for the same or similar day job.

9.5 One (1) person other than the Assistant Manager or Department Head shall be designated as the employee in charge of the Night Crew. This employee shall not be replaced by any employee in a higher wage classification.

9.6 The employee in charge of the Night Crew will receive in addition to his night premium, an additional premium of twenty-five dollars (\$25.00) per week. A Night Captain in charge of a store which is open for business on a twenty-four (24) hour basis shall receive an

additional ten dollars (\$10.00) per week night premium (in addition to the twenty-five (\$25.00) per week Night Captain premium).

9.7 Part time employees may be assigned on a night shift, provided however, they must be assigned for a full shift of not less than eight (8) hours. Part time employees may be scheduled for less than eight (8) hours by mutual agreement. Part time employees hired after March 30, 2008 may be scheduled a shift of not less than six (6) hours.

9.8 Night Crew employees in the Meat Department shall be permitted to start their shifts at 9:00 p.m. on Sundays or holidays at the straight time rate of pay.

9.9 Any regular member of the Night Crew will receive his basic weekly wage plus his night premium in the computation of his overtime, vacation or holiday pay.

9.10 Employees who want on or off the Night Crew shall bid as follows: A request must be in writing to the Employer and will be placed on the list referred to in Article 5.10. As day openings occur, the most senior employee on the combined list shall be assigned to the job provided the employee is available to work such hours on a regular and continuing basis.

Employees in the Meat Department who want on or off the night crew shall bid on or off on a seniority basis in a seniority territory. No new hires shall be employed until said bids are honored, provided that said employees do so in writing.

ARTICLE 10

Working Conditions

10.1 The Employer will furnish and launder such store linens as it desires worn by its employees. In the event the Employer provides Dacron or similar type uniforms for employees, these garments may be laundered by the employee. Since this item of expense is intended to make the Employer's service more attractive to customers, members agree to cooperate by presenting a neat, clean, businesslike appearance while on duty in the store.

10.2 The Employer shall have the right to discharge or discipline any employee for good cause, including but not limited to, proven or acknowledged dishonesty, intoxication during working hours, drinking or gambling on Employer's premises, or direct refusal to obey orders by the Employer which are not in violation of this Agreement, provided, however, that no employee shall be discharged or discriminated against because of membership in the Union or for Union activities.

10.3 In the event that an employee's work is unsatisfactory, he shall be given at least one (1) written notice before disciplinary action is taken, and a copy of the notice shall be sent to the Union at the same time. Notices and warnings shall become null and void nine (9) months from the date of issue.

10.4 Representatives of the Union shall have access to the Employer's stores for the purpose of determining that the terms of this Agreement are being complied with including

but not limited to inspecting work schedules, investigating the standing of employees and inspecting the pay records, which shall be available for a reasonable length of time.

10.5 No employee shall suffer a reduction of hourly wage rates, increase of hours, or reduced vacation time solely by the signing of this Agreement.

10.6 If a physical examination or health permit is required by the Employer or Local Government, all expenses attached to the same shall be borne by the Employer.

10.7 If any employee is required to work in more than one (1) store in the same day, the expense for necessary transportation shall be borne by the Employer. The time required for travel between the stores shall be included as a portion of the employee's work day and considered as time worked for all purposes. An employee on temporary assignment away from his regularly assigned store which requires additional transportation expense shall be reimbursed for such increased expense in accordance with the IRS reimbursement rate, except, however, when an employee chooses public transportation, except taxicabs, he shall be reimbursed only for the actual cost of such increased transportation. Temporary assignments will not exceed thirty (30) days except in cases of relief of an employee absent on extended sick leave.

10.8 No temporary transfer will be allowed in or out of Local 400's jurisdiction except in demonstrable emergency.

10.9 Employees shall be at their stores ready for work at their scheduled starting time, otherwise they are reporting late. They shall remain at their work until their scheduled quitting time. Employees shall be paid for all time worked. There shall be a time recording device in each of the Employer's stores for the purpose of recording time worked. The Employer and the Union agree that a proven violation of established time recording device rules, including working before punching in or after punching out, may subject such an employee to disciplinary action up to and including discharge. Furthermore, all time during which an employee is suffered or permitted to work or is required to be on duty on the Employer's premises at a given work place shall be considered hours worked and recorded.

10.10 Except by mutual agreement between the employee and the Employer, employees shall have a minimum of ten (10) hours off between the ending of their scheduled shift and the starting of their next scheduled shift. Any employee who works during this ten (10) hour period shall be paid for such time at the rate of time and one-half (1-1/2) their straight time rate of pay.

10.11 The Employer shall maintain two (2) first aid kits, fully equipped in each store to be available for all shifts worked. One (1) first aid kit shall be located in the Meat Department.

10.12 The Employer agrees to provide sufficient space on the store bulletin board for the posting of Union activities after approval by management.

10.13 No employee may be required to make up or be disciplined for cash register shortages, unless he is given the privilege of checking the change and daily receipts upon starting and completing the work shift.

10.14 No employee shall be required to make good any bad checks cashed unless said checks are cashed in violation of the Employer's rules and regulations, which have previously been given to the employee in writing.

10.15 No employee shall be given a polygraph (lie detector) test, unless the Union agrees in writing.

10.16 The cleaning of the Meat Department and immediate working area shall be performed by employees of the Meat Department.

10.17 The Employer will discuss, investigate and correct any problem of jackets or gloves in connection with frozen food lockers and dairy.

10.18 The Employer agrees to reimburse pharmacy technicians for the cost of State or National certification exam, but only for the first time the employee takes the exam. The Employer also agrees to allow employees reasonable use of any study materials it has at its store.

ARTICLE 11

Vacations

11.1 Full time employees with one (1) or more years of continuous service shall be granted vacations as follows:

<u>Annual Vacation</u>	<u>Pro-Rata Vacation On Termination</u>
One week uninterrupted after one year	1/12 week for each additional month
Two weeks uninterrupted after three years	2/12 week for each additional month
Three weeks uninterrupted after seven years	3/12 week for each additional month
Four weeks after thirteen years	4/12 week for each additional month
Five weeks after twenty years	5/12 week for each additional month

11.2 Employees discharged for proven or acknowledged dishonesty shall not be entitled to any vacation pay.

11.3 From January 1 to February 28 of each year, employees shall select their desired date for vacation for that year. Said selection will be awarded on a seniority basis within each department. After February 28 (February 29 in a leap year), employees may select vacant weeks by seniority but may not bump less senior employees who have exercised their vacation selection during the bid period. Effective January 1, 2009, employees who have selected vacation during the vacation bid period will be notified of the final vacation decision in writing by March 31. Vacations requested after the bid period will be honored on a first-come, first-served basis. Employees may take vacation in any of the fifty-two (52) calendar weeks, subject to management approval.

The vacation schedule of any employee cannot be changed, except by mutual agreement.

The vacation schedule shall be available on request by an employee.

11.4 Vacation time shall be computed from date of employment or anniversary of vacation eligibility date, and shall be taken at a time convenient to both the employee and the Employer, and shall be paid at the rate of pay in effect at the time the vacation is taken. An employee who is absent from work for less than sixteen (16) weeks during his anniversary year shall receive his full vacation allowance, but if absent for reasons other than illness or for illness for more than sixteen (16) weeks or in the case of Worker's Compensation cases for more than six (6) months, he shall receive one-twelfth (1/12) his vacation entitlement for each full month worked during the anniversary year.

11.5 When a holiday designated in Article 12.1 occurs during the full time employee's vacation, the employee shall be entitled to an extra days vacation, or cash in lieu thereof, based on straight time pay for an eight (8) hour work day with due regard for the staffing requirements of the Meat Department.

11.6 Vacation pay is to be paid to the employee prior to the day the vacation begins. If the employee's vacation pay is not available when he is scheduled to leave he will be paid from store funds.

11.7 Part time employees shall be entitled to a vacation on or after each anniversary date of their employment, pro-rated on the basis of the average straight time hours worked during the preceding year according to the vacation

formula set forth above and subject to the same conditions as pertain to full time employees.

11.8 When a holiday designated in Article 12.1 occurs during a part time employee's vacation, he shall be paid five (5) hours holiday pay if he qualifies under Article 12.5 and 12.6.

11.9 Part time employees who change to full time will receive credit for the vacation earned on the basis of forty (40) hours being equal to one (1) week of work. In the computation of future vacations, credit shall be given for hours worked as a part time employee and the vacation anniversary date adjusted accordingly.

11.10 Full time employees changing to part time will continue their original vacation anniversary date and will receive part time vacation on the basis of average hours worked during the vacation year. The original employment date will be the basis for determining eligibility for vacation.

11.11 Employees who have exhausted their personal holiday entitlement and who have at least two (2) weeks of vacation accrued may use one (1) week (five (5) days) of vacation in single day increments, subject to the following conditions:

A. Scheduling of single day vacations will be by mutual agreement between the employee and employer;

B. The employee will provide at least two (2) weeks advance notice of their desire to schedule a single day vacation; and

C. Full-time employees shall be paid in increments of eight (8) hours per day and part-time employees shall be paid in increments of five (5) hours per day (part-time employees must have a minimum of five (5) hours accrued in order to take a single day). However, if the Employer can electronically process single vacation entitlement based on one-fifth (1/5) of the week's average hourly vacation entitlement, then payment will be made on that basis rather than in five (5) hour increments.

D. Vacation shall be taken in the year in which it is earned or, at the latest, the following year.

ARTICLE 12

Holidays

12.1 The Employer agrees that the following days shall be holidays. When a holiday falls on a Sunday, the following Monday shall be observed:

Work may be performed on any of the herein above mentioned holidays, however, for employees hired prior to March 30, 2004, work as such shall be compensated for at the rate of time and one-half (1-1/2) the employee's regular straight time rate of pay, which shall be over and above the regular straight time rate of pay as provided.

For employees hired on or after March 30, 2004, work performed on any of the holidays specified above shall be compensated for at the following rates, which shall be in addition to the straight time pay provided for the holiday:

0 to 12 months of employment:

\$1.00/hour premium for each hour worked

13 to 24 months of employment:

\$1.50/hour premium for each hour worked

25 to 60 months of employment:

Thereafter time and one-half (1-1/2) employee's regular rate of pay provided, however, that any such employee who works in excess of thirty-two (32) hours in a holiday week (excluding the holiday hours) shall not be compensated for both holiday premium and weekly overtime.

12.2 Mini-Vacations:
