By Motion dated March 11, 2004, employer requests that its appeal in the captioned case be withdrawn and the case be remanded to the district director for approval of a settlement.

Section 8(i)(1) of the Longshore and Harbor Workers' Compensation Act, 33 U.S.C. §908(i)(1), provides for the approval of settlements by the district director. Accordingly, the Board grants the motion, dismisses employer's appeal, and remands this case to the district director for further appropriate action. In the event the proposed settlement is not approved and the petitioner wishes review of the merits of the appeal, the Board will reinstate the appeal at the request of the petitioner. 20 C.F.R. §802.405(a).
