"That's the question before you tonight. Not, 'If I stop to help the sanitation workers... If I stop to help this man in need, what will happen to me?' The question is, 'If I do not stop to help the sanitation workers, what will happen to them?'

Let us rise up tonight with a greater readiness. Let us stand with a greater determination. And let us move on in these powerful days, these days of challenge, to make America what it ought to be. We have an opportunity to make America a better nation."
