2410 Crest Road  
Baltimore, MD, 21287

**Email:** mvlemas@jhmi.edu

**Phone:** 410-614-5411

**Organization:** individual

---

## General Comment

Dear Secretary Sebelius -

Do not be persuaded by religious organizations of America on public policies. It is absolutely critical that all women have access to preventive health services, such as contraception, regardless of their employers' religious interference. I urge you to revoke the proposed exemption and protect the individual freedoms of all those who would seek access to these important healthcare services, wherever they may work in our great country.

M.V.Lemas
