# WHY SHOULD YOU ATTEND THIS SEMINAR?

If you are an employer who is trying to comply with federal and Louisiana state laws regarding your health plan, this is your chance to talk to both federal and Louisiana state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the Arkansas Dept. of Insurance to bring you practical information, helpful tips, and clarification regarding Louisiana and federal health benefits laws.

This seminar is FREE and open to the first 96 registrants. Registration will be on a first come first served basis, so please fill out and return the registration form on the back of this brochure as soon as possible by email, or by fax or phone (see back for contact information).
