

UNITED STATES DEPARTMENT OF LABOR

EMPLOYEE BENEFITS SECURITY ADMINISTRATION

HEALTH BENEFITS COVERAGE UNDER FEDERAL LAW WORKSHOP

The Department of Labor is holding this workshop to help you comply with federal laws regarding your health plan and answer your questions about new laws and issues. We recognize that understanding and complying with DOL regulations can be challenging especially for small and medium sized employers with limited time, resources and/or access to professional assistance. This workshop will provide practical information, helpful tips and clarification regarding federal health benefits laws.

EBSA is offering a free workshop in your area where we will discuss:

- COBRA continuation coverage
- HIPAA portability rules
- Mental Health Parity and Addiction Equity Act of 2008
- The Genetic Information Nondisclosure Act
- The Patient Protection and Affordable Care Act

The EBSA publication [COMPLIANCE ASSISTANCE GUIDE - HEALTH BENEFITS COVERAGE UNDER FEDERAL LAW](#) will be provided to all attendees, along with a discussion of the various laws that impact these health benefits. Employers, who sponsor a health plan for their employees, as well as health plan service providers, are welcome to attend.

Pre-registration for the workshop is required by November 9, 2012 and space is limited to the first 30 registrants. We ask that you make every effort to attend the workshop once you register or send an alternate. Late registrations will be accepted based upon availability and seats are allocated on a first-come basis. Attendees must bring a valid picture ID and be processed through the federal building's security entrance. As a courtesy we ask that you turn off all cell phones and electronic equipment during the workshop. Please act quickly to reserve your spot!

Individuals with disabilities who need special accommodations please check here.

The attendees list will be available on request. Please check here if you do not want your name shared.
