# WHY SHOULD YOU ATTEND THIS SEMINAR?

If you are an employer who is trying to comply with federal and New Hampshire state laws regarding your health plan, this is your chance to talk to both federal and New Hampshire state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the New Hampshire Insurance Department to bring you practical information, helpful tips, and clarification regarding New Hampshire and federal health benefits laws. In addition to the U.S. Dept. of Labor and the New Hampshire Insurance Department, representatives from the Dept. of Health & Human Services and the Internal Revenue Service will join us.

This seminar is FREE and open to the first 110 registrants. Registration will be on a first come first served basis, so please fill out and return the registration form on the back of this brochure as soon as possible by email, or by fax or phone (see back for contact information).
