

United States Department of Labor Employee Benefits Security Administration Choosing a Retirement Solution for Your Small Business Workshop

Interested in establishing or sponsoring a retirement plan for you and your employees but aren't sure which plan fits your needs?

The Employee Benefits Security Administration designed the **Choosing a Retirement Solution for Your Small Business** workshop to assist small employers in making this decision. The workshop will help small employers and plan service providers understand the types of retirement plans available, the tax benefits and consequences of each, along with the federal reporting requirements and fiduciary law governing these type plans.

Following the workshop, the **Women's Bureau** will be discussing retirement plan issues. In addition, the **Bureau of Labor Statistics** will present *Small Business Solutions: How Do Your Compensation and Benefits Packages Measure Up?*

Pre-registration is required and seats are allocated based on a first-come basis. We ask that you make every effort to attend the workshop once you register or send an alternate. Late registrations will be accepted based upon availability. Please act quickly to reserve your spot!
