Employee Benefits Security Administration
COBRA and Understanding Your Fiduciary Responsibilities under ERISA
Compliance Webinars**

Webinar 1: COBRA Compliance

This presentation will assist employers and staff members in understanding the disclosure of General Notices, qualifying events that determine when an employee is eligible for COBRA, when and how an employer must send a COBRA Notice, and the deadlines that apply for employees to enroll in COBRA coverage.

Webinar 2: Understanding Your Fiduciary Responsibilities under ERISA

Strong fiduciary oversight and protecting workers' benefits is one of the highest priorities of the U.S. Department of Labor. However, we recognize that understanding and complying with ERISA can be challenging for any employer, but especially so for small and medium sized employers with limited time, resources and/or access to professional assistance. The Employee Benefits Security Administration (EBSA) will present an introduction to the Employee Retirement Income Security Act (ERISA) and cover some of the basics of retirement and health plan administration. This will include an overview of the Voluntary Fiduciary Correction Program (VFCP).

Pre-registration for the webinar is required by May 22, 2012 to receive your electronic invitation and URL link prior to the webinar. Registration is limited to the first 100 registrants.
