

# UNITED STATES DEPARTMENT OF LABOR EMPLOYEE BENEFITS SECURITY ADMINISTRATION UNDERSTANDING YOUR FIDUCIARY RESPONSIBILITIES UNDER ERISA WEBINAR

Strong fiduciary oversight and protecting workers' benefits is one of the highest priorities of the U.S. Department of Labor. However, we recognize that understanding and complying with ERISA can be challenging for any employer, but especially so for small and medium sized employers with limited time, resources and/or access to professional assistance.

A free webinar for employers and service providers, **Understanding Your Fiduciary Responsibilities under ERISA** will be offered in your area. The Employee Benefits Security Administration (EBSA) will present an introduction to the Employee Retirement Income Security Act (ERISA) and cover some of the basics of retirement and health plan administration. This will include an overview of the Voluntary Fiduciary Correction Program (VFCP).

Pre-registration for the webinar is required by September 7, 2014 to receive your electronic invitation and URL link prior to the webinar. Registration is limited to the first 100 registrants. Late registrations will be accepted based upon availability. Please act quickly to reserve your spot!
