

U.S. Department of Labor Health Benefits Education Campaign
in coordination with the
New Jersey Department of Banking and Insurance

Health Benefits Laws Compliance Assistance Seminar
June 28-29, 2016

Why should you attend this seminar?

If you are an employer who is trying to comply with federal and New Jersey state laws regarding your health plan, this is your chance to talk to both federal and New Jersey state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the New Jersey Department of Banking and Insurance to bring you practical information, helpful tips, and clarification regarding New Jersey and federal health benefits laws. In addition to the U.S. Department of Labor and the New Jersey Department of Banking and Insurance, representatives from the U.S. Department of the Treasury and the U.S. Department of Health and Human Services will join us.

This seminar is FREE and open to the public.
